NO, not another issue of Fertile La Toyah Jackson. Yes. Yes. And more yes. Fertile La Toyah and the Afro Sisters are black teen drag queens, who are the taboo love dream of every lilly white punque rock boy in America.

We've been flooded with letters, telegrams and phone calls, from you twisted people! We love you. Special thanks for the good, the bad, and the ugly press we've received in Tower Records Pulse, they called us, "The Most Offensive Zine", Max Rock n Roll, Factsheet Five, JD, Homo-Core, Details Magazine, Exposure, Spy Lyric, My Sin, Spy, Esquire, GQ, Elle, Seventeen, Vanity, Pier Lui, Manipulator and LA Style just to name a few.

Welcome to Fertile La Toyah Jackson, The Paris Issue. Fertile Editor Vaginal Davis and her Afro Sisters spent the fall in Europe touring with Suckdog, Psychodrama and Glen Meadmore. Vag took Europe by storm! She was also recruited by designer Jean-Paul Gaultier to model. All of Paris was at her feet. She sucked a-lot of hefty French uncut cheesy dick. Quelle Frommage!

### FERTILE FANZINE GUIDE By Boris Streisand

Fertile trades with over a million and a half 'zines all over the world. Here's a partial list of some of the best. If we failed to mention you this time, please don't be upset we'll be sure to talk all about you in the next issue.

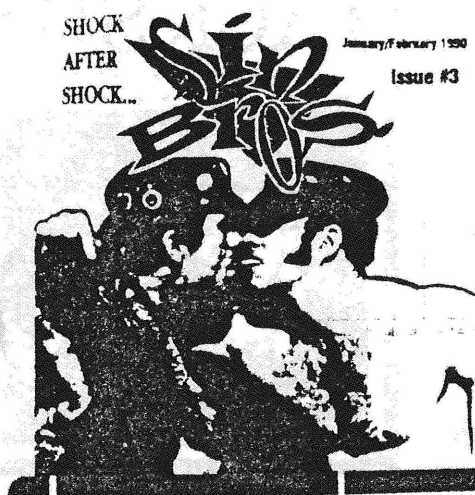

1. Factsheet Five (c/o Mike Gunderloy 6 Arizona Avenue Rensselaer, New York 12144-4502 \$2.00) This is the best of the breed listing every 'zine known to man. What makes this so special The fact that Factsheet Five educates the ignorant. There's even 'zine etiquette and how to start your own 'zine. Thank God this publication exists. 15\*\*\*\*s!

2. Maximum RocknRoll (\$2.00 P.O. BOX 288 Berkeley, Ca., 94701) Very Berkeley in tone and scope. The best thing are the letters, reviews tend to be of the milky mouth white boy variety, way too white-male/straight/music oriented for my tastes. 3\*\*s

3. Flipside (\$2.00, P.O. BOX 363 Whittier, CA.,) Very suburban punk rock oriented. See above descrp. Very old school. 1\*.

# what makes fertile mad?

One thing that really makes Fertile mad is all these trendy coffee houses popping up - Java, Gasoline Alley, Mad Hatter, they are all trying desperately to create a San Francisco-ish bohemian chic, but honey those days are over, so get over it!

Case in point: Fertile accompanied some out-of-town friends to the Onyx/Sequel on Vermont. Fertile didn't want to go there, but her friends dragged her in. So she orders plain coffee (not espresso or cappuccino mind you) and dessert. And wouldn't you know, these tired people at the table next to Fertile are seriously discussing existentialism. (Did I spell it right?)

So Fertile gets disgusted and yells at these stupid trendy people, "STOP TALKING ABOUT EXISTENTIALISM!"

One of the dummies even sported a trendy goatee and get this: he was wearing a beret.

And while we're on the subject of things that really irk Fertile. No one bothers Fertile more than Natalie Merchant of the group 10,000 Maniacs. Fertile is just sick up to her cooz with all the critical acclaim that woman gets. Fertile would like to put that chick to check. Now if what I've just mentioned isn't enough to make Fertile La Toyah Jackson REALLY, REALLY MAD! What is?

# WHAT FERTILE SEZ PEOPLE COPY

Fertile and the Afro Sisters travel all over the world performing and they are shocked and surprised to hear that everyone has picked up on their terminology. If you hear people saying, It is be, was be, will be and most likely be, then you know the Fertile influence is everlovingly present. Here's some more to add to your vocabulary:

## phrase

PMS

## meaning behind phrase

The psychological condition that a prissy homey-sexual goes through when he can't get his way.  
Example: Leave Merv Griffin alone, he's going through fierce PMS.

Swoop

To aggressively chase a goodlooking young man in a manner that suggests that you're only after his friendship, when in reality you want to get inside his panties.

# GIDEON

**body and soul...**

**HOT BOY OF THE DECADE**

**all encompassing, complete-**

Gideon is an extra goodlooking boy from England I met awhile back through that queen of art

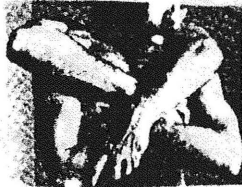

queens-Maynard, and Roscoe from the old Abstraction Gallery.

I really wanted to have sex with Gideon because he's just my type, but we never were able to connect in that manner. Now he's become a top fashion model and is up for a major role in the new David Lynch (Blue Velvet, Fraserhead) film. The staff of Fertile would like to wish him continued success and happiness. Gideon's mother is an English lady, with a title and everything, so that's why he has that aristocratic look.

## WHAT FERTILE SEZ

dainty

A gaye boy who is very slight and Roddy McDowell-ey, and that raps his coat or sweater around his waist as he dances and flits with it like he's wearing a hoop skirt.

# true sexual encounters

By Vaginal Davis

One evening a while back, it was real hot, humid and sticky, and this got me feeling extra sexy, and horny so I decides to put on something revealing and prance about. So I puts on this see-through shift dress I bought from Patricia Field in New York years ago, and shoved my feet into this pair of you're-not-fucking-me-hard-enough pumps. So I'm strolling down Fairfax Avenue near Beverly Blvd and this is the cute Jewishboy part of town, and I'm sortof feeling in a Jewishmood. So I tip-toe up to the newsstand where this sexy gorgeous young Jewish boy works, and before you know it we're HavaNagila-ing right there infront of all those European

fashion magazines. It was quite a spectacle, B-lieve me!

Well after we're finished having quick but satisfying sex, a Beemer pulls up and its that cute movie actor turned TV sitcom star, Jon Cryer of the Famous Teddy Z. Now this boy is my ultimate type. So I don't hesitate, and get into his car and we park in the Cantors parking lot and get immediately into some frenzied manic lovefarming. Now Mr. Cryer has a pretty large puffy circumcised penis, (being that he's Jewish too) and this is my favorite kind of male organ. So I'm going down on his wank getting my Shiseido matte lipstick all over his shaft.

And Jesus penelope christ this is my last tube of Shiseido, cuz they stopped making this particular line years ago, Anyways

What a sight this is? He's getting hotter and heavier, and I tell him that we better finish the scene at his place. So we're driving away and we pull up to this 30's bungalow, and who comes to the door but Anthony (The Swan) Kiedes of The Red Hot Chili Peppers.

Now I'm wondering whats going on here, then it hits me, that this TV kid wants a delicious 3-way. Well I've known Anthony and his father Blackie Dammett for years and he's all excited to see me, and hey, since I'm feeling ultra horndoggied I don't mind a 3-way with these two studcakes, so I go into the apartment and out comes Anthony's stuck-up teen age girliefriend Ione Skye. Now I like the two men, but I'm not about to bump bush with this primadonna chick. So I findsout that the fourgy idea was all hers and that If she's not included the deals off. Just like a girl. So I brush myself off and walk myself home, end of episode.

Would you have had sex with Donovan's daughter? No way! Why couldn't Ione's brother Donovan Leich have been there? Well everyone knows he's banging that tired old hag Susanna Hoffs formerly of the Bangles. Susanna likes young boy flesh--who doesn't!

## 'Are The Cure, Pure?

I must be catatonic but when did Robert Smith and The Cure get to be such a big mainstream act that they can play Dodger Stadium? Hey! Somethings wrong here baby. Thats where the Beatles and Elton John performed, and The Cure sure ain't them. And another thing, while I'm on a roll, that sissy English group Depeche Mode have gotten so big that they played the Rose Bowl last time they were here in L.A. Now I remember them when they were nothing but a bunch of pimply faced new romantics. Hey what gives? It just goes to show you that anyone can become a big success with very little talent.

# frankly, phranc i give a damn!

Phranc not Frank is a sexy hot Jewish American Folksinger. I go way back with this gorgeous beauty. She use to be in the old punk bands Catholic Discipline and Castration Squad, but as a solo artist she really shines. I can't articulate how much I love her, just go and buy her album "I Enjoy Being a Girl" at your local alternative record store. We at Fertile La Toyah Jackson hate female mud wrestling, but we like male mud wrestling.

CELEBRITY PROFILE: GENDER

By Jacqueline Diverse

Who is the glamour puss beauty of the 90's? None other than Gender. Gender is a new kind of beauty. She doesn't just lip sync, she belts out original tunes and classics with her own lovely singing voice. What else makes her special? She tap dances. Now how many queens out there

tap dance? Gender has been making the scene for the last 10 years or so, since she was a weenager in Downey, California. I can't say enough nice things about this girl. She's tall, volup-chew-us and sexy. If you want to book her for a show or party call and ask for her care of Fertile La Toyah Jackson Magazine at 213-851-7743. She's guaranteed to please.

The dances that are sweeping the clubs at the time of this writing all originated at gay black clubs. These dances are The Running Man, Hammer, the Jenny Craig and The Bus Stop which is a throwback to The Hustle.

# LA TOYAH'S ON MY MIND!

\*\*\*\*\*Ran into celebrity photographer Greg Gorman a while back, Greg is the only one of the homo celebrity photographers that I can stand. He wouldn't give me any concrete dirt because he knew it would get printed in this magazine, and you know what? He's right! Greg, I had a great time at your New Year's eve bash. Mickey Rourke seemed to have an even better time as he was rimming and fudgepacking Head of the Classes' Michael DeLorenzo in the back yard of Mr. Gorman's Sunset Plaza home. Later he was pulling the pierced nipples and gish of Rupert Everett and plowed his Easton's buddy Dexter Fletcher (Carravagio). Speaking of Easton's. This gym has taken the place of Sports Connection for having the most sexy studs. One kept boy courtesan that goes by the name of He's the Greatest Dancer is kept by Sid Croft of HR Puffenstuff fame.

**wherever you wish...sex**

\*\*\*\*Drop dead gorgeous model Tony Ward (Of the Belinda Carlisle and Paula Abdul video) was at the Grace Jones party. And Miss Three Graces was after him, she was after everyone who was attractive and boy does that girl toot up a storm. All her money goes up her nose. How does she manage to do all those drugs and look sooooo good? Well Tony Ward was at this party with some trashy chick, he should drop this bimbo, cuz she hasn't an ounce of personal style or class. Tony why are you always with these nowhere girls?

**relentless hunger for flesh,**

\*\*\*\*Adam Horowitz Update. I just love Adam Horowitz. He's that cute King Ad Rock of the Beastie Boys. I never get sick of him, he's so beautiful. Last issue I mentioned his penis as being un-circumcised well that was a typo. Adams wee wee is circumcised and honey its one of the most delectable jobs of circumcision imaginable. Those Rabbis really know what they're doing. Jewish men definitely have the prettiest penises in comparison to Gentiles. I got tons of phone calls and letters on that mistake. Well, even Fertile ain't perfect. As for the Beastie Boys, the other two members of the Beasties are ugly, so I'm not interested in them.

More Gossip

\*\*\*\*\*Hey I don't want to hear anymore rumors that **Nicholas Cage** and his ex-lover **Johnny (21 Jumpstreet) Depp** are back together. They are the best of friends and love each other tremendously, but there's nothing more going on between them, so I want the speculation to stop right now!

Gossip

Little weeny superstar, **Michael J. Fox** may be a married man, but like most men he's awfully frisky and he doesn't care who knows it. He's proud of his randiness, and his lovely talented wife makes allowances for him, because she loves the lil guy. Not long ago Michael J. was involved with another Michael J., namely **Michael J. Pollard**. I don't know what they saw in each other but

a fun sexually safe time was had by these cute adorable midgets.

Oh and, lets not forget our Afro American stars: **Eddie Murphy** and **Arsenio Hall** are still bickering over the rights to boxing champ **Mike Tyson**. Eddie and Arsenio are the best of pals, so its really silly for them to be fighting over the sweet, innocent yet dumb heavyweight, who incidentally packs a bountiferous heavy thick weight in his Everlast shorts.

This feuding took on a really ridiculous cord at an after party for **George Clinton**, after his righteous show at the Palace. So Ed and Arsenio stop your sobbing, there's millions of other big peniled black boys in LA. Leave Mickey Tyson alone!

On another note, that horndog Eddie has been making quite the fool of himself at **Some R, Some Aren't** drag nite on Monday nights at **Peanuts** on Santa Monica Blvd. Eddie loves pre & post ops and drag queens. He's not the only one **Toni Basil**, (Oh Mickey you're so Fine) model **Nick Chavez**, actor **Mickey Rourke**, artist **Keith Haring** all frequent this Mondays nite Haunt. # WHAT YOU SAY?

\*\*\*\*\*Everytime I go out, I see Billy Idol. He goes to the opening of a bottle! And why does he wear those glasses? Is he trying to look intelligent? IDOL UPDATE- Got in motorcyle crash, wasn't wearing a helmet (THE FOOL). Direct Oliver Stone may have to replace him in the upcoming Jim Morrison film.

Sean Penn may be a little tiny shrimp but he packs a powerhouse pecker.

Matt (Bull) Dyke of the Dust Bros., and Delicious Vinyl should cut that long hair off, and shave. He looks awful. When he first came to LA, he was one of the most beautiful boys in town. Now, - well honey just look at him. The drinking, the drugs and the late nights have all caught up to him, ruining what was once so fresh. Now honey get it together, before you have to check into the Betty Ford Clinic or Raleigh Hills. Remember baby I still love you, you're the sweetest dinge queen short of Keith Haring, so when your world totally crumbles and all those superficial and shallow friends of yours betray you

I'll always be there, so don't be embarrassed or hesitate to call on me. I'll clean you up and let you nurse my lactating titties. You can drink all my milk darling and its perfectly alright if you mix it with Nestles Quick, the Chocolate not the Strawberry.

# WHAT YOU SAY?

\*\*\*\*\*Went over to Maddy's house in Doheny canyon. Boy does this rich chick have good taste. I'll call her decorative look post-punk moderne, which sure is a hell lot better than home moderne, which is what Herb Ritt's house is plastered in. Oh don't let me start on old (and I mean old) Herb. He's my next door neighbor. But I must say one thing, he would have written me off his list years ago if it wasn't for the fact his good friend Richard Gere adores me. So to stay on Richards good side he puts up with my black queeny-ness. Getting back to Maddy, those stories you've heard in the mainstream gossip rags about her and George Michael are of course ridiculous. George doesn't do fish, he's a 100% USDA beef man.

The person that the Papa Don't Preach gal is really seeing in a hot and heavy way is none other than the very, very, young Jordon of New Kids on the Block. So our lady of the sacred virgin is robbing the cradle. Why not? the boy is in his peak. What about Warren Beatty? He's too old and faded.

\*\*\*\*Fertile photo editor Beulah Love recently took artphotographer and icon Joel Peter-Witkin and his wife Cynthia and Ms. Barbara Witkin out for a wild nite on the town. They don't come into L.A. often, because they live away from it all, in New Mexico, but when they do, they love to get together with Beulah. Cynthia Witkin is a tatoo artist extraordinaire and one incredibly intelligent woman. She's sweeter than death, and has a great fashion sense. I can't tell my lovely readers where the Witkins like to go when they come to L.A. because then everyone will be there, crashing the scene, and it will ruin it. The Witkins aren't trendy, they just like getting together with close friends and having fun.

\*\*\*So what has Ann Field been up to these days? You know Ann, she's that snooty art director

I always see her little husband Clive Percy or whatever his little English name is in the strangest places, I won't mention where. He and Ann need to talk.

\*\*\*Powertool, Jeff Stryker goes to my gym, The Beverly Hills Health and Fitness Club, and he's been working out with a new date, who is very agile and fine. Bet they do more pumping on each other than on the bench press.

Congrats to young actor Travis Fine, who used to live next door to me. He has a starring role in the new ABC drama The Young Riders. Too bad the show won't be a hit, Westerns are poison in the ratings war, but it will probably showcase Travis. Could I tell some juicy gossip on Travis, but I won't divulge what I know for now. What I will say is that Travis has a fat thick bullfrog dick, so watch out America!

Talking about the long and the thick of it. Sean, Chris and their musical brother Michael Penn are notoriously stacked in the wank department, RUBY, I'm talking really big dick here! The brothers Penn are an even 30 inches combined.

People are always saying that I talk too much about sex. Well they're right! One of these days I'll stop.

Went to a star jammed party up in Bel Air given by a powerful married gay Walt Disney Productions exec. Tons of food, drink and drugs. Lots of young hot stud whores, who do nothing, and I mean absolutely nothing but satisfy middle aged balding movie 'xees. What money and illegal narcotics will buy!

Talked a bit to that Baldwin kid, who starred in the Preppie Murders TV movie. He is really striking, the best looking of the Baldwin brothers.

\*\*\*\*\* Have you read the hot poetry book by Gavin Dillard? Well this guy calls himself the Naked Poet, and this book of his eh, poetry, features a picture of himself and his large appendage on the cover. This man is to poetry what artist Tim Smith (Of the bad skin fame) is to art.

John Travolta sure has been keeping a low profile these days, and with a new movie out and everything. I asked John at a party who was he seeing? And he haws and paws and says that he hasn't time for a relationship. Like hell. Mr. Perfect Saturday Night Greasy Fever has been involved in an on / off again tweeking with fellow actor Matthew Modine, and Matt's wife approves and encourages it. Well if you're a beard what else can you do. I find Matthew very moody. Sometimes he can be extroidinarily warm and open, and then he can do a 365 on you and be real aloof and mannered. I'll definitely keep my readers posted on this one as the info develops.

Hey doesn't that Ailee Willis get on your nerves? She and that stupid half-a-haircut. Another chick who grates on me is Downtown (Lesbian) Julie Brown and Earthgirls Julie Brown. I'd like to shoot them with the same gun that the homecoming queen used.

1000 applauses go to John Fleck for knabbing a featured role in the Liz Taylor TV movie "Sweet Bird of Youth" Work it girl! Too bad Mark Harmon was cast opposite Lizzy, the ex-UCLA quarterback was just plain dreadful.

Ex-Flaming Colossus french boys Frederick and Nicholas have taken over the old black club The Speakeasy on Santa Monica Blvd in West Ho and turned it into a trendoid supperclub. The people that they are attracting leave a lot to be desired, but I'm sure they are raking in the bucks.

# SO I'M KEPT BY AARON SPELLING?

## !?! SO WHAT!?!

OH MY OH THOMAS GDALA! This is one haute stud-ly and extremely intelligent young man. Beauty and brains what a winning combination. Our man Thom, is proud of his one year relationship with producer Aaron Spelling (Dynasty, Charlie's Angels) If you think this is just another one of those sick May-December, 1865 romances think A-gain. Thom and Aaron really care about each other and are devoted to each others happiness. Aaron's gorgeous ex-wife Candy even approves of the affair. So get your mind out of the gutter and wake up to the reality of the 90's. These wealthy and attractive people are just living their lives honestly and healthily so we at Fertile LaToyah Jackson give them our hearty congrats, and more power to ya!

## hard, raw and sexual

JASON BATEMAN has stopped haunting the MeatRack, in favor of The King of Hearts on Hyperion in Silverlake. He's not the only celeb whose made the switch and become a regular at this notorious sex club, Scott Baio (Chachi of Happy Days and Charles in Charge) is addicted to the King and that tired, never will make it big actor JM. Bullock (Too Close For Comfort, Hollywood Squares) even goes there, though we aren't sure why, because no one in there right mind would have sex with him. JM has lost a lot of weight and we congratulate him on that, but stop hanging out at that Frozen Yogurt place on Santa Monica near Circus Books, waiting for people to recognize you, they never do.

## fertile goes to the movies

1. *Wonderland* - Teenage homo version of Diva. Cute boys and fanciful situations. I give it 3 titties.

2. *Black Rain* - The streets of San Francisco in Japan. Where is Brenda Vaccaro when you need her? Ridley Scott keeps the action fudgepacked, unfortunately delicious latino, Andy Garcia only co-stars and doesn't star. I can't stand that Michael Douglas.

3. *Do The Right Thing* - Spike Lee's best to date. Ossie Davis Ruby Dee, John Torturino, Danny Aiello, Joie Lee, and my mija-Rosie Perez are perfect. Giancarlo Esposito is sexy and Spike should stick to directing and stop acting in his own movies.

4. *Harlem Nights* - Eddie Murphy's version of Cotton Club. Della

# WHAT YOU SAY?

Who sez Fertile can't be everywhere at once? Well she can, so there! you slimy lil idiota. When Fertile went as a guest to the yuppiefied Courtyard Club Gym, she ran into model/Men's Fitness columnist Mark Findley, who was escorting his latest conquest, that neurotic celebrity photographer Herb Ritts, through the rounds.

Fertile busted her left buttsticle seeing Herb trying to lift weights. He was wearing Katherine Hemnett sweat pants and looked like he was going to Club Louis, not working out. HAHAAHAHAHAHAHA.

sperm-free

Did I mention Club Louis, well its at the New Horizon on West Washington Blvd in Funkytown. All the slumming debs think they are hip for going to a nardcore black gay nightclub. Well give them a cookie! I've personally seen Lil Miss Ciccone shaking her grove bone with just a micro-mini and bra on. Her escort Mr Beatty was looking like he'd rather be someplace else. I don't know why he goes places with her, if he's just going to be bored. Robert Russler (Shag, Vamp) was in the back patio making out with Christian Slater and then later Kirk Cameron of TV's Growing Pains. Mr. Russler is really randy at the Art LA party held at designer Michele Lamy and filmmaker Richard Newton's Hancock Park house he was utilizing one of the newly redesigned upstairs bedrooms (Michele's house was remodeled by Frank Israel) for the purpose of getting impaled by the giant knob of none other than Dolph Lundren. Other frisky business that night was perpetrated by party crashers Christina Applegate of Married with Children and Amy Wright (Chocolate Wars) who got so intoxicated on all the free liquor that was paid for by the French galleries that they wound up pantie-less by none other than the only heteros in the crowd Rodney Bingenheimer and El Duce of the Mentors.

## fertile goes to the movies

Reese steels the picture. This movie looks more 1989 than 1938. Poor Jasmine Guy, the make-up artist and cinematographer should be shot for making a pretty girl ugly.

5. Valmont - Mios rorman's version of Dangerous Liaison. Of course its brilliant.

6. Sex, Lies & Videotape - Its a good thing I get free screening passes to movies, because if I had to pay \$7.00 for this I'd be mad. Such a dull white people movie.

7. Sea of Love - Al Pacino sure hasn't aged well, and that Ellen Barkin may have a sexy bod, but she has fierce smile lines. This flick is a hetero remake of Cruising. John Goodman from the Roseanne TV show is sexy for a fat man.

INTERVIEW WITH GLEN MEADMORE

By Glee Brevard

I caught up with Amoeba Records recording artist Glen Meadmore at Redondo Beach's The Strand. He was seeing one of his fav's Lesley West of Mountain. Remember their classic "Mississippi Queen". Well Mountain's Nantucket Slayride is one of Glen's favorite albums. Lesley has gotten fat and old and he has frizzy long hair. He was wearing a sad cowboy outfit. Lesley West is a homosexual, but the crowd to-night was strictly suburban Heshen. I asked Glen what his musical plans were and he said he's been working on new material for a new lp that will hopefully be released on Amoeba Records. Glen currently has two albums on Amoeba: Chicken and Biscuits and Squawbread. Two possible titles for the new album are: Homo on the Range or The Old Jim Trail. Expect some real insanity on this upcoming release; with song titles like: "I Just Wanna Suck Some Cock", "Let Me Know When You're Finished", "Bitter Queen Blues", "Tan My Hide", and the religious hymn "When the Heaven Bells are Ringing". Glen will also be writing a drag queen anthem which will feature the most famous queens in the world.

Glen just bought a brand new Fender Telecaster electric guitar, so get ready to rock out with Madam Meadmore when he debuts with a raw back-up band. Anyone out there who is cute and sexy and can play their instruments fairly well should contact Glen through Fertile La Toyah Jackson Magazine at 213-851-7743. Glen will be touring in the summer and hopes to take a band with him.

Getting personal with Glen I asked him about his love life and he said that if Jeri Hall would dump Mick Jagger he'd marry her so they could have beautiful babies together. Glen would also marry Julie Newmar if she was younger. When I asked Glen what kind of Penises he likes he said, "Thick penises are the best". The Meadmore definition of true love: "A man who is super intelligent with a beer can cock." Glen denies the rumors about him and John Wayne Gacy (the mass murderer). "Our relationship is purely platonic. I'm his muse. He's painted several portraits of me and one of us together. One day they'll be worth more than the Joel-Peter Witkins and Andy Warhols that I own."

Gacy and Glen have been pen pals for over 2 years. Glen thinks of Gacy as having a good old boy, Trucker type mentality. Glen's favorite recording artists are: Tiny Tim, and Darlene Edwards (alter ego of Jo Stafford)

Glen was recently arrested after a performance in drag at the UC Santa Barbara campus in Isla Vista. It seems that Santa Barbara is a very provincial town. The arrest was in all the papers, as well as Entertainment Tonight and Current Affairs. It seems that Glen's court case set a precedence for all performance artists in Southern California. Robert Mapplethorpe and Glen Meadmore what more can I say.

**captivating, loving, sharing,**

## BUNNY TUPPERWARE PARTY

By Elmer Occasion

Hollywood talent agent Sandy Crisp aka: Bunny, gave one of the most exciting parties of the season. Yes it was an old fashion Tupperware Party. Everyone was there who is anyone. Underground celebs like Doran Johnson, RCA Victor, Tom (the Nova China lookalike), the notorious Jayne County, Steel Magnolias, Julia Roberts, Glen Meadmore, The Tired Donald and Danielle, and Scandanavian heartthrob Michael Oliver. Tupperware spokesperson Michael Van West was horrified when the Goddess Bunny, demonstrating a microwave casserole bowl violently tossed it to the ground.

CELEBRITY PROFILE: The Many Faces of Craig Roose

By Buster Beaute

Who the hell is Craig Roose you're asking. Well Craig Roose is Hollywood's bonafide genius/personality extroidinaire. Yes indeed. I interviewed him recently at his Silverlake bungalow which is exquisitely decorated ala 1930's depression chic. Craig has the best taste of anyone I know and is one hell of an extremely gifted indivige.

"My destiny is in the hands of God, and his hands are warm"

Billy Wisdom, lead singer of the Heeshees.

Summer Caprice of  
TV's Decoupage

Jacqueline Essex of Stupor pic by Gretchen Knotts

Well what makes him so hot? He has a million personalities in his body that he has absolutely no control over. And each one of these personalities is a celebute on its own.

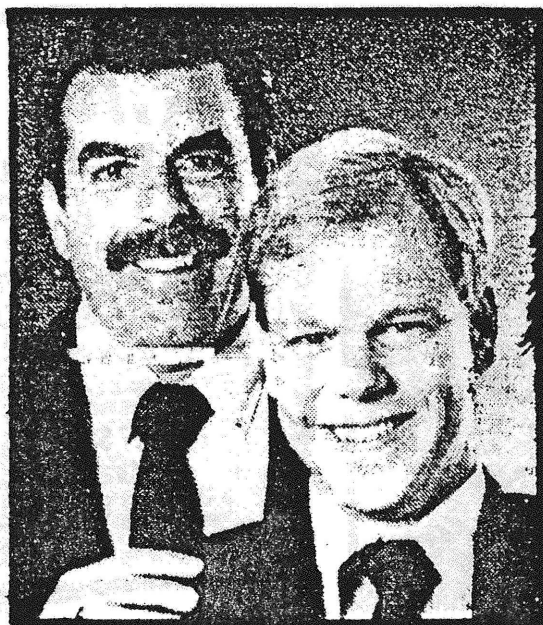

Personality #1-Summer Caprice is an interpretive jazz dancer, socialite and hostess of a syndicated cable talk show called **Decoupage**. Decoupage is hilarious. The best thing on cable. The only way to describe the show is to say its a cross between Dinah! Lets Rap with Alicia Sandoval and The Mike Douglas Show. If you get cable its a must see.

Craigs personality #2 is the glitter rock star Billy Wisdom of the group, Billy Wisdom and the Heeshees. The Heeshees began performing back in 1983 and have a cult following.

Personality #4 is Jacqueline Essex, lead singer and bass player of the English all-girl mod band Stupor. Along with sidekicks Jennifer Nagatauk and Josselyn Brunswick, Stupor have created the new British Invasion. Jackie Essex is a little like Rita Tushingham of the movie A Taste of Honey.

**Craig Roose** (Cont from p. 20)

"Once you love yourself, then everyone will love you."

Personality #5 is Rusty Varian of the lounge singing group Rusty Varian and Simplicity. They are like a 90's version of Tony Orlando and Dawn and they hail from Alhambra (A quaint LA suburb).

Personality #6 is Whitey The Clown. This clown is similar to John Wayne Gacy's clown but a little different.

Personality #7 is Maxi Van Houton a biker chick living in Anaheim near the Disneyland motel with her white trash boyfriend.

Personality #8 is Ben Eaton a disc jockey with a thyroid condition who broadcasts a live jazz show from his station wagon.

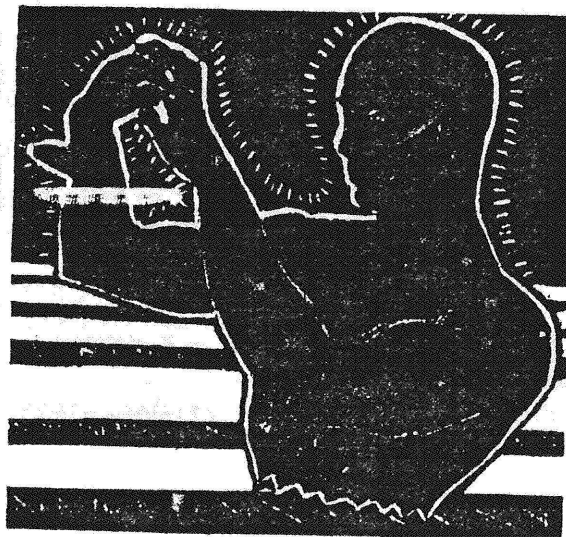

Personality #9 is Kenny Mingus personality #8's live radio show engineer.

My goodness! More personalities than the Three Faces of Eve, but not as many as Sybil. Mr. Craig Roose has no control over these personalities. They live their lives quite apart from him. Are there any jealousies? No!

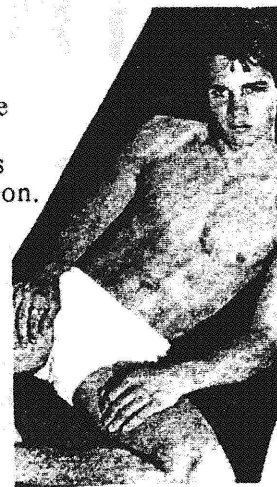

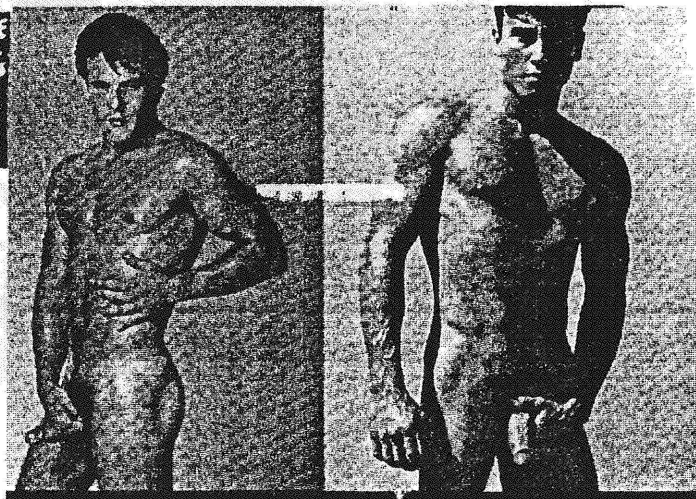

Where can you see these personalities perform? LA, Chicago, New York, Paris, Rome. You name it and they've been there. If you want more info on Craig Roose and his many performing personalities call the Craig Roose HotLine at (213) 851-7743 for booking info.

# Indie label of the month

SPOTLIGHT ON AMOEBIA RECORDS

By Token Fairchild

Definitely the most progressive indie label in the United States if not the world is Hollywood's Amoeba Records. Owners Keith Holland and Quasi O'Shea are two tantalizing talent finders. Among their choice discoveries are Chicago's 11th Dream Day, and that Winipeg, Canada cutie Miss Glen Meadmore. Here's some others on the Amoeba Roster that you should be aware of:

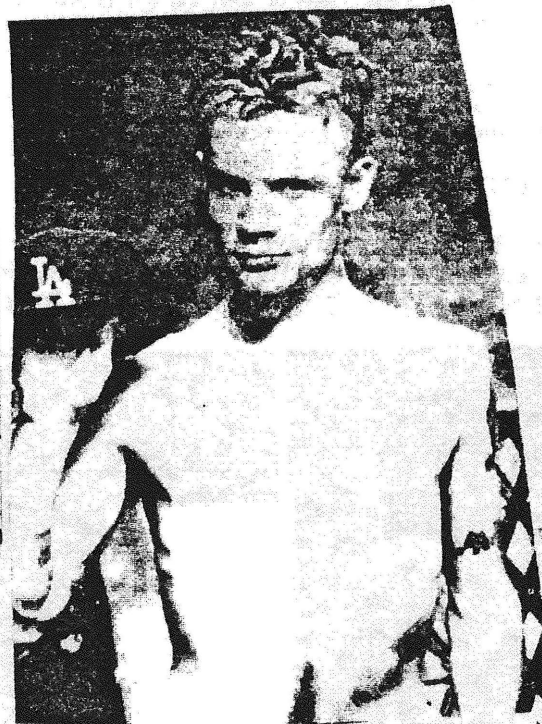

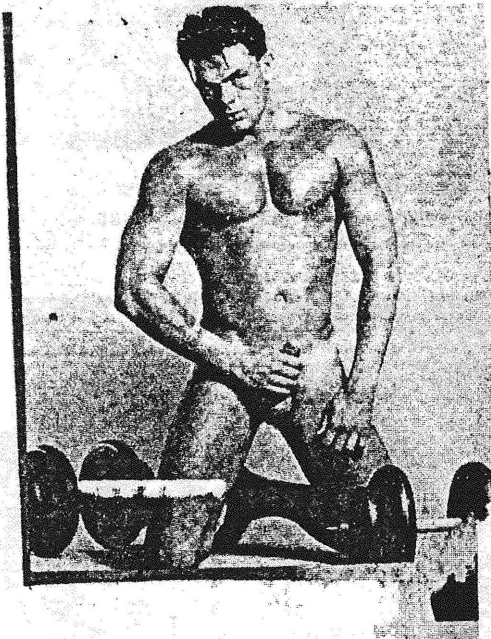

1. The Hollowmen, from Des Moines Iowa just completed a successful West Coast tour promoting their lp **Pink Quartz Sunblasting**. This group of young sexy verilic long haired beefbowls are destined for greatness. Tom Armstrong and Mike Samgster both play guitar for the band, and take turns singing lead vocals, muscular drummer Joe Paige makes me cream and bassist Jim Roth is a Jewish boy-toy delight. Influences are Captain Beefhart, Husker Du and everyones influence Mr. Sid Barrett

2. Freakwater, consisting of Janet Bean of 11th Dream Day and Cathy Irwin are the latest additions to the Amoeba Records family. These pretty white girlies sing beautiful county folk in the style of 20's and 30's country music. Influences are: Carter Family, Louvin Bros and Woody Guthrie. Their debut self-titled lp is one of the best in years. Buy it!

3. God's Acre from Chicago, have a 7 inch 45 record, "My Real Cool Time" b-side "She" Influences are: Blue Cheer, Motorhead and Glenn Branca. Peter Houpt, lead guitar/singer has beautiful long blonde hair and I get wet just thinking about him. The other guys in the band are gorgeous too, so you should check out their single simply because I say so and I have excellent taste.

To order any or all of the above records from Amoeba Records call them at 213-467-6671. Or if you want to write to Amoeba Records or send them any demos tapes or press kits (and they are always looking for new talent especially if its cute, gay and punk rock oriented) send inquiries to 5337 La Cresta Court Los Angeles, CA., 90038-4001

GACY, GG, Bloody and Joe

## bloody mess

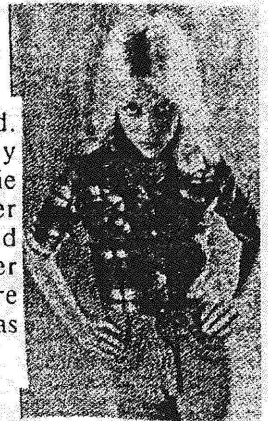

By Michael Musto

What do GG Allin, Bloody Mess and Joe Coleman have in common? They all are penpals with John Wayne Gacy. Yes thats right Gacy, the mass murderer, artist and clown. You see the notorious GG Allin who as of this writing is now in prison had been writing love letters to that sick black drag queen Vaginal Davis of the Afro Sisters, but she didn't return GG's affection and told him to write to John Wayne Gacy instead. So GG began his letter writing campaign to Mr. G. Now Bloody Mess and Joe Coleman have been writing Gacy for years. GG got Gacy's address from singer/songwriter Glen Meadmore. GG had an affair with Lisa Suckdog some time ago and Lisa gave GG both Meadmore's address and Vaginal Davis's address. GG Allin also writes to Hinkley, the nut case that tried to kill former president Ronald Reagan.

## Cherie Bomb

Fertile Talks With Cherie Currie

I visited Cherie Currie in North Hollywood the other day and honey she doesn't look too good. I liked her look back in the 70's when she was in the Runaways. Now she looks like any Valley housewife, you could hide quarters in those bags under her eyes. I useto hang out with Cherie at Ginos in Hollywood and the Old Sugar Shack. Cherie is sortof making a comeback in her career. She's been singing around town with Redd Kross and even has a hot book out called "Neon Angels on the Road to Ruin" This book is sort of like the one Nancy Spungen's mother wrote about her. When I asked Cherie if she had an affair with Jodie Foster while they were filming 20th Century Foxes, she rolled her eyes and said, that she and Jodie hit it off but not as well as Jodie and the beautiful Kari Chrome which is another story in itself.

Lonnie Carbajal

1958-1990

We at Fertile mourn the passing of underground legend Lonnie Carbajal of the famous Carbajal family of Echo Park. Lonnie was loved by everyone who haunted the seminal night spots Ginos, The Other Side and Peanuts, where he was one of the original Cosmetics. Lonnie even performed his amazing acrobatic dancing in such classic films as Roller Boogie and Xanadu. Mainstream audiences were thrilled with his talents when he was one of Diana Ross's backup dancers in the late '70's. He will be deeply missed.

When Lisa Suckdog and her band Suckdog come to town it means trouble. Lisa is one of the most exciting performers today. Her Ips Drugs are Nice and Boss Hogg have become classics. Lisa came to LA recently as part of her West Coast tour. She performed at Als Bar with Suckdog and her french husband Coastes and Debbie. Joining Suckdog in a rare appearance was Glen Meadmore and Vaginal Davis of the Afro Sisters. That evening cannot be compared to anything LA has ever or will ever see again. So keep an eye out for Lisa Suckdog and Suckdog when they drop by your hometown.

DAY 1

IT'S A GOOD THING LISA & COSTES MET ME AT THE AIRPORT, I WOULD NEVER HAVE FOUND MY WAY TO THEIR HOUSE, I CAN'T READ NOTHING, I'D JUST SIT DOWN IN THE STREET AND DIE. LISA HAS TO BUY ME FOOD CAUSE THEY WON'T TAKE MY AMERICAN MONEY. WHEN WE GO GET IT, I SEE A BLACK WOMAN WEARING OLD OVERALLS JUST LIKE MINE, LOTS OF COMMUNIST PARTY ADS, AND A STORE ADVERTISING "PRIX" DU PAIN. I'M WRITING THIS ON THE TOILET AND TOILET PAPER IS TINY PINK PUFFS. IT TAKES 25 OF THEM TO BEGIN TO COVER AN AMERICAN MAN'S ASS.

DAY 2

I'M REAL MAD. WE HAVE SOME FLAMBOYANT ART-MURAL TO HANG BEHIND OUR SHOW AND WHILE PRACTISING, I LEAN AGAINST IT AND GET LAVENDER PASTEL ON MY GREASY UNDERSHIRT, AND IT WON'T WASH OUT. THE REST OF THE TRIP I' GOING TO FEEL LIKE A PANSY.

I SAW A YOUNG BLACK HOMOSEXUAL WEARING OLD OVERALLS JUST LIKE MINE. SPENT ALL DAY DRINKING AND TRYING TO DECIDE WHEATHER TO GO SEE A RAP GROUP THAT SCRATCHES BY MAKING TOASTERS POP UP AND DOWN OR A BAND NAMED "THE REAL NIGRESSES" (LISA & I WANTED TO BEAT THEM UP CAUSE WE'RE THE ONLY REAL NIGRESSES LEFT IN THE 80'S). I PASS OUT DRUNK INSTEAD. COSTES STAYS UP ALL NIGHT PRACTICING MAKING FLASH POWDER GO OFF AT THE PRECISE MOMENT HE EXPOSES HIS PENIS.

DAY 3

I SAW SOMETHING NEITHER MALE OR FEMALE OR BLACK OR WHITE WEARING OLD OVERALLS JUST LIKE MINE. WE WENT TO AMIENS, FRANCE TO DO THE FIRST SHOW. WHEN WE GET THERE, COSTES TRIES TO SELL HIS RECORDS TO 2 STORES. IN THE FIRST ONE THEY ACT LIKE HE'S A SEX PERVERT WITH LICE. EVEN THOUGH HE & LISA DID DISCO DANCES TO PROVE THEY WERE PROFESSIONALS, THE STORE SAID NO. IN THE 2ND ONE THE MANAGER PUT "RAPE 66" ON THE STORE SOUND SYSTEM, LISA HEARD HER VOICE, PUT HER HANDS OVER HER EARS AND RAN. THE MANAGER THOUGHT SHE WAS AN EXTREMELY OFFENDED CUSTOMER, QUICKLY TOOK IT OFF THE TURN TABLE, AND SAID NO.

DURING THE SHOW I'M DRUNK BECAUSE THEY'RE GIVING ME FREE JACK DANIELS AND I USE WAY TOO MUCH FLASH POWDER. IT MAKES A HUGE EXPLOSION, KNOCKING ME ACROSS THE ROOM AND DEAFENING ME IN ONE EAR. I EVEN HAD BLACK SOOT ALL OVER MY FACE. IT DESTROYED THE PASTEL ART BACKDROP AND THE SUITCASE CONTAINING LISA & COSTES' RECORDS. THE BLOWN-OUT SUITCASE CAUGHT ON FIRE. LISA NAMES ME FATHER DEMOLITION.

STUPID CONEASSES INVITED US TO THEIR HOUSE TO SLEEP. A LITTLE FRENCH GIRL KEEPS MAKING GOO-GOO EYES AT ME 1 1/2 INCHES FROM MY FACE. LISA TELLS HER SHE HAS TO GROW A BEARD TO GET ME, BUT THAT DOESN'T STOP HER. I PUT ON MY TAPE OF OLD COUNTRY SONGS AND IT CLEARS THE ROOM FASTER THAN ANY NOISE/NO WAVE TAPE COULD. WE WENT AND SLEPT IN SOME FARMER'S FIELD WAY OUT IN THE COUNTRY INSTEAD. THIS MORNING I STILL CAN'T HEAR IN ONE EAR. I REMEMBER SOME IMPORTANT FRENCH RADIO WOMAN LAST NIGHT TRIED TO TAPE AN INTERVIEW WITH COSTES BUT WOULDN'T TALK TO ME OR LET LISA FART IN THE MIC. I GOT MAD AND BECAME BUBBA AND YELLED BITCH-CUNT AT HER AND HOED THE EARTH AT HER. COSTES DIDN'T GET INTERVIEWED.

DAYS 4-6

I WALKED DOWN THE STREET PAST SKATEBOARDERS AND THEY ALL YELLED "LE ZZ ZZZ" AT ME. HOW FAR AWAY DO I HAVE TO GO TO GET AWAY FROM THAT?

WE HAD A PHOTO SESSION OF ME FISHING FROM THE LEFT BANK. I DIDN'T CATCH ANYTHING BECAUSE THERE WASN'T ANYPLACE TO BUY LURES OR BAIT. LISA FOUND A PLACE TO BUY KAFKA & DOESTROYESKI, THOUGH, AND SHE SAT READING IT ON THE LEFT BANK. SHE

(Cont on page 36)

# Psychodrama Paris Diary

TRIED TO DISCUSS IT WITH ME, BUT I DIDN'T KNOW WHAT THE HELL SHE WAS TALKING ABOUT AND SHE WAS SCARING THE FISH AWAY.  
THE SUN GOES DOWN AT 10:30 PM HERE. THE FARMERS & I ARE REAL MAD ABOUT IT. IT MEANS THEY HAVE TO STOP PLOWING IN THE MIDDLE OF THE DAY TO PICK UP THE KIDS AT SCHOOL. WHOEVER SETS THE TIME HERE HAS NO RIGHT TO MESS UP A MAN'S KIDS & CROPS. I STARTED TO FEEL BAD ABOUT NOT BEING BACK HOME WITH MINE.

DAYS 7-8

I SAW A GIRL WITH BOBS OF RED LIPSTICK (NOT LISA) WEARING OLD OVERALLS JUST LIKE MINE. WE TOOK THE TRAIN TO BORDO. BORDO IS A GAY CITY. NONE OF THE SHOPS SELL WHISKEY, JUST LOTS OF WINE. I'M GLAD I BROUGHT SOME WHISKEY CAUSE I AIN'T DRINKING NO "VIN DU FLAMBEAUX".

SOME PERFORMANCE WRESTLERS OPENED FOR US WHILE WE FARTED IN THE MICROPHONES. THEY WORE WOMEN'S UNDERWEAR BECAUSE THEY DRINK FINE WINE ALL THE TIME. AFTER THE SHOW, THE ART GALLERY OWNER GOT DOWN ON HIS KNEES AND THANKED ME FOR PERFORMING, WHICH WOULD NEVER HAPPEN IN THE U.S. THEN HE TRIED TO KISS ME ON BOTH CHEEKS, BUT I SAID I WAS HETEROSEXUAL. WE STAYED AT A HOUSE WHERE THEY LOVED THE RECORDS & PICTURES OF AMERICANS LIKE NICK CAVE, LYDIA LUNCH, BIG BLACK, SONIC YOUTH, ETC. THAT MUST ALSO COME FROM SIPPING WINE ALL THE TIME.

DAY 9

I SAW A PSYCHIC TV GIRL (LISA SAID SO, I DON'T KNOW NOTHING ABOUT THAT STUFF) WEARING OV-ERALLS. (LISA TOLD ME TO SPELL IT THAT WAY, I DON'T KNOW WHY)

DAY I-DON'T-KNOW-WHAT-DAY-IT-IS

WE LEFT FRANCE, SO I DIDN'T SEE ANYONE IN OVERALLS. WE WENT TO BRUSSELS AND LOOKED AT CUTS & BRUISES WHILE LISA ATE STRAWBERRIES & CREAM. EVERYONE FOUGHT ALL THE TIME THERE.

LISA GOT VERY ILL SO SHE & I BECAME "THE SICK TWINS". INSTEAD OF SINGING & BEING WILD IN THE SHOW, SHE MOANED & WHINED & TOOK NAPS. SHE TRIED TO DISCO-DANCE BUT SHE COLLAPSED. IT WAS PATHETIC. I BECAME MORALLY SICK. I DIDN'T KNOW IT, BUT THE ULTRA-FLAMBOYANT SINGER FOR TUXEDOMOON WAS THERE EMITTING TELEPATHIC HOMOSEXUAL VIBRATIONS. I USED TO LIKE HIM WHEN I WAS A YOUNG GAY DISCO-BOY SO I REGRESSED TO THOSE DAYS. I SANG NASAL, KEPT PUTTING MY HAND ON MY HIP, AND SMISHED. LISA SAID I LOOKED LIKE A TOTAL FAG ON STAGE. IT WAS PATHETIC

# Sexy Punk Stud

Larry of Die Happy is one tightass homosexual stud. He use to wear this tired, dated punk rock Mohawk. But now his head is just clean and I like him better like that. Larry use to be in a band called ! that performed at the old Limbo Lounge. He probably got that gig by having sex with Billy Limbo. Every cute punk boy has been to bed with him. The other guys in Die Happy are Jay, guitar, Ron-Bass and Kenny and Chris drums and percussion. The other members of Die Happy are not that interesting looking. Larry is the lead singer. Of course the band is awful, but Larry is so beautiful that I can watch them perform just to imagine myself munching chug-a-lug-style on his thick juicy white shaft.

## (Psycho D. Diary of Paris)

DAYS 13-15

DID SHOWS IN ROTTERDAM & HURRY, HOLLAND. NOTHING TO WRITE ABOUT. I SAW AN OLD BEARDED FARMER IN OVERALLS, BUT THEN I WOKE UP.

DAY 16

I CAN'T BELIEVE IT! I SAW A MAN WORKING IN OVERALLS IN THE MIDDLE OF PARIS

DAY 17

WE DID THE FIRST SHOW IN PARIS. HARDLY ANYONE COMES BECAUSE THEY ALL HATE COSTES FOR GIVING A BAD NAME TO INDUSTRIAL MUSIC (EVEN THOUGH HE DOESN'T DO INDUSTRIAL MUSIC). COSES IS SO UPSET THAT HE DESTROYS THE VOCAL SOUND SYSTEM AND I HAVE TO SCREAM AT THE TOP OF MY LUNGS. SOMEONE SAID THAT SOUNDS LIKE WAYNE COUNTY. NOONE HAS BOUGHT EVEN ONE OF MY TAPES ON THE WHOLE FLEUX, SO AN ENGLISH MAN & I FIND A MEER ARTIST AND TELL HIM TO BUY THE TAPE OR OUR BUDDIES FROM OUR M.C. ARE COMING TO RUN HIM OVER WITH THEIR BIKES. HE DID.

DAY 18

LISA & COSTES ARE REALLY TRYING TO GET ME TO GIT NAKED ON STAGE. I DON'T WANT TO, BUT I AIN'T. I'M GOING HOME TO MY WIFE & KIDS & CHURCH WITH PRIDE, NOT DISGRACE. I'VE KEPT MY CLOTHES ON FOR 7 SHOWS NOW AND PROUD OF IT.

DAY 19

I COME HOME, HUG MY WIFE & KIDS, AND STAND WITH TEARS IN MY EYES LOOKING AT THE CROPS AND THE CATTLE GRAZING. I VOW TO FIGHT THE DEMONS IN MY HEAD THAT MADE ME LEAVE THE FARM AND TO NEVER LET THEM POSSESS ME AGAIN.

That Fertile Feeling-1988, Producer Keith Holland Directed by Quasi O'Shea with Vaginal Davis, Fertile La Toyah Jackson and Johnny Dark. Miss Vaginal Creme Davis declares that, "There is no difference between masculine and feminine; its all commercial hype." She proves this in the high camp low-budget parody situated in Hollywood ding-bat apartments and back streets. Fertile and Vaginal handle birthing, driving and watching porno with equal elan.

It All Started in Black-1987, Producer Keith Holland Directed by Quasi O'Shea with Vaginal Davis and Gomorrah Wednesday. Vaginal Davis stars in this tour de force on the black experience. The sex scenes are hilarious.

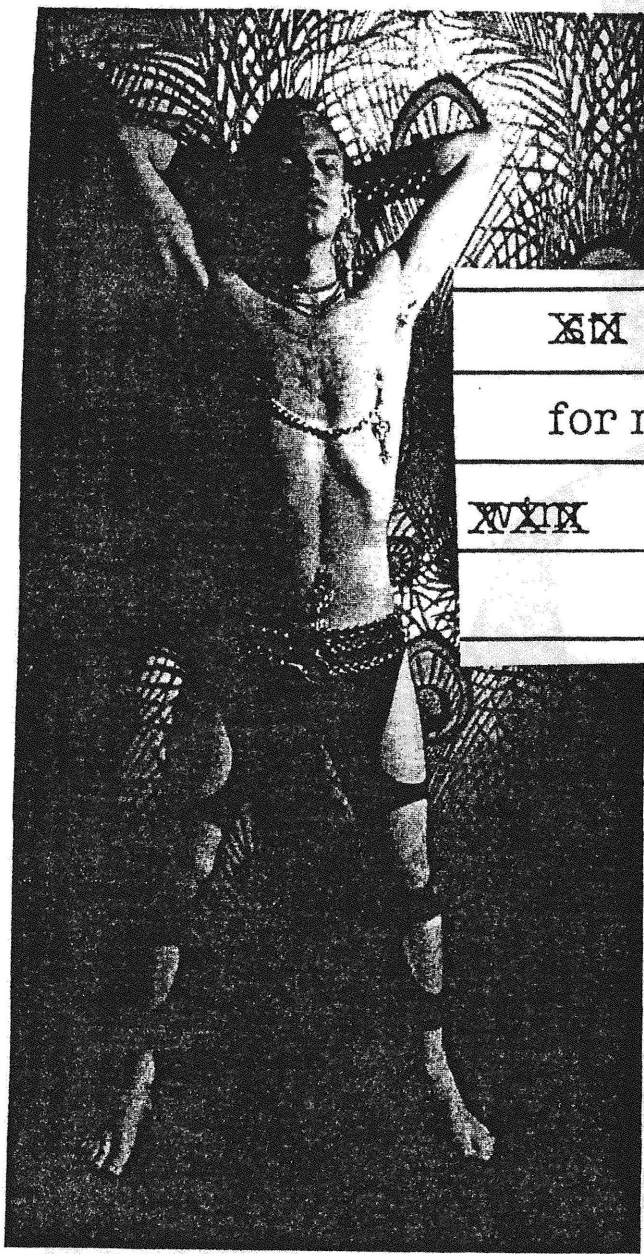

No Money, No Honey-1990, Producer Keith Holland Directed by Quasi O'Shea with Glen Meadmore, Vaginal Davis, Father Larry, Harry Hay and Dora. Music video from the Glen Meadmore lp Squawbread. Filmed on location at the notorious hustler hangout Oki Dogs.

Lovin in My Oven-1988, Producer Keith Holland Directed by Quasi O'Shea with Glen Meadmore. The first music video from Glen Meadmore's debut lp Chicken & Biscuits.

No Controlas-1989 Producer Keith Holland Directed by Quasi O'Shea featuring the Latin American sensation Cholita, (the female equivalent of Menudo). Cholita, the spin-off of the Afro Sisters, (like X has the Knitters) are a parody of hispanic pop rock groups. This their first music video stars Vaginal Davis as Graciela, Fertile as Concepciones, punk rock legend Alice Bag as Lupita and Annette Vargas as Maria Smith. SMITH.

Record Reviews by Tisha Sterling

The premiere single limited edition flexidisc by Out of Band Experience (OBE) on Immortal Records/BTM Productions is real funky and danceable in a weird sort of way. This is experimental stuff with a capital E. I usually don't like this kind of thing, but this time I was won over. If you want to order the record send \$5.00 to Immortal Records Box 221, Boston MA 02123 and if you're a sexy cute girl and want to leave a risque message call 1-800-Out-Band.

JD Magazines HomoCore compilation tape is just the best. My favorite songs on it are: "Male Call" by Nikki Parasite, "Toilet Slaves" by G.B. Jones and Bruce La Bruce, "Be a Fag" by Bomb, "The Fairview Mall Story" by the Fifth Column "Forbidden Love" by the Apostles "Bang" by Robert Omlit and "The Boy Next Door" by Zuzu's Petals. To order the tape send \$5.00 to JD's Homecore Tape P.O.BOX 1110 Adelaide St. Stn Toronto, Ont., Canada M5C2K5. Don't delay this is a must for your homo collection.

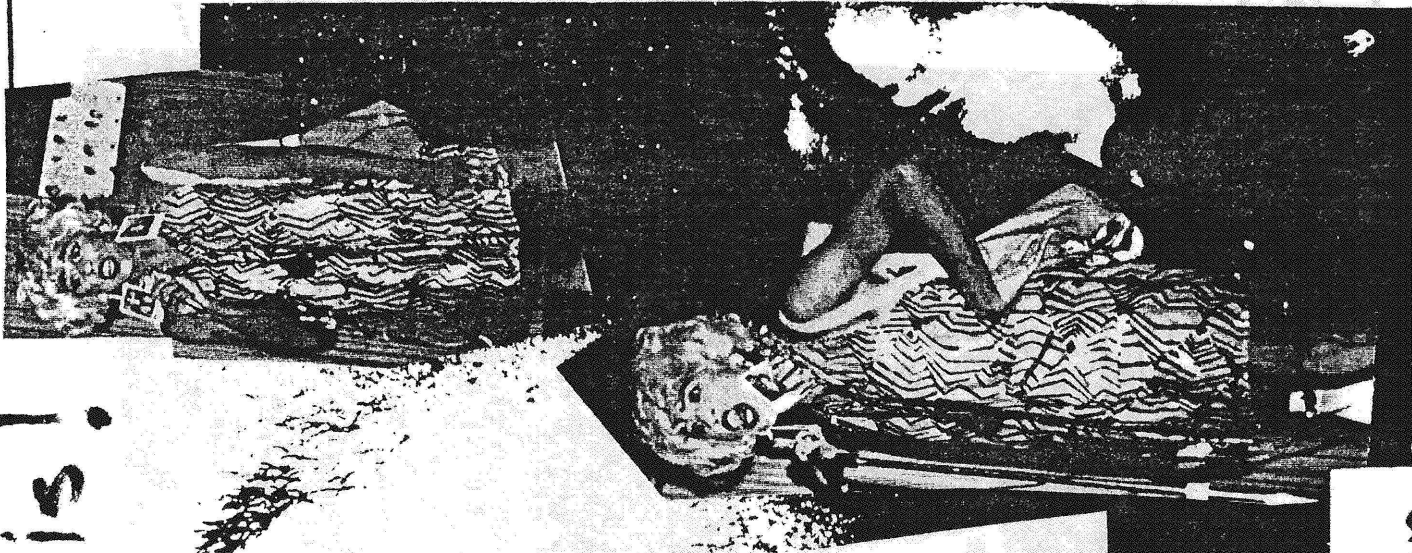

## John Lilly profile

Went to the 75th birthday party of John Lilly. It was held in his beautiful home in Malibu. Everyone metaphysical/pataphysical was there. Shirley McClaine and Joan Van Ark were munching on wheat germ prigles in the corner patio. For those of you who don't know who Dr. John Lilly is, he was one of those crazy geniuses along with Timothy Leary that did all those stupid experiments back in the 50's or whenever. He's also known for inventing the deprivation tank. William Hurt's character in the movie Altered States is based on John Lilly. Well now Lilly's a complete loon. He made us watch this silly movie about his pet Dolphin Sissy. Sissy is supposed to be talking but she talks like Flipper. Dr. Lilly also has all these daffy adopted daughters. Lisa Lyons, the muscle girl is one of the screwy daughters. She lost all her muscles to Lilly's funky experiments on her. He shot her every 10 minutes with cocaine, so now she's just a mess. Lilly has been experimenting on himself as well. He gave himself some titties that didn't work out too well. If he wants to be a pre-op why doesn't he go about it the way all the other

girls do? Anyway the party was very boring because everyone was over 40 except some of these cute Grateful Dead Hippie Boys, so after eating all the food we could stuff in our bellies and drinking all their liquor we left. Just goes to show you how stupid rich white people are.

Photographer Michael Childers and his lover, director John Schlesinger keep a little dungeon in their home where all sorts of kinky hanky panky goes on. They even have a poloroid collection of the happening scenes. One roid we got our hands on was more of a hemma, because Mr. Born on the 4th of July was getting fisted in it. Thats the reason he and his bearding ex-wife Mimi (Closet-lesbian) Rogers had to finally part company. !Que lastima!
