DATA BASE DIRECTORY HAS FIRST VENDORS

The TWV Data Base has placed its first two vendors on the list of places in the local area that will serve our community. They are: **CATHERINE'S**

&

ANNEDIE BEAUTY SUPPLY

When we get a few more vendors in the data base, we will publish a vendor list with phone numbers and addresses.

EXCESS BAGGAGE

Guilt is a problem that many people in our community experience difficulty with. Please keep in mind that it is what dwells in our heart that gives our lives spirit and meaning. The external trappings that some may judge us by represent the excess baggage that our detractors must bear, not us.

BYLAWS AMENDED

The TWV Bylaws were amended by a unanimous vote to create a new membership category. The new membership category is for Associate Members with a spouse or significant other.

GUESTS FROM KENTUCKY

Jamie, Nancy, and Mandy, friends of Renee and Mary, joined us for the June meeting. As you might have guessed, these lovely ladies are from Kentucky. We really enjoyed your company. Please come
