WELCOME !

PROVINCETOWN CHAMBER OF COMMERCE Box 1017, Provincetown MA 02657 508/487-3424

Welcome To Provincetown!

Provincetown - a unique place at the very tip of Cape Cod, welcomes you to the 2001 Fantasia Fair. We are happy to help you celebrate your 27th Anniversary! We have a long tradition of welcoming a diverse group of visitors, a tradition which began in 1650, when the Pilgrims first landed here. Over the past 27 years, Fantasia Fair has become a Provincetown tradition!

In town there are many fine shops, restaurants and galleries, all of which will be glad to see and serve you. Around us, there are 30 miles of National Seashore with great beaches and glorious dunes. Walking and biking trails make these easily accessible.

You will find Provincetown a friendly place where you will be welcome and comfortable. If the Chamber of Commerce can assist you in any way, please feel free to call on us.

Robert Harrison President Provincetown Chamber of Commerce, Inc.

27 Years! A Brief History of Fantasia Fair

Fantasia Fair was created in 1974 by members of the Boston transgender group the *Cherrystones*. "There is a tremendous need for crossdressers and transsexuals to learn about themselves in an open, socially tolerant environment," said original founder Betsy Shaw. "We want to have a program that can help us grow in practical, social, and educational ways," said another founder, Linda Franklin. Over the next year discussions centered on where to have such a program, what would be included in it, and how it would be marketed to transgendered individuals throughout the U.S.

The first Fair was held in Provincetown because the town had a reputation for tolerance of all visitors regardless of their sex, gender orientation, or role. There were about 40 participants. The Fair got its start from a few cosmetic consultants, two female impersonators who lived in Provincetown, and two doctors from the Cape. Together with much support from local innkeepers, eateries, and the newspaper, Fantasia Fair was born.

Over the years the Fair grew, expanding to incorporate the many facets of the complex social behaviors of the transgender community, under the auspices of the Outreach Institute for Gender Studies (OIGS). In these early years, the Fair served as a model for transgender events all over the world. Today, Fantasia Fair is still recognized for its leadership in increasing the acceptance of the transgender phenomenon.

Affectionately known as "The Fair," Fantasia Fair has become not only a holiday experience for the transgender community, but a mix of practical, social, and educational opportunities designed to enhance the personal growth and awareness of one's own gender expression. The beauty programs of the past have given way to self-help workshops and seminars, activism, banquets, a fashion show, a very special talent show, outstanding entertainment, and one heck of a party!

The community of Provincetown is an integral part of Fantasia Fair. The Universalist Unitarian Church has grown to be more than simply a church to visit while away from home. Shopkeepers, restaurateurs, innkeepers, business people, and artisans have all come to look forward to our annual October arrival. We not only bring another week-long event, similar to *Women's Week* and *Entre Nous*, but the towspeople have gained a genuine affection for the ladies and gentlemen of Fantasia Fair.

For many years, OIGS sponsored Fantasia Fair. In March 2001, the OIGS board of directors voted to separate from the Fair. Fantasia Fair is now a separate entity, grateful to OIGS for giving it its start. This 27th Fair promises not only to attract many veterans from past Fairs, but to add new members to the Fantasia Fair Family.

The Fantasia Fair Experience

Fantasia Fair's many public venues and its exceptional variety of programs and activities make it unique among transgender events. Every year's Fair is like no other. To better understand the Fair experience, think of it as having several distinct components:

Fantasia Fair Programs

For many attendees, the most important part of Fantasia Fair are the many professional programs, seminars, and workshops. There are a number each day, often running in parallel. Some run for about one hour, others for two hours. Morning workshops start at 9:30 am; afternoon programs begin at 2:00 p.m. There is a choice of luncheon seminars each day (except the first day, which is reserve for orientation) with after-lunch presentations by key professionals and guest speakers.

Because program details tend to change, an updated schedule is provided with the registration packet and further changes are noted in *the Daily Gazette* (the Fantasia Fair Newsletter) which is published Tuesday – Saturday. The newsletter is available after 5 pm daily at the Fantasia Fair office at the Crown & Anchor and at some of the more popular inns. We encourage you to attend the seminars and luncheons. Learn more about yourself, your community, and your world.

Evening Activities

It's the night life that brings many attendees to Fantasia Fair. There are special programs scheduled each evening, including the famous Fantasia Fair Follies and Fashion Show. A list of evening activities can be found elsewhere in this booklet. Dinners are included with several of the evening activities and the Saturday evening banquet. Snacks and light buffet are served at other evening events. You may want to explore and dine out in one of Provincetown's fabulous restaurants on these evenings, or go out for a nosh after a late-nite gab session. You'll find plenty of night owls in this group!

Provincetown

Provincetown was once a whaling village and is still a commercial fishing port. Descendants of Portuguese whalers abound, operating businesses and fishing boats. Portuguese kale soup is a staple in most of the town's many restaurants. Today, Provincetown is known as a resort, popular with all sorts of people, but appealing especially to gay men, lesbians, and transgendered and transsexual folks Provincetown has a rich and famous history in the arts. Artists began coming to the end of the Cape in the 1870s and they still come today! More than 100 years ago, Charles Hawthorn opened The Cape Cod School of Arts. Students' easels on the beaches have attracted crowds of onlookers since the opening days of the 20th century. Today, the best viewing of new and classic American art is in the many galleries around town. When you're out shopping or strolling down Commercial Street, take some time to experience the rich art and history in the galleries.

Some of America's premier artists and writers have made their summer homes in Provincetown. Eugene O'Neill wrote many of his early works here; they were performed at a small theater on the wharf. Tennessee Williams and Jack Kerouac spent summers writing here; Norman Mailer still lives in P-town! For four productive summers, and between seasons at his home on eastern Long Island, American master Jackson Pollack summered in P-town.

Take the trolley tour to learn more about the town's history. Did you know the entire town was once on the other side of the harbor and was ferried to its present location by boat?

Provincetown's Majestic Natural Features

From the wharf, you can easily see the bay and beaches to the south below Commercial. Climb the Pilgrim Monument tower and you'll be treated to a stunning view of the entire peninsula! To the north, you'll see the Cape Cod National Seashore, with its magnificent dunes, beaches, and salt forest, just a short drive or bike ride from town. Hiking, biking, birdwatching, and ocean swimming (if it's still warm enough!) are all available, with easy access through the National Seashore.

Put on your hiking shoes or rent a bike and follow the trails through the dunes, or take a motorized Dunes tour. Or perhaps you'd rather go whalewatching. Humpbacks, finbacks, and pilot whales are plentiful in the waters off Provincetown; and October is a great time to spot them.

You owe it to yourself to take time to get to know Provincetown and Cape Cod!

Remember to keep your badge with you at all times! You'll need to show it for entry to meals and Fair programs.

Some Pointers for Fairgoers

Make your lodging arrangements! Provincetown has many B&Bs. Be sure you've arranged for a place to stay. You can find a list of great inns at the Fantasia website at *www.fantasiafair.org*, or call Provincetown Reservations at 1-800-648-0364.

Getting to the Cape! Ever see the TV show "Cheers?" It's modeled on Cape Air, which flies from Providence and Boston to P-Town, Nantucket, and Martha's Vineyard. If you're not driving, you can take a scenic 20-minute flight from Boston to the Provincetown Airport, and an inexpensive ride via Mercedes Cab right to your inn. There's a summer ferry which was running during the 2000 Fair and may run this year, and there's always the bus.

Parking is difficult! Your inn may or may not have parking spaces, and they may or may not be empty if you leave and return. There's a municipal parking lot at the wharf, and a less expensive longer-term facility behind the Monument (the tall tower that dominates the P'Town skyline). Beware of parking in an unauthorized spot; you may find yourself towed.

Be sure to bring walking shoes and an umbrella! Unlike the typical transgender event, the Fair isn't confined to a hotel; it spans the town. You'll find yourself on the sidewalks, so comfortable shoes are a must. Ditto an umbrella, in case of a Nor'Easter.

Stay current! Remember — the latest program changes are in the Fantasia Fair newsletter which is published about 5 pm every afternoon. If you rely on other sources, you may find yourself at an empty venue!

Cheap eats! Looking for an inexpensive breakfast or a tasty snack? Discover the Portuguese bakery, with its distinctive pastries and breakfast grill. You can get an inexpensive lunch or snack at any of the burger-and-clam stands along the wharf or at the Provincetown Cheese Market, just down the street from the Crown & Anchor. If you find yourself starving after late-nite partying, try Spiritus Pizza; it's open late. And of course, fine dining abounds!

Go whalewatching! Every Fall, the waters off Provincetown are filled with whales. Tours are inexpensive and you'll be sure to see humpbacks or finbacks.

Watch for closeouts! It's the end of the season for many boutiques, and you'll find bargins galore. If you have your eye on something that seems out of range, the price may drop at the end of the week — but beware you don't delay; you may find the shop has closed for the season!

Fantasia Fair Office/Check-In/Policies

To find lodging, call Provincetown Reservations at 1-800-648-0364.

The FanFair registration office will be open from 1-5 pm on Sunday the 14th. The office is located on the second floor of the Crown and Anchor, at 247 Commercial Street, directly across from the UU Church. It's easy to find the C&A, for it's a large building right in the middle of the town. The office will be open from 9-5 daily Mon-Sat (closed 12:00-1:00 for lunch). The office phone number is 508/487-1430, ext. 201.

All inns and hotels have a number for receiving messages for guests, and they will try to reach you by leaving a message at the front desk or by posting a note on your door. Most of the apartments in Provincetown have their own phones. You'll find you can easily walk to just about every rooming house in town.

Checking In

When you arrive in P-Town, you can stop by the Fair office (if during office hours) or you can go directly to your place of lodging, get comfortable, and change clothes, if you wish. You should leave your car at your inn (parking is always at a premium), and walk to the various events.

Registration starts at 1 pm on Sunday the 14th. Let the registration staff know you've arrived, pick up your packet and workshop list, turn in your meal preference for the banquet, then start mingling with the other attendees and having fun. You'll need to register before attending any Fantasia Fair programs. If you arrive after office hours, Fair staff can okay you to attend events in progress until you are able to register. If you won't be arriving on the day you designated, please call your Inn and give an estimated time of arrival.

Your Most Important Fashion Accessory: Your Name Badge

When you register, you'll receive this Participants' Guide (be sure to check out the map so you'll know how to get from point A to point B), an up-to-date schedule, and a name badge. Not only will your badge help others know who you are — your badge is required for entry to all luncheons, Fair programs, and special events.

Things You Need to Know

FanFair Photo Policy

Your privacy is your own. No one may take your photo without your permission. If you feel uncomfortable being photographed, please speak up. Participants may photograph FanFair activities for their own purposes, provided the persons being photographed have given their consent. Please be especially considerate of partners/spouses, who are easily identifiable. It's wise to always ask first.

Video and movie cameras are prohibited, with the exception of cameras operated by FanFair staff, who will be identifiable. No person other than a participant, employee, or agent of the Fair may carry a camera or photograph activities or make sound recordings without the express permission of the Fair Director.

Media representatives must obtain written permission from the Fair Director to attend any function. In addition, media representatives must obtain written releases from any participant photographed or interviewed. This applies to any participant who is acting as an agent or reporter for any media or proprietary publication. The Fair Director must give permission to send any photos to publications.

Fantasia Fair reserves the right to prohibit anyone from carrying a camera or making sound recordings at Fantasia Fair activities, but we wish to advise participants we have no authority to control activity in public areas outside of the Fair, such as on the streets of Provincetown.

Photo & Video Release Forms

Participants will be asked to sign a photo and video release form so video recordings and photos taken by our staff may be used to present the Fair to professional and academic groups and crossdressing clubs, or offer to participants who want a permanent memory of the Fair. Those who wish not to be photographed will be provided with a bright badge indicating "No Photographs, Please!" If you don't want to be photographed, however, don't plan on participating in public performances such as the Follies and the Fashion Show.

A Word to the Wise

Please leave your personal hangups at home. You'll shortly see we're all family here. Get to know your new sisters and brothers. Oh, yes, we will have FTMs at Fantasia Fair 2001! Bonding processes differ from person to person, so give yourself a chance to unwind, explore, and savor the wonderful group dynamics of your new family.

One of the problems most of us face is being defined by others. As Betty Ann Lynn, past Fantasia Fair leader, used to say, "It's the many little kindnesses." Remember, we gather here from all walks of life. Some of us have very real needs for privacy and guard it jealously. Please respect this privacy, especially in first-timers.

We do not need credentials here, or checkable references. Realize that not every one is "out," nor is everyone going full-time. Don't try to convince others that your path is their path. Each of us needs to find our own gender path and choose our own destination. There is no single right way to live. We share the world with each other.

Inn Formation

Your Hosts, the Innkeepers and Apartment Managers

Because Provincetown is the largest gay resort area in the U.S., it's safe to say your hosts are likely to be gay or lesbian. In most cases they have invested their life savings in your inn to make it a personal showpiece and competitive in a community where quality is an important criterion. The Fair is post-seasonal for Provincetown, and in general, the innkeepers have had it with the in-season chaos. But your hosts have come to know us and enjoy us, and they look forward to Fantasia Fair.

Your Housemother

One of your FanFair kin will be a volunteer for your inn, serving as liaison between you and the innkeeper, and with Fair staff. If you have questions or problems the houseparent (usually a housemother) is the the one to ask. In addition, your housemother will have at least two late evening house parties— pajama parties, if you wish— so you can let down your hair and really get to know your housemates— plus any visitors from other inns who might drop by. The housemother will distribute the daily newsletter at your house. *The FanFair Gazette* will also be available at the *Crown & Anchor* and *Pilgrim House* around 5 PM each day. Newsletters keep up with last minute program and workshop changes for the next day, so be sure to rely on them.

Your Responsibilities as a Guest

Treat the inn as your home, because it is your host's home. Although many hosts will help you move in, they are not bellhops. Share in the effort. Most Inns have houseboys or maids. If there is a problem with your accommodations, tell your housemother, who will tell the innkeeper— or put you in touch with Fair personnel. We'll do all we can to correct any problem you may have.

Please use paper towels, tissues, or your own washcloths to remove makeup Cosmetics and beard cover are particularly difficult to wash out of towels.

Take the time to get to know the staff at your inn; they're great people. They know P-town, and they can help make your stay even more enjoyable. Remember to tip the house staff upon your departure. A tip in the range of \$3 to \$5 per day is considered appropriate.

The *FanFair Gazette* – Our Daily Newsletter

The Fair is a whirlwind of activity. The newsletter will keep you informed about schedule and time changes. Your time is precious, and you don't want to waste it by trekking to a deserted venue. Check the newsletter early and often!

We're always looking for reporters, interviewers, typists, pick-up and delivery persons, and other publication-savvy people. Submissions to the *Gazette* are always welcome. In order to get your message, news, or story in the *Gazette*, please drop by the office at the *Crown & Anchor* the day *before* printing. The drop-dead deadline is noon. Newsletters are distributed about 5 PM.

The Fantasia Fair office is located at the Crown & Anchor 247 Commercial Street, 508/487-1430 ext. 201

The following list is preliminary, to be used for pre-Fair planning only. You'll get a more up-todate version with your registration packet and updates will appear daily in the FanFair Gazette.

Bios of Presenters and Professionals for Fantasia Fair 2001

Mariette Pathy Allen, M.F.A. has been a photographer, writer, and speaker on behalf of the transgender community for more than 20 years. She is author of *Transformations: Crossdressers and Those Who Love Them* and frequent *Transgender Tapestry* magazine cover photographer and contributor. Her photographs make a significant contribution to Leslie Feinberg's *Transgender Warriors* and illustrate Rikki Anne Wilchin's *Read My Lips*. Her photographs have been exhibited widely in the USA and abroad and are in numerous permanent collections. She has worked on five documentary films, the most recent being "The Transgender Revolution" and "Southern Comfort," which won the Best Documentary award at the 2001 Sundance Film festival.

Holly Boswell founded Phoenix Transgender Support— the first open group in the Southeast— in 1980. Holly has been active ever since as a writer, educator and activist on regional and national levels. Ze is a founding member and co-creator of the Southern Comfort Conference. In addition, ze founded "Kindred Spirits," a transgender spiritual network, and has built a year-round guest house and retreat facility near the Great Smoky Mountains. Holly's work centers around the awakening of our spirit within nature and transcending the paradigms of gender to further human evolution for all beings.

Jeff Brody, LMHC, A.T.R. is an artist and art therapist living in Providence, RI. He enjoys giving workshops at transgender and professional conferences, and has published on gender-related subjects. He is especially interested in the ways people use imagery to express self-concepts of sex, gender and sexual orientation. He is facilitator of Compass, the Boston-area FTM support/social group.

Arthur Brantz, M.D. is a member of the Transgender Education Association of Washington D.C. He is involved both personally and through his wife's brother, Miqqi Alicia Gilbert. He has practiced obstetrics, gynecology and gynecologic endocrinology for 20 years and is board-certified by the American college of OB/GYN. He is past associate clinical professor of OB/GYN for George Washington University and Fellow of the American College of OB/GYN. His private practice now is more inclusive to provide

global general care and to also provide his transgender patients a comfortable and accepting environment in which to obtain health care. This includes hormonal therapy tailored to the individual.

Tom J. Caron has more than fifteen years experience as a makeup artist and motivational speaker. He brings state-of-the-art cosmetic products, the latest makeup techniques and personal service!

Sandra S. Cole, Ph.D. is a sexologist. She is nationally AASECT-certified as a sex educator and sex counsellor, and for thirty years has been faculty in university academic medicine. For the past 20 years she has been friend and colleague with the transgender community, working with transgendered individuals and their partners on topics of sexual health, intimacy, and relationships. She is the founder, recently retired, from the University of Michigan Health System Comprehensive Gender Services Program. Sandra remains full professor at the UM Medical Center and continues her work with the transgender community. She is on the board of Gender Education & Advocacy.

Lawrence Crisara is in transition from FTM. "I have known since I was about four that I was a boy. Growing up in the 30's and 40's, it was not as easy as it is today to be trans. I was born in Chicago and moved to Detroit in the 50's. I lived and worked there for 40 years, and finally retired in 1989 and moved to Cape Cod in 1995. I now live in Truro, just below Provincetown. I feel whole now, since I have been pursuing my transition."

Kate Davis produced and directed the award winning film Southern Comfort. A native of the Cape, Kate is delighted to be bringing her film to Fantasia Fair. In 1998, Kate Davis met Robert Eads at a female-to-male conference in Maryland. "Over coffee, I was fascinated by Robert, who spoke about his ovarian cancer, how he was denied treatment, and how he had felt like a traitor to his body while giving birth to two sons," says Davis. The following week, they spoke again and Eads agreed to go public for the first time with his story. He knew that when this film was completed he would be deceased, and therefore "safe." The making of this feature-length documentary was a risky proposition for Davis. She had no time to raise money for the production, as Eads was quickly dying. She bought a DV camera and often operated as a one-person crew during the filming. Davis' determination and passion to tell a true and honest story is apparent throughout the film.

Dallas Denny, M.A. is founder and was for ten years Executive Director of the American Educational Gender Information Service, Inc. (AEGIS), a national clearinghouse on transsexual and transgender issues. She is currently on the board of Gender Education & Advocacy, Inc., which lives at *www.gender.org.* She is Director of Fantasia Fair 2001 and editor of *Transgender Tapestry* magazine and was editor and publisher of the late journal *Chrysalis: The Journal of Transgressive Gender Identities.* Dallas is a prolific writer with hundreds of articles and three books to her credit. She recently decided to retire her license to practice psychology in Tennessee, since she seems to have found a permanent home in Pine Lake, Georgia, pop. 650, the world's smallest municipality with a transgender nondiscrimination ordinance.

Diane Ellaborn, **LICSW** is a psychotherapist with 20 years involvement with the gender community. Her practice, located in Framingham, MA, specializes in working with transgendered individuals and their partners, children, and families in individual, couple, and group therapy. She is also a divorce mediator.

From 1998, she has worked on the web site of the International Foundation for Gender Education (*www.ifge.org*), producing pages of transgender news and notices.
