GAS SAVING TIPS

Because of the rising cost of gasoline, getting the greatest fuel economy is important. Here are some items that affect your gasoline mileage:

— Weight is the most important. Gasoline mileage is reduced by 1 to 2 percent for every 100 pounds of added weight.

— An air conditioner weighs about 100 pounds. When it is running, gas mileage decreases by 9 percent to as much as 20 percent with stop-and-go driving in hot weather. However, recent research shows that open windows may create an aerodynamic drag on the car, thus costing fuel efficiency.

— The automatic transmission can reduce fuel economy up to 15 percent. Power steering, power brakes, power windows and power sunroofs use varying amounts of energy as they operate and all add weight to the car.

— Be sure your car is always properly tuned; this includes checks of the spark plugs, distributor points, air and oil filters, properly functioning choke and the proper air-fuel mixture.

— Carpool and use public transportation whenever possible. Also make fuel conservation a top consideration when purchasing a new or used car.

— Plan your driving routes to let you travel at a steady speed. Avoid local bottlenecks such as extra long lights and congested streets. Rely on radio traffic reports to identify routes where traffic is flowing freely. When you can, avoid rush hours and other peak traffic times.

— Idling consumes gas at the rate of a half gallon to a full gallon per hour, which means allowing a car to idle more than a minute will waste more gas than it takes to restart the engine.

— Smooth “footwork” is crucial to good gas mileage. You’ll get the best fuel economy by steady accelerator pressure for cruising conditions and gradual acceleration and braking.

— Travel at moderate speeds. High speeds require more gasoline to overcome greater air resistance. Each car’s engine has a speed at which it operates most efficiently, depending on axle ratios, tire diameter, vehicle size and weight and other factors. This ideal speed is under 55 miles per hour for all cars.

— When you fill up with fuel, use the correct octane for your car. Using the wrong octane might cause engine problems, spark plug fouling and reduced gasoline mileage.

WAYS TO SAVE ENERGY

WINDBREAKERS — Winter winds increase heat loss. Therefore, a tall fence or dense growth of trees and bushes, especially on the north and west sides of your home, will reduce wind impact.

SUMMER SHADE — To keep cooler in summer plant shade trees on the east, south and west sides where more heat from the sun hits your home. When they lose their leaves in winter, they let the sunshine in your windows for more warmth.

WARMER CLOTHES — Cover arms and legs indoors in winter to keep warmer. Wear a sweater instead of turning the heat higher. Choose fabrics carefully: wool or wool blends are warmer than polyester knits.

ROOF COLOR — Dark colors for roofing materials will absorb more heat from the sun’s rays in winter and help reduce fuel consumption. Inside, light colored walls and ceiling help reflect light so you need fewer electric bulbs turned on.

ATTACHED GARAGE — Keep the garage doors closed except when driving in or out. This helps keep that side of your home warmer in the winter.

KEEP COOL — Let nature help cool your home in summer. Open windows and doors in the evening and early morning to let in the cooler outside air. During the day, close drapes or shades to keep the direct sunlight out.

ATTIC INSULATION — Because about a third of your home's heat is lost through the attic and roof, it's best to begin your savings efforts by checking to see that your home has adequate attic insulation.

WINDOWS AND DOORS — About one fourth of your heat loss is in this area, so use of storm windows and doors, weatherstrips and caulking helps you keep the heat inside instead of heating the great out-of-doors.

PROPER MAINTENANCE — A clean, well-adjusted furnace operates more efficiently and helps stretch your fuel dollar. Make sure your burner is properly adjusted. For better operation of your heating system, see that the air filter is clean. The filter should be checked each month. A dirty filter will reduce the flow of air to your rooms.

SETTING THE THERMOSTAT — Most people overheat their homes. Set the thermostat as low as you can and still be comfortable. Your savings in fuel cost can be substantial. Turning down the thermostat just one degree can save as much as 15% of your heating cost.

INSULATE PIPES — If you wrap hot water pipes with pipe wrap, it reduces heat loss and you won't need to run as much water before the hot water reaches the faucet. Wrap as much of the pipe as possible from the water heater to points in use. It's not expensive and an easy do-it-yourself project.

MEMORANDA

~~Get Advocate~~
~~F → M~~ ~~insist?~~
~~~~~

It's not how others perceive me that matters to me; it's how I perceive myself.

Tell Fish I'm my best lover  
& I'm tired of closing my eyes  
& pretending to have something  
for rest of my life, or  
feeling I have not equip to  
express my love for others.  
But this change made me an adult  
whereas women are eternal children.

~~Finish 'G' tape tonight~~

~~Phone Kath tomorrow~~

Can any remaining family  
see me for selling story  
How to find them...

APRIL 1984

SUN 8

Changing sets at Reggae Fest in Berkeley - I came alone to sit in the sun, get reefed & hear some great

MON 9

music. Had a bad dream last night that it was a Christmas party and Tom's girlfriend was over &

TUE 10

hanging all over him right in front of me like Luca used to. I wished deep inside that Tom

WED 11

would tell her he's bisexual & ~~that~~ has had a relationship w/me.

THU 12

Am making fabulous studies in my book about Jack [redacted]

Saw Alan [redacted] again at his new lecture & he

FRI 13

came to talk with me afterwards & I showed him my research. I said I felt guilty the

SAT 14

I'm moving in on "his" story, but he said emphatically,

## MEMORANDA

"Oh, no! No!" Told him  
I'd phone him next wk  
& we could get together.  
He was pleased. Said  
I was the best person to do  
a book on him. I'm consider-  
ing the possible consequences  
of doing my book under my  
real name. So what?  
Just because it's a story  
about him, doesn't mean  
I'm one too. (Sorry, Jack.  
Survival? You know it  
well.) I'd like to have some  
accomplishment to show for  
myself. I feel if I really  
do get this book out & selling,  
I will have made my life  
a success. And my diary  
could easily be edited &  
published from beginning  
to ~~present time~~ July 14,  
1980, under L. G. S. Reed.  
Entitled:

JACK GARLAND

~~Daughter of SF~~ The Daughter of  
SF's First Mexican Consul

APRIL 1984

SUN 15 The reggae singer  
just sang it's easy for  
men to get along with  
women if they just

MON 16 "set aside  
all partiality".

I'm not sure now if  
he meant "they" as

TUE 17 He men or the  
women . . . .

Half joking, half serious,  
I told Tom this morn that I

WED 18 had a bad dream  
last night & was mad at him.  
After he asked, I told him  
he ditched me in the dream.

THU 19 He said, "You  
ditched yourself. It  
was your dream!"  
This even tho he came

FRI 20 in my bed last nite

Good Friday & this morn we  
had sex HIS way ~~of~~ again,  
except he just lays there

SAT 21 while I "fuck" him  
now until he comes in  
me. Then he asks me if

## MEMORANDA

I "like that," as tho he  
had done something for  
me. OK, Tom have it  
your way.

Tuesday

Told the other F & M gay  
man I know that they  
don't think a F & M can  
make it as ~~a~~ a gay man  
 cuz they showed slides  
of the cock sury to a  
bunch of gay men &  
they all said they weren't  
attracted to the cocks.  
Can you believe it?  
My answer to that is,  
if they'd showed the  
gay men slides of  
pussies, they'd've  
like those EVEN LESS!

10/11

Despite what Tom says,  
I AM lonely. I feel like  
I'm the only one with this  
problem + a gay man in  
a woman's body - and

APRIL 1984

SUN 22

~~Easter Sunday~~

so alone, so left out. I gather Jack Garland's remnants with delight + think of

MON 23

his life compared to mine + it does make me feel better. But not much.

TUE 24

~~After spending Sun night with her,~~  
~~Tom spent Sun night +~~  
Monday w/ his girlfriend.  
Mon night I "waited up"

WED 25

for him, but fruitfully I just couldn't sleep + when he still wasn't home by 6:30 am

THU 26

Tues morn I broke down + sobbed really hard, anticipating losing him. I know I will.

FRI 27

I feel so helpless + sorry for myself.  
So alone. So lonely.  
At 7:30 he came

SAT 28

home + into my bed, telling ~~me~~ <sup>me</sup> he'd just gotten out of

## MEMORANDA

work. ~~But~~ I know  
it's true, but I feel like  
he's not MINE anymore.  
He seems to talk about her  
a lot to me & we had words  
about it last night. He  
tells me he'll take off work  
when I go visit Dan so's  
he can spend more time  
with her. I told him I  
don't need to hear how  
he'd rather be with her.  
He seemed delighted that  
I was "so jealous."

All I can do is get  
more butch. Reapplied  
to land for the cock surgery  
& my letter came back  
undeliverable as addressed.  
Guess they've moved.

~~But~~  
Tom says he has no  
intentions of moving out  
of [REDACTED] Neither do I.  
How he'd react if I  
suddenly found a side  
partner. I don't even

APRIL 1984

want to face the issue of explaining my GROIN again & having to deal with it

MON 30

Going back to [REDACTED]

[REDACTED] for surgery again 10/18 when he'll put a

silicon gel filled implant under my right nipple so it's not so carved in. \$450.

WED 2

I've tried of going thru the motions of sex with a body that cannot express my sexual needs/

THU 3

wants. I feel bad to think Tom will find someone else who can really communicate w/him

FRI 4

sexually & therefore totally. I feel sorry for myself that Tom is not the one for me, that I

SAT 5

want to love him so much, but find it so repulsive to have

## MEMORANDA

him touch me between the legs + I dread having sex with ~~him~~ him, while at the same time I want him so much. He cannot think of me as a man when I am a pussy. All I can dwell on is - if I had a real cock, if I had a functioning man's body, none of this NONE OF THIS would be on my mind. As it is, I sit here feeling ashamed + so tired of being UGLY + fucked up, knowing I'll never know what it is to be whole. I will always be less than everyone else.

Tom only mocks + laughs at me when I try to be a man with him. He seems unable to be sensitive to that need in me. I am so sorry I told him I was a female, yet I'm so happy to have loved him these 3 years. I am so confused.

MAY 1984

SUN 6

None of this  
NONE OF THIS  
would be on my mind  
if only I had a body

MON 7

~~let's~~ Had would  
express my true feelings.

TUE 8

10/12  
Tom & I had a very good  
talk this afternoon. He's laying  
on the couch watching TV &  
SHE calls. I can tell inward

WED 9

because his voice gets  
all giggly and soft.  
While he's talking to her, he  
beckons me to lay beside

THU 10

him on the couch.  
I do, after my first reaction  
of not wanting to. After  
he hangs up he asks if I'm

FRI 11

mad & I ask him how'd  
he feel if I were saying,  
"Okay, baby, I love you,  
too" to someone else on

SAT 12

the phone in front  
of him. Seriously. The  
expression on his face

## MEMORANDA

changed. I told him I felt  
sorry for myself because I  
have a fucked-up body &  
anyone is always going to  
look better than me. But  
I added that I knew that  
wasn't true - I'd be a lot  
more upset if I didn't  
have LEGS and people live  
w/out that, too. I told him if  
I'd've had a regular guy's  
body, I wouldn't even be  
having to think of these things  
that I just want to get  
this weener operation. He  
said I should do what I  
have to do, but that after  
I did he would no longer  
be attracted to me sexually.  
I said I didn't think he  
only liked me for my pussy.  
He stumbled around his  
words, but finally ended up  
saying he didn't know  
how it would affect his  
feelings for me sexually.  
I felt a glimmer of hope

MAY 1984

SUN 13

That he just might not find it so awful. I said I was tired of always pretending I'm a guy

MON 14

when I have sex and he said, "That's OK! I don't always think of myself as a guy

TUE 15

when I'm having sex." I asked, "How why won't you be my girlfriend?" He said he would let

WED 16

me suck him off more if that would make me happy. I said it would make me VERY

THU 17

happy. "And I can rub my weiner on your butt, right?" He said, "But you can't stick

FRI 18

anything in it." ~~I worried him of being~~ I told him I didn't have anything I could stick

SAT 19

in him (give me 3 more years w/ this guy & he'll let me put my

## MEMORANDA

finger up him, I'll bet).  
He says "because I was hurt  
when I was little." I said  
"Tom, you know I wouldn't  
hurt you." (I'm so glad  
I brought that up to him -  
did I write about that?)

~~He~~ A few weeks ago when  
we were arguing about  
always having boring pussy  
sex, I argued, "Tom, if  
you're still peaked out by  
something that happened to  
you when you were a little  
kid, it's time to get over  
it." He seemed so sur-  
prised I said it. He  
said, "I don't think I'm  
thinking about that." I  
said "yeah well maybe  
not consciously, but  
subconsciously you are."

He admits to me that  
he fantasizes being a girl  
while having sex sometimes.  
Second time I've heard him  
say that. I gotta play

MAY 1984

penis excites me much more  
when I fantasize the cum

MON 21 running out of it.  
That's another thing I'll  
probably never get to feel.  
I wonder if guys really

TUE 22 feel the cum going  
through the length of their  
penises, like piss, or not.  
Because I sure never feel

WED 23 it when guys ~~cum~~ cum  
in me. I once read a book  
(one of the first porno books  
I'd ever seen) where the

THU 24 woman begged the  
man to "shoot more and

thought that would feel

felt that either. I guess

we'll be able to experience

[redacted] will agree I'm not nuts. Got the bandages off my right ~~areola~~ areola (I always want to write 'nipple') and it looks bad but Dr. said it was swollen, so we'll have to see once the swelling goes down. I laughingly told him right now I feel like I got my tit back. He said, "Well, they must've been bigger than THAT!" I don't know if he was serious or not — I just laughed & said, "Well, yeah, of course." He again suggested I might want it removed. We'll see. This all makes me feel very vulnerable going to see Dan this Friday. Like — is this money thing REALLY OK? can I afford this? will I be able to hide my "cock" in my jock for 10 days in close quarters & half loaded all day with this guy? what about my chest?

JUNE 1984

SUN 10 we will have to discuss that it looks pretty weird now... but then again Dan's always

I needn't tell him about

So, fuckin' Tom acts like he can't wait til I leave, and will I let him use my charge card so he can rent a video player so he can have her over for dirty movies Friday night. God. The guy doesn't even wait until the body is cold. We did have another very good talk where we agreed not to have pussy sex ~~sex~~. He said we shouldn't have ANY sex but just sleep together. I felt like "gulp" but Stan remembered that he + I slept a long time in the same bed before we ever had sex (remember? he used to put his foot on me and I thought I was in heaven). But Stan this morning he did put it inside me, but from the

SUN 17 (HORRORS!) so I felt  
that's close enough male  
sex - he can use that hole  
if he wants. He wasn't hard

MON 18 very long though &  
~~neither~~ neither of us came  
or anything. Anyway,  
after he said we shouldn't

TUE 19 have ANY sex, I  
said, "Well, OK, I can  
live with that" and then  
I saw HIM go "gulp".

WED 20 He said well we  
could just jerk off together  
any he likes to jerk off  
w/guys, I said fine.

THU 21 But he said he  
doesn't like any sucking.  
I told him that he & my  
mother were the only 2

FRI 22 people on earth who  
DIDN'T like ~~that~~ to be sucked.  
He said he DID, but not  
by guys. I asked him if

SAT 23 he thought of me  
as a girl, then, when I  
sucked him & he said no.

## MEMORANDA

I suppose I should be complimented that he thinks me 'SO MANLY' that he can't have a good time with me sucking him. I can just imagine the Cussy ~~just~~ suck job she does (I've been told I would put some boys to shame, I suck so well) — he told me she used her teeth. HA. I said well at least I never do that. Anyway, he said I could suck him "a little" if I want to. Gee, thanks.

I find I have a great deal of control of my sexual fantasies. Several years ago I decided to try to think of girls more when masturbating and I've been doing that a lot now lately. Couple months ago I decided to get back into the all-male sex scene fantasies and have rediscovered what a turn-on it is for me. I'm trying to fit my body now into one of those fantasies — I mean, my body after

JUNE 1984

my cock operation. I can

I'll bet at least two.

But deep down I know,  
I feel Tom will still love

me and want to

a different KIND of sex,

and that's what I've GOT

to invent. A new  
kind of sex between he & I

I keep sticking him up my

THU 28

he likes that. But he can

else, and I better decide

what we do next.

his co-workers he had a

his upper Thigh & that's  
why he was walking so

sore. I could just play up the cyst angle with Dan & others who question these operations I'm having.

I doubt if I'll find myself in a situation of being impelled to remove my pants. If a situation arises where Dan & I might start feeling sexual, I'll just reach down & play w/myself with my pants on. If he asks me to show him my cock, I'll tell him it's always been my fantasy w/him that I sucked him off, but he didn't see or do anything to me. That would excite me & maybe he'd go along with it for a free B.T.

What a fucking hassle to have to spend all this time & energy worrying about being a freak when I'm supposed to be going for a vacation.

Had a bizarre dream last night. Mom was younger & prettier and she was

JULY 1984

MON 2 or was it a nightmare? I just thought of a fantastic alternative. I'll tell Tom he can come in my ~~bed~~

## MEMORANDA

7:30 a.m.  
10/27  
Sat

Well this trip is already exciting.  
Right now I'm at the Greyhound  
Bus Sta in Yuma, Arizona.

~~the~~ I missed my Indi's  
stop and it wasn't my fault  
either. We got on the train  
I saw the conductor coming  
down the aisle to collect tickets.  
I was tired, so put my sh<sup>t</sup> on  
the seat beside me + closed  
my eyes. When I woke it  
was about 12:30, so about  
2:00 a.m. I see Indi's signs.  
I notice the conductor didn't  
take my sh<sup>t</sup>. The train  
stopped. I ran down to the  
exit + there was no one to  
open the train. There was  
no train station and it  
was dark out, so I wondered  
if we just stopped for no  
reason like times before.

So I went from car to car to find  
a train guy - one is assigned  
to each car. No one in sight.

JULY 1984

Needless to say, I had to  
SUN 22 go to the next stop.

The conductor guy couldn't  
imagine how he missed my  
ticket, suggesting I was

MON 23 in the restroom or  
lounge car when he passed  
by. ~~Later~~ I'd never  
once left my seat.

TUE 24 Got into Yuma 3:30 a.m.  
Got a cab from the train sta.  
to the Greyhound Bus Sta.  
luckily they opened at 4 a.m.

WED 25 This is the 2nd time  
Greyhound has saved me  
after time in Wyo. after  
~~the~~ car wreck. Had to

THU 26 "sleep" sitting up until  
6:30 when the sun began  
coming up. This is some  
~~what~~ white people retire-

FRI 27 ment RV park. For  
being so southern in Ariz.  
I'm amazed at how COLD it  
is here. A dewy wet cold

SAT 28 morning. Decided to  
reel & share it with a  
bum I'd seen earlier who

# MEMORANDA

looked very young + out of place here. ~~He~~ He never asked me for \$ and I almost felt like a rich pig like these Yuma capitalists. I usually give no one any money - no panhandlers. He never asked me for \$ ~~but~~ but I gave him \$20. Thought of Jack Garland giving his \$ + a place to stay to "homeless runaway boys." Fortunately this one was trying to phone his mom + sis in Louisiana to send him busfare home. I totally believed all he told me, when in S.F. I'd never have even bothered talking to him. The guy just announced the bus will be an HOUR late. I've already been here 3 1/2 hours and there's nowhere to go for miles.

It is so thrilling to think no one knows where I am. Yet deep down disturbing + I want to get to Indio NOW. I just found a lucky Penny. I need it.

9:20 Bus just showed up.

I went to talk to Helen - They were  
Cuban, but the black knew some  
English as he was visiting from  
San Diego. Told her about myself  
& she pushed me into the men's  
room to get proof. I lowered  
my pants & showed my chest  
scars. She had to rush back  
to her friends, shocked. Later  
asked if she wanted to fool  
around & said yes; but she &  
one friend stayed only a few  
minutes at Dan's. The black  
said he'd be right back,  
but he never returned... I  
guess he couldn't imagine  
what we could do together.  
Dan is surprised I'm so  
"kinky" - He should know  
the whole story! Yesterday  
~~he~~ he drove me in his '49  
Chrysler to Mexicali. Though  
I knew ~~it~~ to expect it,  
the poverty was disheartening.

Sometimes they really search

way back to Lodi, stopped  
at a 64-yr-old farm worker's

 Then Dan + I spent the day  
 drinking rum + beer, then  
 I took him, Carmen + Roy to  
 dinner + drinks. Carmen, who  
 is usually so grave, drank +  
~~laughed~~ giggled + made it all  
 worthwhile. Roy is a Mexican  
 macho sweet guy. He, Dan +  
 I have had several heart-to-  
 hearts when the women aren't  
 there. Roy said Tom had  
 phoned ~~the~~ the evening before  
 to wish me a Happy Halloween.  
 I began to miss him + was so  
 thrilled he called, like a sweet  
 little boy. Happy Halloween.  
 Roy + Carmen got their 3 kids +  
~~then~~ went home. Dan + I were  
 very loaded by then, but went  
 several blocks to a bar. The  
 lowlife bar. ~~the only place~~  
 in Indio.

Dan kept saying we should "find some skirts" (get some girls). None to be seen. ~~the~~ were both

very out of it + Dan made the bed, but instead of ~~the~~ blanket for me + one for him, he just laid one

TUE 21

across the bed. I got in first + then he, clumsily laying his foot against mine. I moved slightly

WED 22

but left my foot against his. He moved a bit + I did too. He moved again, closer, and said,

THU 23

"Here, this is how I hold my babies" and he put his arms around me as we laid side by side. I put

FRI 24

my one arm around his back and his hand slipped down mine, inside my PJ bottoms + underpants, halfway

SAT 25

down my ass, and then out again. He said, "I'm gonna go to sleep now"

and I answered "Monarchman".  
He seemed to be snoring  
loudly within seconds. ~~That~~  
After a while I eased out  
of his large heavy arms.  
Unbelievable. Unbelievable.  
I am a very lucky man.

Back at Dan's + I ran  
across to the bus station  
& phoned Tom at 2 a.m.  
He was glad to hear me.  
Said he's been sick & off  
work for 3 days. Poor  
baby. (I didn't think it at  
the time, but wonder if she's  
coming over after her work  
then - bet she is.) His voice  
made me miss him. Dan + I

Dan threw a party — no one  
came except his Mexican

~~enjoyed~~ enjoyed the pleasure

THU 30

of being out of the

family members + friends  
gathered to drink beer,

Spanish + I just sat  
back + observed + enjoyed

SAT 1

their total acceptance of  
me, very aware that I

## MEMORANDA

would never experience this male camaraderie had I been a girl. Several knew English pretty well & often enough spoke it so that I wasn't totally in the dark. Gabi was there - someone did sneak him across the border. I watched him ... looking so much older than his 16 yrs, scowling, sullen. I made the first move & soon we were joking & sharing some private laughs. Another brother of Luca's, Ramon, reminded me so much of Jeff Daegenhart in looks, actions, attitude. Arielio, a cousin, giggled a lot. Roy told me I was always welcome there. I was surprised at how much homosexual jesting & clowning around there was among these macho Mexican men. Like one would tell another he wanted to fuck him but he doesn't have the money

SEPTEMBER 1984

right now. All would laugh

SUN 2 Or one told another  
to stick ~~something~~ <sup>such-and-such</sup> up this  
ass + the other would say  
~~whatever~~ such-and-such

MON 3 "wasn't big enough."

Labor Day

One, a father of 6,  
was nicknamed "the biggest

TUE 4 would be comments  
about "hot mamas" and  
"titties" + all would act  
real interested, but none,

WED 5 I noticed, had a  
girlfriend. Another jest  
was to call each other  
a "big pussy."

THU 6 Thoroughly enjoyed  
Ken's company + wished  
I knew Spanish. The women  
+ children stayed in the

congregated outside,  
after being away a

missing Tom.  
I kind of regret

~~He~~ The last few days w/ Dan I realized how much like Jim [REDACTED] he is. Even physically. The way he talked, things he said - I could close my eyes & he could have been Jim. Even the way he & I related as friends, was a lot like how Jim & I related. Maybe one of the reasons I feel so comfortable with Dan.

11/11/84

Back to S.F. & Tom slept in his own room that night. Felt bad. Had a dream where Tom had 2 girlfriends at his side and said to me, "I no longer require your services." But ~~the next morning~~ a day and a half

 that she is very jealous of  
 me. I asked why? if  
 she thinks we're just room-  
 mates, Tom said becuz I  
 didn't greet her warmly  
 enough when we were intro-  
 duced. I thought I was  
 quite cordial - just how  
 much enthusiasm does she  
 need? I didn't scream +  
 carry on like a faggy  
 girlfriend of hers. Fuck  
 her. I suggested she may  
 sense something beyond  
 our roommate relationship  
 becuz he won't bring her here  
 overnights when I'm home. He

SEPTEMBER 1984

quickly responded that it was  
SUN 16 SHE who didn't want  
to be here when I was. Well!  
(He's not as dumb as Tom  
thinks.) We had a real

## MEMORANDA

am finding someone with whom I am in love. Jack Garland is my dad. The coroner's report said he had cancer of the liver + spleen. When I first read it, I thought it said she had iron gray eyes, but today I looked closer and it said brown eyes + iron gray hair. She had hair like an old man... and I think of dad's beautiful white locks. Wasn't even going to go to the Calif Historical Society a second time, because I found out the first visit they didn't have anything. But wanted to see if they had any of the ~~newspapers~~ newspapers missing from the libraries. They didn't. So I aimlessly began going through the newspaper file and saw there was an index to a S.F. newspaper from 1896-1903! So far there's been no indices

SEPTEMBER 1984

to the newspapers ... I've

SUN 23

had to just view  
the microfilm aimlessly  
to happen on an article  
by or about her. (I like

MON 24

to call him "her"  
because it reminds me  
where I came from and  
how lucky I am ... how

TUE 25

Jack Garland wanted  
to be Jack Garland! I  
wonder if I'd've had  
the strength to live

before the luxury of hor-  
mones/surgery. I feel  
I want to have all

on her I didn't,  
described as story on  
Babe Bean with portrait  
of course when I looked

SAT 29

up the newspaper  
referenced the article  
wasn't there. So now

# MEMORANDA

I'm following another lead. I know there's another article with more precious info — and a PORTRAIT. Not just a "cut" as they described the line drawing. Tomorrow I go to an all-day (Tom asks "all-GAY"?) workshop on how to get your book published, conducted by a literary agent here in San Francisco + they've been recommended to me twice. Called Chris, who's another F → M gay man moved here recently from Cleveland + is my age, and who's trying to get his stuff published, + he wants to go, too. I'm gonna get this book on Jack published. I wrote to Herb [redacted] seeking help. He was writing for the Chronicle when Jack died. — At the Society of Calif Pioneers a young woman asked me who

SEPTEMBER 1984

I was writing about.

SUN 30

Told her & she recognized the names. She'd seen the slide show on Babe Bean & was so

Today I answered a personals ad placed by

a bisexual couple looking for whoever. I'm worried they might

be physically unattractive but who am I to cast aspersions (whatever that means). Told them I am very erotic; now I wonder if that was going too far.

12/10/84

I've very nearly run out of leads to Jack Garland's lost 30 years, and so that project is waning.

Few days ago walked down Valencia St. & decided if I have to move in the near future it will be there.

Back to the sunshine of St. Mission. Lots of hip, feminist bookstores full of books about every kind of angle imaginable but not even a fiction story about female-to-male transsexuals. I even asked a few lesbians working in a few of the bookstores if they had anything on the subject & they

OCTOBER 1984

all said no. I've got to  
SUN 7 get something on those  
shelves; at least make  
something available in  
these gay-oriented book-

MON 8

Columbus Day

stores. I haul  
out my wads of  
paper with paragraphs  
and ideas, + I dream

TUE 9

of having a word  
processor to assemble  
all these pieces easily.

Lynn [REDACTED], a young

WED 10

FRI 12

them \$36 — a good deal  
considering I had to  
do many pages over

SAT 13

+ over because  
they weren't right.  
Again I dreamed of

# MEMORANDA

a word processor. I should  
 just go to the hell & get one.  
 Wouldn't it be wonderful?  
 - it's 2 months since  
 I wrote to Judy [REDACTED]  
 of the Palo Alto Gender Clinic  
 for info re: "The Wrap"  
 their "freeing the clitoris"  
 operation. Pretty rude.  
 It'll take more than a  
 year for me to get it if  
 this is their speed.  
 Tom spent from 6 p.m.  
 Saturday til 7 p.m. Sunday  
 at his new girlfriend's.  
 I feel sad, afraid I'm  
 gonna lose him. He says  
 he's not gonna leave me  
 becuz he's got too much  
 at stake (the business).  
 Told him I didn't want  
 that to be the thing  
 that's keeping him with  
 me. He said both Karen  
 & I are hassling him  
 about this, and I said  
 well that's what happens  
 when you're a big Romeo.

OCTOBER 1984

He said he loved me, and

SUN 14

I acknowledged that he can't be blamed because I'm having a lousy sex life, but that I'm taking

MON 15

steps to remedy that. He didn't ask what steps. — I've decided to

TUE 16

place a personals ad in some of the S.F. rags, asking for a pretty male-to-female cross-dresser for some fun

WED 17

times. I've been fantasizing having sex with some slutty little boy to suck my little

THU 18

cock and let me fuck him with a strap-on dildo. There's gotta be someone in this

FRI 19

city that would go along with that. I really feel sad cuz I know Tom has never

SAT 20

+ seems will never accept my male sex urges — my wish

## MEMORANDA

to be aggressive & treat him like a sex object. He will not allow it. I feel sad cuz I wish I'd've never gotten myself into this missionary position fucking habit that he insists on. I know she can't jerk him off as good as I can, tho... if only cuz I've practiced so long. When I was masturbating this afternoon, I thought of asking Tom to please just put his hand on me when I'm jerking off, put it anywhere on me, just to help me cum. I'd asked him once or twice if he'd just put his hand on my butt while I jerked off, and he refused. I've never refused to do something he wanted. Anyway I need someone to treat me like a man, and I think only a M-F will know how to do it. I was on

OCTOBER 1984

The bus the other day & a

SUN 21

young man gave me a book of matches, telling me they were from a "good place to meet girls".

MON 22

looked at the name on the matchbook & had seen the bar downtown & instinctively I said

TUE 23

"This is a drag queen bar" tho I didn't really know it. He laughed & said yeah, but I

WED 24

pocketed the matches & said well, hey, I can get into that. I said I wondered where they

THU 25

held "the shows" now & he said at that bar! Well, I took that as a sign from above

FRI 26

that this bar is the place to go. Maybe this weekend. I've got to let the word out in

SAT 27

The bar & in a F → M and looking for ACTION.  
— I answered a personals

## MEMORANDA

ad placed by a couple,  
she bisexual, he not sure,  
looking for other swingers.  
I sent the best photo of me,  
explained I was male  
from the waist up & female  
from the waist down, & if  
they thought I could fit  
into their fantasies some-  
where, gimme a call. I  
guess they aren't going to.  
It's been about a week.  
— Went to a fun party  
Saturday night. My friend  
Tim (from [redacted])  
has a new girlfriend & it  
was her party. Fun to  
pursue the girls for con-  
versation or flirtation.  
Some are really rude.  
I don't think I'm coming  
on too strong either, esp.  
any I don't really want  
them at all. One woman  
talked to me a long time.  
Her father died close to  
when dad did & we  
talked about our dads.

OCTOBER 1984

She is a nurse + she really

SUN 28

liked me. She had to go to another party + when she shook my hand, she grasped it + said "it was

MON 29

really nice talking to you... I mean REALLY NICE..." and his eyes flashed - Freudian slip,

TUE 30

I mean, her eyes flashed + I thought I should ask for her phone no. But didn't. She

WED 31

really liked me tho. I wish I could get this cock op soon.

## MEMORANDA

12/19/84

Am having a hard time trying to sort through my feelings & make sense of them. Am feeling so sad about Tom - as tho I've "lost" him. I guess it's just becoming more apparent that he really is just beyond my grasp. I don't see any way to reach him. One night ~~that~~ I prepare my bed to sleep in while he's in his loft. He says 2 times that I "can ~~come~~ sleep up here with me, if you want to," I say no, no, but said "well, if you're sure you want me to." The next night I invite myself to sleep with him, and he blurts out that I can but he's going to jerk off now and doesn't want me to bother him. a direct affront & really cold mean rejection. I feel so angry that he doesn't

NOVEMBER 1984

care to please me. Yet

SUN 4 his actions toward me during the day is either businesslike or giggly silly & grabbing me.

MON 5 When I grab him back, he pushes me away. I can't believe I'm so much like a man that

TUE 6 it repulses him. The real sad part is I'm realizing I've just spent the last 3 years

WED 7 having sex ONLY with someone who thinks oral sex - giving or receiving - is disgusting

THU 8 and cum must not be touched, just as the asshole must not be touched. I feel sorry

FRI 9 I was incapable of reaching him to share a lot deeper love & sex life - that sweet

SAT 10 pleasuring, the sex role games, surrendering and exploring,

# MEMORANDA

I really fucked up by getting myself so backed in the sexual corner - again - I want so badly for someone to play with my body, Tom never does. It is cock in cunt and in/out. That's it. I wonder if he's having swinging great sex with his girlfriend. I just can't imagine.

I must get back into the swing of things. Went to check out the Black Rose, the drag bar on the book of matches. For a Monday nite at 7pm it was GREAT.

At least 8 M → F's and most not half bad, plus a young man with a slim graceful body & face!

But how to get into it?

The M → F bartender was cold and brusque, another Cuban or Mexican number.

A poor fool 2 stools from me kept buying the drag drinks and try to

NOVEMBER 1984

talk, but they'd be mini-

SUN 11

Veteran's Day

really polite, take  
the drink & split.

He was miserable. I saw  
nothing but the slim boy

MON 12

worth my attention.  
Until Rethy came in. Well,  
what a sharp doll. I tried  
to get an opening to speak

TUE 13

to her but she went  
instead to talk to the slim  
boy! I kept eyeing them  
both. The slim boy left

WED 14

with the bartender (!)  
as the shift changed and  
Rethy came to the bar &  
the poor fool jumped on

THU 15

the chance to buy  
her a drink. She sat down,  
cozied up real easy between  
us. She - or I'll say be

FRI 16

was so friendly  
& cheerful & pretty. I've  
been realizing that what  
Elizabeth [redacted] ("22

SAT 17

said is true. [redacted] said  
when she went into a

## MEMORANDA

gay men's bar she let the word out that she was really a he. She said you just have to tell a select few & the word gets around real fast. Then if someone there is into it, they come to you. Cathy was the perfect one to tell, so I asked her if she'd ever met a woman who changed into a man. He looked a little thoughtful, but I took his hand and said, "Well, hi, my name is lei" and smiled knowingly. He was so surprised, said "You're not kidding, are you?" But I had her attention and we had lots to talk about. She - he's from Chicago, asked right away & unself-consciously how far I'd gone (meaning with the change) & I said I hadn't had the bottom done. Told me he hadn't either & wasn't sure it was right for him. I said there's a lot of nice in -

NOVEMBER 1984

between places. I want to

SUN 18

be able to pursue & be demanding of my sex partner. I want him to suck my little dick and lick my

MON 19

empty balls. I want him to spread his legs for me. — To do today to get my stitches out.

TUE 20

The implant is hard & looks just as bad as the last one. But he pushed it & broke a "fibrous capsule"

WED 21

That was forming around the implant. It hurt like hell but I'm going to try to loosen it up myself & break the

THU 22

Thanksgiving Day

Other capsules forming as soon as I'm sure the incision won't open. I don't want him to remove

FRI 23

it any I'll just be stuck with a caved-in nipple again, & probably worse now. — I feel

SAT 24

angry with Tom for having a perfect body and being so selfish with it.

## MEMORANDA

12/21/84

After 2 days of sleeping in our own rooms, Tom comes crawling in my bed about 3 a.m. after printing til 1 am in the garage. I keep wondering WHY AM I MAD AT HIM? and I've finally come up with an answer. I'd be perfectly happy with him if he'd only suck my little dick for me. But I dare not even mention that. If he ever does ask me why I'm mad at him, that's what I'm gonna say.

12/29/84

So much happening my mind is reeling. Have had a great 2 weeks with Tom all to myself, just like in the older days. His girlfriend went back to Ohio for the holidays. Tom + I went to a photographer who took our picture

**Gemini:** Health and occupational concerns have been burdensome. Perhaps you're worrying too much. This is a time to work harder at taking care of yourself, but such work has a point of diminishing returns. This is a good time to be philosophic about the whole matter of health and mortality. He said he wanted us to write a partnership agreement before we do & I felt sad again. Until I looked at it as he wants a prenuptial agreement - I even said that to him, OK - if Jack & Kay did, we can too. He reassured me & kissed me & looked into my eyes & massaged my headache away. | <p>taller than me, but very skinny and a sweet face + real nice eyes. We met at a lesbian bar she goes to (the door-woman asked me, "Have you ever been here before, sir?" I said no. She said gruffly, "Do you know this is a lesbian bar?" I said, "Yeah, and I'm a transsexual.")</p> <p>Monica suggested we go to her place almost immediately + I was glad. Wanted to mess around more than I want to "date". Soon she opened the sofa bed + invited me to sleep over. We fucked + she liked the fact I was the "aggressor." The only rule she made was I wasn't to remove her bra, in which she had silicone prostheses. I told her I had no rules, yet I kept my jockey shorts on. Just felt more male that way and it brought</p> |          |      |

| <p>again to me that the crotch surgery is important to my life. I enjoyed messing around with her — she had a small cock that got hard &amp; she liked me to play with it &amp; it didn't take much for her to cum, tho it was more leaking than shooting. Told me she'd never cum with a partner before, and that she'd never had sex of any kind until very recently (she's 31). I had no trouble feeling masculine, she was very passive. I felt very inept, tho, when she felt inside my shorts &amp; there's nothing there. I at least need something there to take hold of. I know she liked me a lot, and tho I felt affectionate &amp; had fun, I felt no passion and I didn't</p> |          |      |

| <p>really want to. Again I felt if I'd been having sex with a "male," it would have been much more erotic. He is definitely more TS-oriented than TV and will probably go full-time female in the near future. — As I've said before, this kind of contact is good for me insofar as stroking my male ego + making me think what kind of sex am I capable of! But I can't see it for any permanent or serious kind of attachment. — I phoned Cathy + we made a date to see a Greek crossdressing play Tuesday. One of the 5 responses to my ad was from one of the actors in the play. Very interesting. I feel kind of tired + numb right now. — Eldon still hasn't shipped my typesetter +</p> |          |      |

Tom told me our relationship would be irreparably damaged if I had the cock surgery. I told him I felt it already was. And that I wasn't exactly thrilled about having to look for someone else.

# CASH ACCOUNT — JULY

I've just ended one of the worst illnesses I've ever had & it's not over yet. Since last Monday eve (thru) is the following Sunday eve) I've had 102° fever. No lie. Went to doc Wed. Said take 2 aspirin. I can't eat or sleep. Then my neck & lymph glands swell. Tom has given me close to no special help or support. Now I remember what it was like not to be loved... what it was like w/ot Jim.

Monday phoned Lab's secretary & she told me they don't understand some one like me (who feels like a gay man) & they choose not to deal with me. She said a bunch of other stupid shit, too & I
