A Wedding Album

Once upon a time (oh no not another fairy tale) . . . Oh yes, and it all takes place in this village called Greenwich in the manic metropolis of Manhattan . . . Seems there was an Indian summer day on Saturday Oct. 22nd so the local natives said why not take advantage of it and they did . . . It was in the guise of a sidewalk mock wedding taking place in front of the sex shop called Underground . . . JoJo female proprietor became a moustached groom in a black satin and sequined tuxedo with top hat and dido . . . Down the block apiece was the bride getting it all together in yards of lace a missing belt and a sequined moustache . . . Oh yes his name is Peter Johnson the bartender at Keller's

. . . Phoenix's loss is our gain . . . Jerry in straw hat and striped blazer got good time off from Badlands to be the rabbi . . . THE Fernando gave away both bride and groom and was done up to the nth degree in leather . . . The maid of honor was the one and only Kollerina with wand . . . After the ceremony there was much throwing of rice, garter and bouquet . . . Then a stroll around the block to congest traffic and to hear a few quips such as Right On, Halloween already, they've got to be kidding, fabulous, see mom there's a whole parade of them etc., etc., etc. . . The entourage consisted of ushers, bridesmaids, etc. They were in outfits with make up that Fellini would be honored by . . .

The wedding party. May they live happily ever after.

few of the names to be dropped are Joe Negro (mother of the bride) from Peter Rabbit, Billy of Danny's, Mike of Strap also Ruby, Billy of Keller's, Don North of Underground, Ruby Rims of Anvil, Billy White and best man Robin of the Underground, Leo

Moore and Uncle Sophie of Sneakers, Chubby of One Potato . . . I may have missed a few but I'm sure they will understand . . . Bill Felix and his group played for sidewalk dancing and listening . . . Toasts of champagne were clinked at the Underground and

worthwhile project . . . Murph will come around and collect them in time for the kids Christmas party . . . There will be more news forthcoming on this event . . .

then the reception went on to Keller's Badlands, Sneakers and Peter Rabbit where they had a bridal buffet . . . Needless to say it was most festive and makes the Village gang what they are and that's a close knit family of adorable nuts and I loved it . . . Murph was the clown and was the reason what the fuss was all about because there were drawings at each bar winning different gifts that were

donated . . . It cost a dollar to put your name in the box . . . The proceeds went to the One To One Benefit for the retarded children to help make their Christmas a little happier . . . Over \$500.00 was raised . . . So you see this fairy tale had a happy ending . . . May yours be the same . . . Don't forget to put out your Christmas boxes in your bars to collect toys, clothes, games etc. for this
