

Dear Allan -

Hopefully you remember me - I met you after your lesbian Maguerade lecture. I am a female-to-male transvestite involved in the Bay Area's transvestite / transsexual organization, ~~the~~ Golden Gate Girls / Guys. I am ~~the~~ editor of their newsletter, The Gateway. The enclosed issue contains my review of your lecture (I did swipe the picture from The Sentinel).

As I told you after the lecture, I am very interested in assisting you with your research of female crossdressers. This knowledge means very much to me personally, I ~~have~~ worked on the gay publication out of Milwaukee (GPU NEWS) for 2 years. I can type 85 wpm, own my own typewriter and have a ~~lot~~ of free time in the evenings & on weekends. I am also very responsible & ^{reliable} - ~~if I say I'll do something, I will do it.~~ I know that's a problem when people offer their help on projects.

If you are interested, we might also arrange for you to give your lecture in abbreviated form to the Golden Gate Girls/Guys for a small lecture fee.

Ermon Wolfel, the other female-to-male in our group, and I strongly feel that your research info must not be put aside ... we even spoke of paying for the printing of your information out of our own pocket if necessary.

Please accept my offer for assistance. I can be contacted ~~anytime~~ at home at [redacted] or at work Mon → Fri 8 → 4:30 at [redacted] (ask for Shik).

Regards

L S
