## *The National Transgender Town Meeting is Coming!*

On Wednesday, March 15 at IFGE Atlanta Action 1995, the first National Transgender Town Meeting will provide an open forum for people from all over the country to tell their own stories about the kind of action they have made and the actions that are required to build transgender community. What kinds of things will we talk about?

**Regional &  
National  
Alliances**

**Breakthrough  
Conferences &  
Programs**

**Spiritual  
Circles**

**Local  
Support  
Groups**

**New  
Gender  
Programs**

**Outreach  
Events**

**Working With  
Other  
Communities**

**Effective  
Publications**

**International  
Efforts**

**Transgender  
Rights Actions**

If you have something to share, prepare a 5-10 minute presentation that gives others a chance to follow up, either with open questions or individual networking throughout the conference. Overhead and slide projectors will be available, and you may bring handouts. You will have a chance to share your actions and efforts with people from all over the country, who may be able to give you suggestions, support, or who may be motivated by your project.

Everyone is invited to participate by being a part of this innovative gathering, getting the hottest news from all over the world, and being able to share your opinions and ideas. If it's new, hot and happening in the area of transgender, you will hear about it at the National Transgender Town Meeting!

For more information, or to reserve a slot, call IFGE at (617) 899-2212.

## *Transgender Memorial Service*

On Friday, March 17, at 5:15 PM, we will gather to honor all the transgendered people who have fallen this year, especially those who have been taken by hate crimes, by their own hand, or by AIDS.

Aphrodite Jones, author of a book on Brandon Teena, will speak about hate crimes and how they unfold.

Bring candles and pictures of those who have fallen to this moving ceremony, led by Lynn Walker, founder of the Open Door Church in New York City.
