## *Transgender Materials in Transgender Hands!*

### *Announcing the Formation of the Transgender Historical Society*

The Transgender Historical Society is now forming. Dedicated to the rediscovery, documentation, and preservation of the history of those with transgender issues (transsexual people, transgenderists, cross-dressers), and **above all, to keeping our history in our own hands**, the society will publish *Shhhhh!*, a bi-annual newsletter, hold an annual business meeting during the Southern Comfort Conference (in Atlanta, GA, 27 September - 1 October, 1995), and maintain a fund for purchase of materials for the National Transgender Library & Archive, which is currently maintained at AEGIS headquarters in Atlanta.

Membership in the Transgender Historical Society is \$20/year for AEGIS members, and \$30/year for non-members. Proceeds will be used solely to maintain and preserve the National Transgender Library & Archive and purchase new materials. We estimate that we will be able to average at least one book purchased per member per year.

Please help us to preserve our history!
