Dear Paul -

Thanks so much for referring ~~the~~ female-to-males to me (four, so far)... (it really ^{is a compliment} ~~makes me feel good~~ to think you'd ^{pointed in my way} ~~recommended me~~.)
Ginny from ETVC ^{said} ~~told me~~ you were looking for a place to send ~~the~~ F→M's and ~~it seems~~ I'm the only one determined enough to get ~~these things together~~

Enclosed is ~~the announcement~~ ^{an invitation} for our third Get-Together. It would be GREAT to see you there, if only for the slide show. Pass the word on to any F→M's you know.

Thanks, too, for putting me in touch with Eli Coleman. It was ^{A PERSONAL TRIUMPH} ~~really wonderful~~ to interview with ~~Colman~~ him and the "cute guy named Walter" (he is, too!). I've referred ^{all the} many gay and bi F→M's to him I know. I've ~~also~~ contacted ~~Dr. Pauly~~ ^{Dr. Pauly} & ~~plan~~ ^{will meet to} to ~~meet~~ educate ~~him~~ ^{him} as well (he tells me he's never seen ~~anyone~~ a gay F→M). I want to leave my mark before I check out...

...which doesn't seem to be in the near future. I've been feeling fine - tired, but surely not sick. While I'm on the subject, Paul, have heard ~~some~~ ^{persistent} upsetting rumors about your health (Millie Brown's talking) ~~and~~ it's made me ^{very good} ~~pretty unhappy~~.
Hope it's not true...

Much love,
Lou S
