Dear Mr. Wicker,

I hope you will recall that I stopped by your store very briefly on Monday and mentioned that I am planning to do research on Marsha P. Johnson. I was very happy to hear that you have some boxes of information on her and would be willing to assist me in my research.

I am currently finishing up my studies at the CUNY Graduate School and plan to begin the research project towards the middle of February. I will get in touch with you then.

Sincerely,

A handwritten signature in black ink, appearing to read "John J. Kearns", with a long horizontal flourish extending to the right.
