February 20, 1983

Dear Louis,

Thank you so much for your poetry for my forthcoming book. I only have about 33 submissions so far but I hope to accumulate more within the next year and a half - hopefully!

I had a birthday party on Feb. 12th (I was 31 on the 10th) and 10 guests (F - or couples) showed up. It was a lot of beer - food, liquor, cake, cards, conversation, music + presents. When is your birthday.

I would like to have a photograph of you - if possible.

I got a letter from Jude + also from John + Jerry + Scott - all from California. Do you know them?

I was on TV on Feb. 7th Hamilton, Ontario - a talk-show with a phone-in session.

-2-

I am hosting (in Telephones Medical
Research Foundation) a St. Pat's Party
in Toronto on March 19th - 56 guests are
invited (for me and their guests). I
hope it will be a good turn out as I plan
to host 3 more this year if it's success.

One fellow (Mike) is coming up from
Michigan for it and will probably stay
overnight at my place.

Did you see the movies: "Footsie", "Garp",
"Meet You at the Five + Dime Jimmy Dean",
"Glen/Gloria" ~~and~~ "E.T." + "Gherdhi"?
I really liked the last two but haven't
yet had a chance to see the others.

Do you ever hear from Emerson or from
your gay friend Gene? If I rec'd you a
letter, could you please forward it to him?
I plan to hopefully come down to California this
summer for 2-3 weeks. Do you think I might stay
with you for awhile? Please advise. Robert

Postscript

I am still awaiting the governmental approval of the incorporation of the Foundation - it takes so fucking long!

The February and the April issues of the newsletters will probably come out together sometime in April due to the long delay.

I hope that you will lend us your support by joining as a member in good standing. I am sending out an extra bonus

Journal of a Transsexual (F-M-F-bible)

to those new members who also ~~admit~~ and return a confidential research question

naire. I plan to participate in a marathon (walk) like Terry Fox's in order to raise money to fund research in the design, engineering and construction of a penile prosthesis for females-to-males.

What is your personal opinion

-4-

of Georgia Sanders, of GGA?

I wrote to Bill & Kyle of The Solus Info Center three times but, so far, have received no reply whatsoever - and the same experience with Maria Martin. What's the matter with these guys? Don't they know the meaning of common courtesy? I answer every single letter I ever get (even if it's not f-m, ie. M-F, TV, etc.) although not always as promptly as I would wish to.

What is your telephone number in case I would ever want to give you a call?

Anything new down there - besides Joanne Clark + Anne Marie Martin + "The Front Row Video Show" + Jeni Susa in The National Enquirer?

Sorry for the illegible scrawl but long-hand isn't one of my fortes. Love & Peace,
Rupert
