Dear Ariadne,

I want to write to you to thank you for your appearances on the four Group W daytime television talk programs. I got very good feedback from the producers about the shows. Your serious discussion of a topic that is not easily handled on daytime TV is appreciated.

As always, I think that the way you presented the topic helped a lot of people understand a lifestyle that they may not even have been aware existed.

I hope you had a pleasant holiday and that you will continue to touch base with me from time to time on the happenings at the Institute.

Sincerely,
