Dear S.G.,

I was delighted to find your address in the latest TS-TS Tapestry and to learn about another female-to-male group.

I am enclosing the latest issue of our newsletter FTM, in which I mention F2M. I would very much like to receive your newsletter (as well as other female-to-male information you have available, such as your resource directory) and will in turn place you on our mailing list for future issues of FTM on a trade subscription basis. We also have back issues of FTM, if you're interested.

Looking forward to hearing from you, and believe our cooperation can mutually benefit FTM's and F2M's across the country.

Yours in liberation,

Lou Sullivan
Editor, FTM
