

Sex-change men

ran den of vice

TWO attractive blonde vice girls who ran a brothel specialising in bondage were once **MEN**.

And in one two-week period Amanda Davies, 27, and Roselyn Mayer-Eiseman, 26, entertained 57 male customers.

Plain clothes police posing as customers were offered bondage and sexual "relief," London's Marlborough Street magistrates were told yesterday.

Shapely Davies, of Hove, Sussex, and Mayer-Eiseman, of South Tottenham — who underwent operations to become women — were each fined £400 for keeping a brothel at Durweston Street, Marylebone.
