

& I am also a F → M +
Editor of GGG/G's
publication The Gateway.

Dear Bill -

Thanks for sending a copy of We Are to GGG/G. It is ^{important} ~~good~~ that we ~~all~~ have contact ~~with each other~~ - as your issue said well, we need each other! ~~☺~~

I was glad to see ^{equal} attention to the F → M as ~~it seems~~ the vast majority of TS material is always M → F oriented. &

I surmised from your publication that We Are is somehow connected with Stanford's Gender Identity Program. Just this past March, ~~I was rejected~~ my application to the program was rejected, despite my having cross-dressed & passed for over 6 years, and ~~despite the fact that I~~ have ~~had~~ unanimous support ^{from TS plans} from family, friends and ~~my~~ place of employment. Fortunately I have found doctors who ^{are treating me} ~~are accepted~~ me as a private patient, and so have been on hormones since November & am scheduled for chest surgery in July. I can only guess that I was rejected by Stanford because of my sexual ~~orientation~~ preference (I am a gay man).

I have only met one other F → M TS (Steve Dain) & am eager to meet others. If you know of any F → M in the SF area, I'd appreciate your passing my address, etc. on to them. ~~tho~~ I correspond w/ several throughout the ^{country}.
