Hi Lou -

It was very nice meeting you at our ETVC dinner social. I passed along your book to Gloria for our library, but not before I read through it. I think it is a wonderful book & would like a copy for myself if possible. Please let me know how much it would cost & how to order. You can write directly to me at [redacted] Blair Terrace, SF 94107.

Hope we'll see you at one of our socials again soon.

Sincerely, Ginny Knuth
