Dr. VALENTINE as the old woman
of 80.

Dr. VALENTINE in PROPRIA PER-
SONE.

Dr. VALENTINE as Miss Tabitha Tip-
tongue, the inquisitive Old Maid.

Dr. VALENTINE, begs leave to remind the public that there are three muscles to draw the mouth up, and only one to draw it down, which signifies that we are to laugh three times as much as we cry. In order to decide on matters and things properly, it is necessary that the internal organs should be maintained in a healthy state of action, and this can only be preserved by occasional relaxation from business. Some resort to medicine, to restore this healthy tone of mind, but Dr. Valentine does not hesitate to say, that **A HEARTY LAUGH** is the most effective remedy prescribed by nature, and may be relied on as a complete antidote to the **HORRORS, BLUE DEVILS**, and a thousand other evils that flesh is heir to.

Dr. VALENTINE proposes to administer this remedy on **Tuesday 10, Wednesday 11, and Thursday 12th February**, at **TEMPERANCE HALL**. Tickets, admitting a Lady and Gentleman, 50 cents. [TURN OVER.
