DEAREST SISTER

The Outreach Institute is pleased to announce the 12th ANNUAL FANTASIA FAIR. Over the past eleven years the Outreach Institute has developed a quality orientated educational opportunity for those who wish to experience a lifestyle "en femme" vacation.

As you read the enclosed information about FANTASIA FAIR and our special mini-weekend fair, please recognize that this vacation package provides a wide range of programs geared to serving your needs, in a tolerant and sympathetic community, for a reasonable cost.

Because of the quality programs of Fantasia Fair, and the limited physical facilities, we can accept only so many participants; therefore, it is important to you to mail your registration check immediately. Our new marketing approach will directly contact over 5,000 potentially interested participants. YOU should register early to ensure your VACATION.

Fantasia Fair proceeds, after expenses, are used to support the Outreach Institute, a non-profit educational organization established to conduct programs for the dedicated Helping Professionals who wish to understand our paraculture. In this, your vacation contributes to a continuing program serving you and the paraculture.

Because we want to be a part of downtown Provincetown, and not isolated in standard motels built a mile or more from the center of this charming rustic seaport & artists colony, we have selected small classic New England Inns to provide our participants easy access to the town's fine restaurants and shops. This is also done to insure a supportive small group environment.

We have been in Provincetown for eleven years. We have many, many friends in the town; who look forward to seeing us each year. But, it is not a "bigger closet", it is a real community with a historic tradition for social tolerance and a police force which serves and protects us as any of its citizens (a rare **privilege** not found everywhere). They are our friends, and they can become your friends too...

COME TO THE FAIR!
