Biographical Note

Scope Note

This collection contains photographs, negatives, and VHS recordings pertaining to Tampa GLBT culture and community and reflects the growing national visibility of gay and lesbian lives throughout the 1990s and early 2000s more generally. This collection is comprised of photographs of the GLBT community taken by Rex Maniscalco from the 1980s to 2000s. Captured in the images within this collection are Tampa Bay's early Pride picnics to full scale Pride Festivals in downtown Tampa and Ybor City, the Tampa Gay and Lesbian Film Festival, the Tampa AIDSwalk, other major gay events such as Southern Decadence in New Orleans, LA and Beach Fest in Daytona, protests and rallies, and many other social gatherings and political events. This collection also contains video recordings of major political events and organizations in Tampa including County Commission and City Council vote to include sexual orientation in the city's human rights ordinance in 1991, the 1993 March on Washington, organizational meetings of the Human Rights Task Force. Maniscalco's collection also includes video recordings of local and national talk shows and television shows.

Arrangement Note: Series by format and subseries by subject (events, social life and customs, organizations). This collection is organized into three series with subsequent and corresponding subseries. Contained within this collection were film negatives not accompanied by developed images. These negatives remain unprocessed. Negatives that were included in envelopes alongside developed images were processed in tandem with photographs and housed in two Hollinger boxes as a series. Within Series: Negatives, folders correspond with the images processed into subseries within photo boxes, more specifically, events, social life and customs, organizations. Additionally, Rex's personal photographs, which include travel, family, and other miscellaneous events such as the Renaissance Festival, the filming of a Burt Reynolds movie in Tampa, and Yankee training, remain unprocessed but available in photo albums.
