I hope you can come to this fabulous event. This is the first of it's type, I think, in New York and it is going to be a lot of fun. Aside from single entries open to the public, and some members of the courts are participating, group entries from the bars include SPLASH, CLUB 58, TOWNHOUSE BAR, CLAIRE'S and others.

We need to raise a lot of money for the GAY GAMES, and I'm asking your help to support them by bringing lots of friends and having a fun old time. And by all means, dress up and join the festivities. Thank you so much.

Bring the flyer enclosed and come in for only \$10. and all you need is one flyer for all your friends.
