The Outreach Institute of Gender Studies

Statement of Purpose

It is the purpose of OIGS to educate and conduct research in all aspects related to the phenomenon of gender, as it interfaces with human sexuality. As a social construct, gender phenomena includes a unique and a variable set of attributes that communicate and identify to all, who a person is, what a person does and how a person acts. It is the basis by which societies and cultures structure themselves. To achieve these goals this Institute will:

- Provide programs which broaden understanding about diversity of the gender experience, expression, and perception in daily life.
- Create and implement research projects and studies designed to further the understanding about gender as a social phenomenon.
- Publish relevant and useful information, research results, new ideas and paradigms relative to gender.
- Serve as a resource for all persons wanting information about topics related to gender and gender studies.
- Develop graduate programs in gender studies.
- Make available information and other written materials on various topics related to gender.
- Clarify the relationship between gender and sexual orientations and the lifestyles of people in society.
- Create and sponsor programs which encourage personal growth and explore the diversity of conscious gender communities.
- Promote the idea that cultural gender diversity is a positive human expression, and conscious gender communities exist in all societies

Welcome to Fantasia Fair

Sponsored by The Outreach Institute of Gender Studies

Our statement on the cover refers to the three main functions of Fantasia Fair. A cherished destination: an offering of enjoyment, sisterhood and friendship that, in quality and quantity, is available nowhere else. A safe harbor: an opportunity to explore personal issues about our own identity without fear of judgment or rejection. A point of embarkation: a place to begin the rest of our lives.

The Board of Directors of the Outreach Institute of Gender Studies welcomes you to Fantasia Fair!

In the town there are many fine shops, restaurants and galleries, all of which will be glad to see and serve you. And around us there are 30 miles of National Seashore with great beaches and glorious dunes. Walking and biking trails make these easily accessible.

You will find Provincetown a friendly place where you will be welcome and comfortable. If the Chamber of Commerce can assist you in any way, please feel free to call on us.

A MESSAGE FROM ARIADNE KANE

THIS YEAR MARKS THE 24TH ANNIVERSARY OF FANTASIA FAIR. *For 23 years, this interwoven complex of educational, practical and social activities and programs, has served the needs of the "T" Community. It has served as the basic model for all of the major Transgender events in the US and Europe. First-timers coming to the Fair will be awed by the program diversity. Veteran Fair participants will be excited by some new program offerings and directions.*

Over the past few years, many changes, in both attitudes and expressions, have occurred for females and males in our society. Our philosophy has been and continues to offer a balanced program of activities that encourages personal growth in your gender role choice, as well as a broader understanding of the diversity and splendor of gender. The planning team of Fantasia Fair 98 has worked diligently to make it a major event in your life.

Location and an open tolerant environment are major ingredients in the enhancement of your experience at the Fair. Provincetown, our host on Cape Cod, gives us a unique combination of a natural surrounding with the artistic, innovative energies of its diverse residents and lifestyles. It is an optimal space in which one can explore important gender issues. Townspeople are cordial and friendly to us. The innkeepers make sure that your stay at their facilities is comfortable and enjoyable. Take a moment and share with the local folk something about yourself, your interests and perhaps some of your feelings and thoughts about your gender journey.

As a founder and director of The Outreach Institute of Gender Studies (OIGS), I have learned much about the nature and extent of crossgender behaviors and attendant lifestyles, over the past 24 years. One of the more significant aspects of my experience, at the Fantasia Fairs, has been to see important changes in attitudes about gender perceptions and roles. The crossgender movement has been instrumental in its impact on gender education and enlightenment about gender diversity.

On behalf of the entire board of the Outreach Institute of Gender Studies, let me extend, to each of you, a heartfelt welcome and wish you a most enjoyable personal experience at Fantasia Fair.

Warmly,

*ARIADNE KANE
Executive Director*

The Fair Experience

Fantasia Fair is unique because of the many venues it offers for the exceptional variety of programs and activities. For the sake of a better understanding of this experience, it can be divided into several distinct components.

The Fantasia Fair Program

For many attendees, the most important part of Fantasia Fair is the professional program seminars and workshops. There are at least a half dozen each day with several running in parallel. These occur during the prime of the day, with the first sessions starting at about 9:45 am some running for only an hour, others for two hours, and a similar set of programs in the afternoon beginning at 2:15 PM. There are also two or three lunches programs each day (except the first day) with an after lunch presentation by one of the key professionals or guest speakers. The details of the daytime program are presented in the separately published, Fantasia Fair Program Bulletin.

For others, it is the night life that brings them to Fantasia Fair. There is a special program scheduled for each evening, including the renown Fantasia Fair Follies and the Fashion Show. These evening activities are presented later in this section. Dinners are included with several of the evening activities, including the first Sunday evening reception, the Monday church supper, the Wednesday evening and Saturday evening banquets. Snacks and light buffet are served at the other evening events (Tuesday, Thursday and Friday) but you may want to dine out in some of Provincetown's fabulous restaurants on these evenings.

Thirdly, you need to make time to get to know Provincetown and Cape Cod. This is indeed a wondrous part of the world. There are fabulous shops, special museums and art galleries and many special restaurants where we are all welcome. Make time to enjoy this special place for us.

Finally, and perhaps the most critical portion of Fantasia Fair, are the wonderful times spent in the late evening or morning with your house mates and new found friends from Provincetown. Each inn will hold several "house parties" and many of the attendees will burn the late night oil discussing the burning issues of the TG life styles and life's challenges.

Enjoy, and do all you can and be all you can; but try to keep your experience at Fantasia Fair, balanced. Make time for self improvement, recreation and relaxation. Remember Moderation in all things...including moderation!

Professional Programs

Fantasia Fair is proud to bring you some of the community's premiere gender specialists. Besides helping you to explore a myriad of issues faced by transgendered persons, there are also special programs on communicating with others, positive changes through hypnosis and understanding Transgenderism in other cultures. Voice lessons will be approached from a new perspective and couples issues and conflicts will be examined. Wherever you are on the gender continuum, Fantasia Fair's professional program will be of interest to you!

Planning *for a* Magical Week

"Being well dressed is not a question of having expensive clothes or the 'right' clothes- I don't care if you're wearing rags-but they must suit you."

—Louise Nevelson

We'd like to share some tips with you about packing and preparing for Fantasia Fair. For many newcomers, this is the first time you have dressed completely as a woman for an extended period of time. As a result, a little more planning may be in order. We hope this advice makes your trip a little easier and a lot more enjoyable. The most important tip of all?

Be yourself and have fun!

Wardrobe Planning

What to wear, what to wear? It's an eternal question which becomes even more challenging when packing for the fickle weather of Cape Cod in October. Be sure to stick in a raincoat and umbrella and some flats for the rough pavement. However, there are some basic guidelines that can help as you assemble your week's attire.

How Are You Traveling?

If you're arriving by personal vehicle, you can obviously bring as much as you can stuff into your car, van or eighteen-wheeler. However, if you're coming in via airplane or carpooling, you may need to conserve space and make some critical decisions.

Color Theme Approach

Coordinate your basic dress/skirt/blouse/slacks/sweater wardrobe around one or two basic color ranges (earth tones, jewel tones, pastels, etc.), colors that make you look terrific! Then, you can mix and match those items for day and evening wear as you wish, using layering to adjust to whatever temperature Provincetown gives us. Most of all, bring clothes you love to wear, because this is your week!

Bring Something Dressy

You should have two cocktail dresses (or plan to accessorize one differently), as well as one formal gown for the Awards Banquet. Remember to bring all the jewelry, shoes and accessories those outfits require.

Bring Something Casual

Not grungy... but relaxed and comfortable. You may decide to go whale watching or hiking on the dunes, and you wouldn't want to do those things in an organza sheath and stiletto pumps (or would you?). In any case, jeans, flats or sneakers, a sweatshirt and a warm jacket will prove invaluable.

Bring Something Frivolous

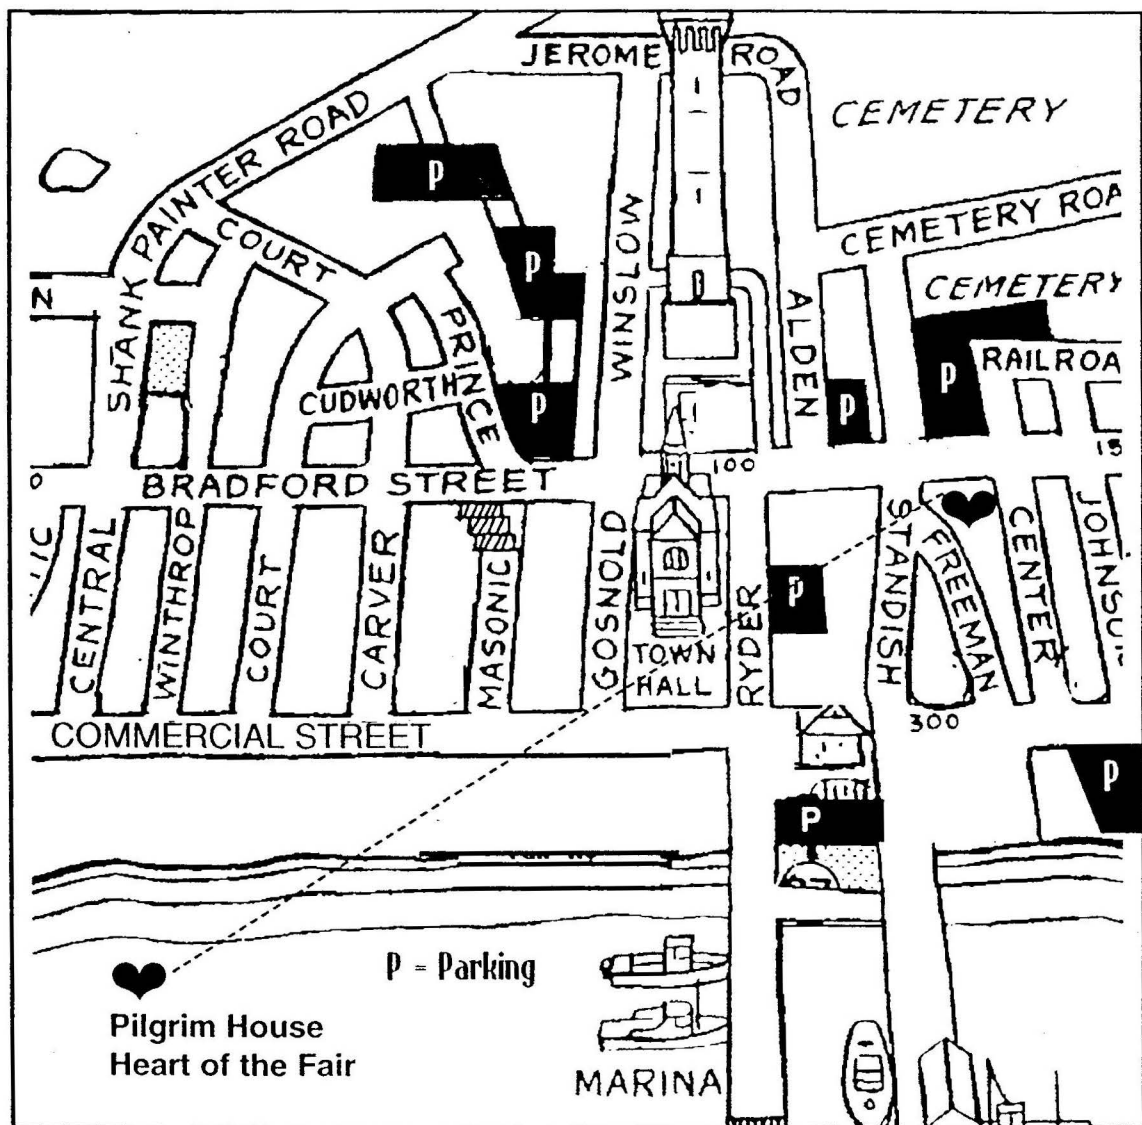

If you plan to take part in the FanFair Follies and/or the Fantasy Ball (costume party anything goes), don't forget to bring everything you'll need. There are marvelous clothing stores in P'town, but not much in the way of stage or costume apparel. . . unless you want to dress up as a Portuguese fisherman!

Odds & Ends

Remember to pack all those little things: cosmetics and beauty products, jewelry and scarves, pantyhose and socks, shoes for all occasions (four to six pairs should do it), underwear and foundation garments, gloves and umbrella, etc. And you'll want a couple nice nightgowns, robe and slippers for your inn's pajama parties.

Happy Packing!

Contacting the Registration Office

Until October 14th the contact number remains [REDACTED]. No collect calls please. Ask for Alison or leave a message on the recorder. After October 14th, but before Oct.18, call 508-487-3232 (8 AM to 8 PM) and ask for Alison or Dottie. If there is no answer, or they are unavailable, leave a specific message on the recorder, or with the hotel operator, mention Fantasia Fair. After Oct.17 you may reach the Fan Fair Headquarters at 508-487-6424 (8 AM to Midnight). We are sorry but we cannot return long distance calls unless you indicate that we can reverse the charges and to whom. The Inns all have a number for receiving messages for guests, and they will try to reach you by leaving a message at the front desk or by posting a note on your door. Most of the Apartments have their own phones.

Initial Check-In

If you have paid all your registration fees by the Sept. 5 deadline, you should receive the following: reservation confirmation; optional program selection sheet, volunteer sheet, arrival card; and Follies and Fashion Show participation cards which all should be filled out and returned ASAP. On arriving Sunday, Oct. 18, you may go directly to your Inn, get comfortable, leave your car there (parking is always at a premium) and walk to the Pilgrim House, 336 Commercial St. (hard to find as it is tucked back up a long walk way). Registration starts at 3 PM. Let the Registration Staff know that you have arrived, pick up your packet, then start mingling with the other attendees and have fun. If you have not paid in full before your arrival, you must go directly to The Pilgrim House to pay the balance before checking in to your Inn.

Sunday, after 7 PM, you will find the Staff at the Welcoming Buffet Reception at the Pilgrim House and they may be able to help you with a partial check-in. If you arrive very late Sunday night, you may go to your designated Inn and, if your payments are in order, the inn keeper should be able to accommodate you. If you think you will not be able to arrive on the day you designated, please call your Inn and Headquarters and give an estimated time of arrival.

The Fair Business Office

Fair Headquarters, located on the 2nd floor of the Pilgrim House, will be open from 9 AM-12 noon and 2-5 PM Mon. through Sat. The volunteer staff will be delighted to answer any questions, sign you up for paid programs and help as needed. During the Fair the phone number will be 508-487-6424.

Policies

Payments, Cash, Credit and Check Cashing

Final payments for the Fair are due September 5, 1998. Any outstanding balance on your registration fee should be mailed in time to be received no later than Sept. 5, to: Registrar, PO Box 473, Portsmouth, RI 02871-0473. If, for some extreme reason, you cannot meet this deadline, you must make arrangements, in writing, with Alison to pay at the Fair with cash, traveler's checks, Mastercard or Visa (Note: a 5% donation is requested to cover the additional service fee for credit card payments. No personal checks can be accepted at the Fair). If you still have a balance due on seminars you have chosen, it may be paid for at Registration.

It is extremely difficult to cash personal checks anywhere in Provincetown (including the banks). ATM withdrawals and cash advances on credit cards can be made at most banks.

Registrant Participation & Guests

Any persons may attend any of the public events of Fantasia Fair for the stated admission price. These events include the Diversity Dinner, The FanFair Fashion Show, the Follies and the Fantasy Ball. All other events, luncheon seminars, workshops, receptions, and banquets are open only to registered participants of Fantasia Fair. This policy is designed to preserve the quality of the programs, recognize the support of the registered participants and insure that there is adequate seating space for Fair attendees. Previous Fair attendees will be accepted at these events on a space available basis.

ID Cards

FanFair ID cards will be issued at registration. This card serves as your admission to shows, events, parties, banquets, etc. Please be sure to have it with you at all times. You may be denied admission without the card.

Arrival Card

An Arrival card will be in your packet. Write your arrival date, estimated time of arrival, and mode of transportation to Provincetown on the card. Please return it as soon as possible, along with your Follies and Fashion show participation cards, volunteer, luncheon and seminar choice sheets. Returning these items helps the staff know what to expect and save you a lot of time at registration. If you are flying Cape Air, please indicate arrival time in Provincetown so that we can try to meet you at the airport. If a volunteer is not there on your arrival, you will have to take a cab.

Medical Forms

When registering at the Fair, you will be asked to fill out a simple medical form which you will seal in an envelope and return to the registration staff. It will be put in your file and opened only in case of a medical emergency where we would need to know how to contact your doctor or other designated person. The envelope will be destroyed, unopened after the Fair. You may request your envelope back when you depart on the last day of the Fair.

Fanfair Photo Policy

Everyone is aware that the photographic and video industries earn a fortune from our fantasies. But, is that photo of you, YOU? We don't know. We do know that, with literally million of males in the U.S. and within the statistical population profile of the group attending the Fair, it is unlikely that someone seeing that picture will be able to say "By golly, that looks like good old George" (unless George points it out to them). The Ladies whose pictures you see in the various FanFair publications, all share the same concerns for privacy; they live in the real world as successful men and women. Thus, in order to protect FanFair participants, please adhere to the photo policies of the Fair.

* Participants may photograph FanFair activities for their own purposes, provided that the persons being photographed have given their consent. This is especially true for partners/spouses who are more easily identifiable.

* Sound video & movie cameras are prohibited, with the exception of video cameras operated by FanFair staff who will be identifiable.

* No person, other than a participant, employee, or agent of the Fair Administration may carry a camera or photograph activities or make sound recordings without the expressed permission of the Fair Director.

* Media must obtain expressed written permission from the Fair Director to attend any function. In addition, media must obtain written releases from any participant photographed or interviewed. This also applies to any participant who is acting as an agent or reporter for any media or proprietary publications. The Fair Director must give permission to send any photos to publications.

* The Fantasia Fair Administration reserves the right to prohibit anyone from carrying a camera or making sound recordings of Fantasia Fair activities, but wishes to advise participants that it has no authority to control activity in public areas outside of the Fair, such as on the streets of Provincetown.

Photo & Video Release Forms

Participants will be asked to sign a Photo Video Release Form so that video recordings and photos taken by our staff may be used to present the Fair to Professional and Academic groups, Cross dressing clubs, and offered to participants who may want a nice permanent memory of the Fair. Those desiring not to be photographed will be provided with a bright badge indicating "No Photographs Please!" Persons choosing to do this will be excluded from participating in public performances such as the Follies and Fashion Show.

Fantasia Fair Resources & The Town

The Fan Fair Gazette

Knowing what's going on during Fantasia Fair is absolutely essential! There may be changes and additions to the programs; when and where they will be happening; special on-the-spur of the moment activities; and hot gossip!

Brenda Viola, the newsletter editor, will be assisted by the past editor, Kerri Reeder, Donna Batcheller, and other volunteers in producing this timely publication on a daily basis. They may well be looking for a reporter or two. House Mothers, or their assistants, are responsible for the pick up and distribution of this hot news.

You are invited to submit short writeups on your experiences, interesting observations and titillating tidbits by dropping them off at the FF office or giving them to one of the Gazette staff members. This is also the place for special advertisements, for sharing a ride or selling a wig.

The Elite Repeat Boutique

The Fair will sponsor the Elite Repeat Bouquet featuring quality used clothing and jewelry. This will be made from items donated to Fantasia Fair as a Fund Raising activity for the OIGS. Please consider donating that lovely gown that no longer fits (or never did!) and help a sister and the OIGS at the same time.

Book Store

The Fair is inviting the IFGE to bring it's Traveling Book Store on Friday and Saturday. Books and videos of interest to TG persons, their spouses, and professionals., will be available for examination and purchase.

Shopping Heaven

Shops with unique jewelry, superb leather, cosmetics, art and antiques abound in Provincetown. Literally dozens of shops line commercial street for the better part of a mile. Come prepared to do your holiday gift shopping for your friends and family (and yourself!).

Dining Delights

Fine dining, with an emphasis on seafood, is available for every pocket book. There are several evenings when you may want to treat your palate to the local fare. Ask veteran Fair goers about their favorite spots.

A Word to the Wise

Please leave your macho hangups and attitudes at home. Get to know your sisters and brothers... (Oh yes, we will have FtMs at Fantasia Fair '98!) Realize the bonding process is different for men and women. Men want to know how tough the other fellow is, while women want to know how sensitive the other woman is. Women do not hide their emotions (as much) as men do. They share their troubles and concerns.

One of the big problems most of us face is being defined by others. Often, when we meet, we exchange credentials. In casual encounters, women are far more apt to greet each other with a small compliment than a business card. Pay that little compliment. Say or do something nice for the other person. As Betty Ann Lynn, recently deceased past Fantasia Fair leader used to say, "Its the many little kindnesses that make a lady."

Remember we come from all walks of life. Some of us have very real needs for privacy and guard it jealously. Please respect this privacy. Especially First Timers.

We do not need credentials here or checkable references. Realize that not every one is "out" nor is every one going full time. DO not try to convince others that your path is their path. Each of us needs to find our own gender path and choose our own destination. There is no "one way!"

What if....

It rarely happens in these days...but... What if some immature, insecure person confronts you or teases you in an attempt to provoke a reaction? Do not be alarmed and do not lose your temper. Keep calm, ignore them, and go about your own business. Do not verbally or physically strike back at a heckler. Call for help...Notify the police - 911 - immediately. They will help you. Provide a description. Even heckling is a HATE CRIME in Provincetown.

If a tourist points, laughs or stares at you or the group you are with... just smile back at them! You have as much right as they do, so do not let their insecurity steal even a second of your joy of being in Provincetown.

Getting to know your new "hometown."

For many of us who have been to the Fair before, Provincetown has become a special kind of "hometown," a place where we first remember being totally accepted as who we are. So we'd like you to know a little bit about your new hometown.

Provincetown, located inside the sheltering curl of Cape Cod, was the first landing of the Pilgrims on November 21, 1620. Shortly after landing, the Pilgrims gathered on the Mayflower and drew up the Mayflower Contract, which is considered to be a root document of our Constitution.

Growing to become a major fishing seaport by the mid 1800's Provincetown boasted over 50 wharfs jutting out into the bay. The white wood frame New England sea coast homes, built for the captains and crews of those tall ships, established the flavor of the town you will live in for a week.

Provincetown was discovered by imaginative explorers and has been inhabited from the beginning by people clearly focused on living as they wished. The town also has a storied heritage involving the visual, theatrical and written arts. Perhaps it is this history that has made Provincetown both a symbol and an embodiment of the respect for individual human rights. Its large gay population is active in all aspects of the municipality, and lives side-by-side with others in friendship and cooperation.

Over the years many of our friends from Provincetown have worked hard to make the Fair possible. Fantasia Fair has found a home in Provincetown, and we want you to share it with us and the remarkable, caring people of this wonderful place.

Your Automobile & Provincetown

Provincetown and the Commonwealth have no regulations concerning the manner of dress while operating a motor vehicle. If you choose to drive, carry legal identification, a valid driver's license, and obey all traffic laws. If you are stopped for an infraction, remain calm and show the officer your legal identification. This is not the time to pull out the \$5 fake ID. Treat the officer as a lady or gentleman and you will be treated as such. We do not have legal jurisdiction to enforce any parking privileges. The short term parking near the Hospitality Center is available only during Registration. Your lodging site should provide you with a parking space. There are five Public parking areas.

The one on Commercial Street (by the wharf) is lighted and patrolled by the police

PLEASE OBSERVE ALL TOWN REGULATIONS CONCERNING STREET/CURB PARKING.

The Fair is not responsible for any tickets received in violation
of city ordinance.

Your Hosts, the Innkeepers and Apartment Managers

Because Provincetown is the largest gay resort area in the U.S., it's safe to say that your hosts are likely to be gay. In most cases, they have invested their life savings in your inn to make it a personal showpiece and competitive in a community where quality is an important criterion. The Fair is post-seasonal for Provincetown and, in general, the innkeepers have "had it" with the in-season chaos. But your hosts have come to know us and enjoy us, and they look forward to our annual "migration."

Your House Hostess

One of your FanFair sisters will be a volunteer for your inn, serving as a liaison between you and the innkeeper, as well as the Fair staff. If you have questions or problems, she's the one to ask first. In addition, your housemother will have at least two late evening house parties—pajama parties, if you wish—so that you can let down your hair and really get to know your housemates... plus any visitors from other inns who might drop by. She will also distribute a daily newsletter, The FanFair Gazette.

Your Responsibilities as a Guest

- Treat the inn as your home, because it is your host's home. Although many hosts will help you move in, they are not bellhops. Share in the effort. Most Inns have houseboys.
- If there is a problem with your accommodations, tell your house hostess who will tell the innkeeper. Or she will put you in touch with the right Fair personnel, if necessary. We'll do all we can within our power to correct any situation.
- Please use paper towels, tissues or the washcloth we supply to remove makeup. Cosmetics and beard cover are particularly difficult to wash out of towels.
- Take the time to get to know the staff at your inn; they're great people, they know P'town, and they can help make your stay even more enjoyable.
- Remember to tip the house staff on your departure. A tip in the range of \$2.50 to \$3.50 per day is considered appropriate.

Brief History of Fantasia Fair

Fantasia Fair was conceived and created in 1974 by members of a social contact club called Cherrystones of Boston. "There is a tremendous need for crossdressers and transsexuals to learn about themselves in an open, socially tolerant environment," said Betsey Shaw, one of the founders. "We want to have a program that can help us grow in practical, social and educational ways," said Linda Franklin, another founder. So, over that year, discussions centered on where to have such a program, what would be included in it, and how it would be marketed to CDs, TVs and TSs throughout the United States.

Fantasia Fair 1 (1974) was held in Provincetown, Mass., because the town had a reputation for being tolerant of all visitors, regardless of their sex, gender orientation or roles. There were about 40 participants, including one couple who came from California. The Fair got lots of support and help from cosmetic consultants who came from the Boston area, from two female impersonators who lived in Provincetown, and two doctors from the Cape area. Together with much support from local innkeepers, eateries and the newspaper, Fantasia Fair I became an "event to remember."

From this humble beginning, the next 24 Fairs evolved, each program building on the previous one, expanded or modified to incorporate the many facets of the complex social behaviors of the crossgender community. During this period, the Fair served as a model for other, similar events to evolve in other parts of the country. The "Be All. . ." weekend is an example of a direct descendant of the Fair.

The Fair is basically a holiday experience for the crossdresser/crossgender community. It is a mix of practical, social and educational opportunities designed to help in the personal growth and heightened awareness of one's "femme" persona. Included in this smorgasbord of activities are the beauty program seminars and workshops, cocktail parties, awards banquets, a fashion show, and our own special talent show.

The financing of the first Fair came from personal loans of some Cherrystone members. This, plus the fees charged for participation, provided the basis for market-

ing and developing the programs. It continues to serve as the means by which Fantasia Fair happens. Over the years, we have relied on the generosity of Fair administrators, individual participants and professional health care-givers to financially support both this and other Outreach Institute programs. It is our firm belief that we need to provide broad based educational programs not just for our community, but also to the helping professionals who work with us. These include M.D.s, psychologists, social workers, lawyers, nurses, judges and the military.

The Outreach Institute of Gender Studies is committed to programs which broaden understanding of our community, offer resources to Health Care Professionals, further personal growth of individuals facing gender related issues and inform the public of the diversity of gender. The current organization is non-profit with all proceeds dedicated to supporting the above goals.

Over the past 24 years, the Institute has "pushed back the frontiers of ignorance and bigotry" by representing our gender concerns to important professional organizations such as the Society for the Scientific Study of Sexuality, Association for Humanistic Psychology, and the American Association of Sex Educators, Counselors and Therapists. Fantasia Fair and the Outreach Institute stand proud of their small, but important, achievements.

There's a place for us-

Fantasia Fair '98

Yes, there is a place for us and it's not...somewhere over the rainbow, but in a wondrous town nestled between the beeches and dunes on the shores of the Atlantic and the charming waters of Cape Cod Bay. It is a place where closets and labels are for clothes, and diversity is not just tolerated or accepted, but embraced and celebrated! Provincetown is a place where we are greeted with open arms and hearts, a place where we are encouraged to come as we are and dare to be who we want to be.

No hotel or resort can offer the venue as good as the whole town of Provincetown for an event like Fantasia Fair. With 23 years of successful events to build on, Fantasia Fair, held every October, is without a doubt the very best opportunity to make a quantum leap in our journey of personal growth and have the time of our lives as well.

There are dozens of programs, workshops and seminars; special events every evening. But the precious moments come from late night talks with a new friend, or, the revealing discussion at lunch with a nationally known gender specialist, or getting to know the clerk at a special shop. You may also find that a walk on the beach, or a visit to a gallery alone, may give you time to consolidate your emotions.

Like a festive buffet dinner, there will be so much to choose from, in this all too short week. Take care to balance your plate to meet all your different needs in education, relaxation, recreation and reflection.

Let me invite you and welcome you to warm your heart, soothe your soul, sharpen your mind and tickle your funny bone. Have the time of your life at this special place for us, Fantasia Fair 1998 in Provincetown, Cape Cod, Massachusetts! With caring love to you all-
