Dear Ms. Keller:

Thank you for inquiring about FTM.

FTM is a peer support group exclusively for female-to-male transvestites and transsexuals. Our membership includes females who are interested in crossdressing only, and those who are considering making the change to male, as well as female-to-males who have been living as men for over a decade. In addition, we welcome women and men who are interested in meeting female-to-males for social dating.

Since December 1986, FTM has been holding Get-Togethers every three months and publishing a newsletter, which is available free of charge to members. I have placed your name on our mailing list. Of course, any donations towards our expenses, cash or stamps, are greatly appreciated. Approximately 20 female-to-males attend each Get-Together.

A business card sized ad in FTM Newsletter costs \$5.00. Please note that we only accept ads from therapists who have had specific experience with the female-to-male. If you decide to run an ad, please inform me of the extent of your work with female-to-males.

Regards,

Lou Sullivan
