NOT FOR
PUBLICATION

Dear Lou,

I hope so much for your best and every letter.
I need to take care of me now so my ARC doesn't
progress too fast. I plan lots of carrying things!!
I will re-officially continue with that evaluation
for awhile. But officially I am as desirable.
I look for the offer but actually I'd rather not be
on the newsletter mailing list. I must put my
professional social life behind me now, and relax.

I know you understand.

See ya around the streets!!

Love
Paul
