CHI'S JULY MEETING

For the first time in recent memory, CHI Chapter "stepped out" for the night when the July meeting was held at the Lite Factory Disco Lounge. In attendance for the evening were: Karen IL-3-M, Joan IL-6-C and Pat, Mitzi IL-8-C, Rachel IL-14-B, Linda IL-16-S, Lillian IL-24-C, Sharon IL-25-H, Deanna IL-35-G, Maryann IL-203-B and Kathy, Ruthann WI-14-L, Sharon MI-4-J, and Elaine MI-16-W; potential Chapter members Cheryl IL-206-P, Kiki IL-207-L, and Helen IL-209-R; and guests LulaBelle, Lynne, Naomi, Sandy, Gale, and Bob.

Our Hosts for the evening were Gayle and Jack, the owners of the Lite Factory. Our members and guests began arriving at 6:30 P.M., and mingled with the other patrons of the Lite Factory while enjoying the Disco, the game room, and the bar. At 8:45 P.M. a short Chapter business meeting was conducted. Afterwards, our prospective members and guests had a chance to talk to Chapter members to learn more about Tri-Sigma Sorority and the various activities and programs of CHI Chapter.

The highlight of the evening came at 11:30 P.M., when the girls of the Lite Factory presented a special show for the Chapter. Gayle and Robin started the festivities with a comedy routine. This was followed by songs from the beautiful Brandy, magnificent Marsha, and the mysterious Marilynne. Robin and Gayle returned, in solo performances, to cap the show. All in all, one of our wives summed up the entire evening when she said that everything was "Simply Amazing!" Our very special thanks to Gayle and Jack for a very enjoyable evening.

CHI'S SEPTEMBER MEETING

The next meeting of CHI Chapter will be held on the second Saturday of the month, September 13th. This early date was selected to avoid conflict with the annual Tri-Sigma Convention in New Orleans and/or DREAM in Oregon, both being held during the latter part of the month. Details of the meeting place and time will be found on a separate sheet (Regular and Associate members, and invited guests, only). Linda and wife Gerry have volunteered to be our Hostesses this month. To assist them in preparing refreshments, please return your Post Card directly to them; Associate members please drop a note to your Hostesses if you plan on attending. Since the meeting is early this month, please reply promptly to allow as much advance notice to your Hostesses as possible.

CHI Chapter is approaching a "Crossroads," a combination of membership growth plus the desire to be a strong and effective voice within the local area Paraculture. It is time to seriously plan the direction we will take. These matters will be discussed at our meeting this month, and we expect that some firm decisions will be made. Since every Chapter member's voice and vote is important, please make every effort possible to be in attendance this month!

CHI'S OCTOBER MEETING?

Jack and Gayle have invited the Chapter to return to the Lite Factory for our October meeting. They have suggested that we have a "Halloween Party" that night, and extend an open invitation to our mutual TV friends in the area to join with us. We will discuss their invitation and suggestion at our meeting this month, and full information on the place and date for our October meeting will be included in next month's newsletter.

NEW CHAPTERS

Your Editor has received a few letters from members in the New York, Connecticut, and Massachusetts area who have indicated that they were contacting Diane NY-203-W in hopes of participating in a new Chapter for that area. While we haven't heard anything from Diane in the last month, we hope that things are "coming along," and an organizational meeting will be held in the near future.

During last spring, Alice KY-5-D conducted a survey to determine if there was sufficient interest in the northern Kentucky, southern Indiana, and southern Ohio area to support a new Chapter. Preliminary response was good, and we also have hopes that a Chapter will be formed there very soon.

I hope to receive a current up-date on activity from both Diane and Alice, which will be reported in future issues of the newsletter. If anyone in either area would like to participate in Chapter activities, but has not been contacted, let me know and I'll be sure to advise Diane or Alice of your interest.

Sorry for the lack of "news" in this issue of the newsletter, but your Editor was away on vacation for almost three weeks during July, and for two brief periods in August. Everyone else must have been gone, too, because nothing much seems to have happened over the summer; if something did happen, it wasn't reported! Now that school is starting, things should start picking-up and I hope to be able to fill in the "gaps" next month.

Until next time.....

WHEN YOU GO TO BED!"

TV or not TV

....that is the question. Whether 'tis nobler to suffer the slings and arrows of outrageous LABELSor, am I "part-time"? Or, am I a "bowler"? Or a business-man? A typist?

I type my own letters! When I do that, I guess I'm a typist. If I did it in my tan, polyester shift, I'd be a "TV-typist." But, on alternate Thursday nights I go bowling. NOT in a skirt. So, at that particular time, nobody could call me a typist. At least, they shouldn't. I'm a "bowler" on alternate Thursday nights.

It can be argued that I am still a business-man, even when I'm bowling. But, according to that, then I should also be a typist when I'm bowling. And a TV. And a "reader" (I'm big with books), and a caucasian. And, short. And a whole lot of other things, some of which I am from time to time, and others which I am at all times. However, on Saturday afternoons, with a day & a half's growth of beard and my sweatshirt and slacks, no way could I be mistaken for a business-man. Heavens, this could go on ad infinitum!

What I'm getting at is this. There is something to be said for the fact that when you are not DOING something, it is quite possible that you are not IT. So, if you see me bowling some night, don't call me a business-man. Or, a typist. I'll be a bowler. Unless, of course, it's on an EVEN, alternate Thursday and I'm bowling in a tan, polyester shift. In that case I'll be a "TV-bowler", a "short-TV-bowler!"
