Dear Alliance Sisters,

I am very happy to report that the Alliance is very much back in business. Our roster is showing just under 250 members and while we are not totally out of the woods, our present bank balance will allow us to publish our next Journal. We think you are going to like it, but more on that later.

The new phone number is (215)-395-4794. I have sort of designated Tue. evenings as "Alliance Night", when, I will usually be in my office. You can, of course, try anytime. Shortly we hope to install a phone answering unit. (Sorry we cannot accept collect calls.)

Enclosed is the current directory. Note that it is in two parts: First is a computer dump of the present roster in zip ascending order. From this you can tell who is in your general area. The second part contains the ads all of you sent pretty much in zip ascending order. As you can see we are very diverse. Perhaps it is well at this point to emphasize that there is no hierarchy whatever in our culture. It is just as "ok" to have a large collection of lingerie and dress for pleasure as it is to dress to go out for a night out on the town or to live as a full time woman. Or to decide for the operation and to dress for normal everyday business. If there is an underlying mission to the Alliance it is that of making it possible for you to be you.

Many members have elected to publish their box number. You can, of course correspond to them directly. Otherwise simply write your letter, affix proper postage, and write the member's number in the space where the address would go. Seal and mail your letter to us in a separate envelope. Enclose half a buck for each letter. For the summer: eight for \$3.00, a dozen for \$4.00, two dozen for \$6.00. We do ask two things: please acknowledge to anyone who writes you that you received the letter even if it is only to ask not to continue the pen relationship. The other is not to send through the Alliance pictures which depict the genitalia or acts of sex. (We certainly won't check letters, only ask that these ground rules be observed.) If you live outside the US, don't sweat US postage, please enclose a donation for same.

A quick word on the computer. It is my own gear and you needn't fear that your name has been given to a service bureau. The tapes which contain your name have been encrypted to prevent anyone from reading them without the proper code word.

We expect to mail out the next Journal this coming September. As I said, you are going to like it. We are running this year a series of three "core" articles: wives and girlfriends, how to pass, and transsexuality. Our series on wives and girlfriends is unique. We are getting to the "nitty gritty" on how to find that class "A" wife. How to present your "interests" to her and, in some cases, her kids. We will explore problems that people typically

run in to and ways of dealing with them. We will discuss the which most commonly bug wives and will include articles and letters by wives themselves. Our series on passing will include methods beard control and makeup techniques specifically for the genetic male. When and where to use padding and how to dress when going in public. We are coming up with a very good series on transsexuals. We will be looking at the psychological factors, what it really means in this society to be a woman when raised male. Effects of hormone electrolysis, and a good discussion of the operation itself. Where to go for more help.

In addition to our core articles will be many others written by all of you on your personal experiences. While we will reprint some articles of interest, the Journal will have much more original material and less reprints.

The local chapter is a very important way for you to interact with you friends. We strongly encourage people to form chapters even if it just a few people meeting at someone's house. The first step is to get acquainted with others in your area. Find out what people are interested in. We do encourage the local chapters to be autonomous from International with their own bank account, officers etc. In some cases good local groups may already exist in an area even though not formally associated with the Alliance. We encourage support of such local groups if their criteria for membership is about the same as ours. In the directory you will note that some such groups are listed. (Please note the Fantasia Fair listing; a week in October on beautiful Cape Cod en femme in a safe environment with the cops on your side.) If interested, please inquire promptly.

If you have received four Journals (the last two were double issues) plus the membership directory, your membership is up for renewal. We really need your renewal to continue giving you a top return. Would you please take out just a minute and send us your check for \$20 for the coming year. Thanks a real bunch. Also consider writing an article or letter for the Journal. Original contributions are always welcome. Generally stay away from just discussing your newest dress (that is unless you made it) or simply rehashing old things. Tell us how you dealt with an unusual situation or how you and your wife solved a particular problem. How you view yourself and how you came to certain conclusions about life. Thanks.

Be sure to include your member number in all communication with the Alliance.

The word "love" is slippery in the English language. It can mean a lot of things. In our culture it seems easier to look someone straight in the eye and say, "I love you" without it implying sex or trying to get something. You are all beautiful people. I love you and sincerely want each of you to be happy and to achieve in life that which you want.

Yours in the lifestyle and with
love

Hi! I'm a straight, single TV, 24, in
NYC-Long Island area. I'd like to meet,
correspond w/TVs and interested women,
esp. couples w/encouraging wife. I'm
less interested in passing publicly than
in expression of exotic, bizarre feminin-
ity. Have strong fetishes for corsets,
spike heels, petticoats, satin, extreme
make-up, etc. Enjoy serving as French
Maid for women and couples. Look forward
to new friends, esp. w/photos.
