

# Man Poses As Hooker To Clip Johns

Franco Moreni beat up the johns Piero brought home.

One of the niftiest schemes to clip sex-hungry suckers was foiled recently by Milan police when they arrested a shapely blonde hooker known as "Julia" and her boyfriend, Franco Moreni. As things turned out, Franco and "Julia" were able to share the same jail cell, in the men's cell block. It seems that "Julia's" real name is Piero Bianchi—and she's a he.

Piero had been posing as a prostitute to lure unsuspecting johns up to the apartment where Franco was waiting to pounce upon them and rob them.

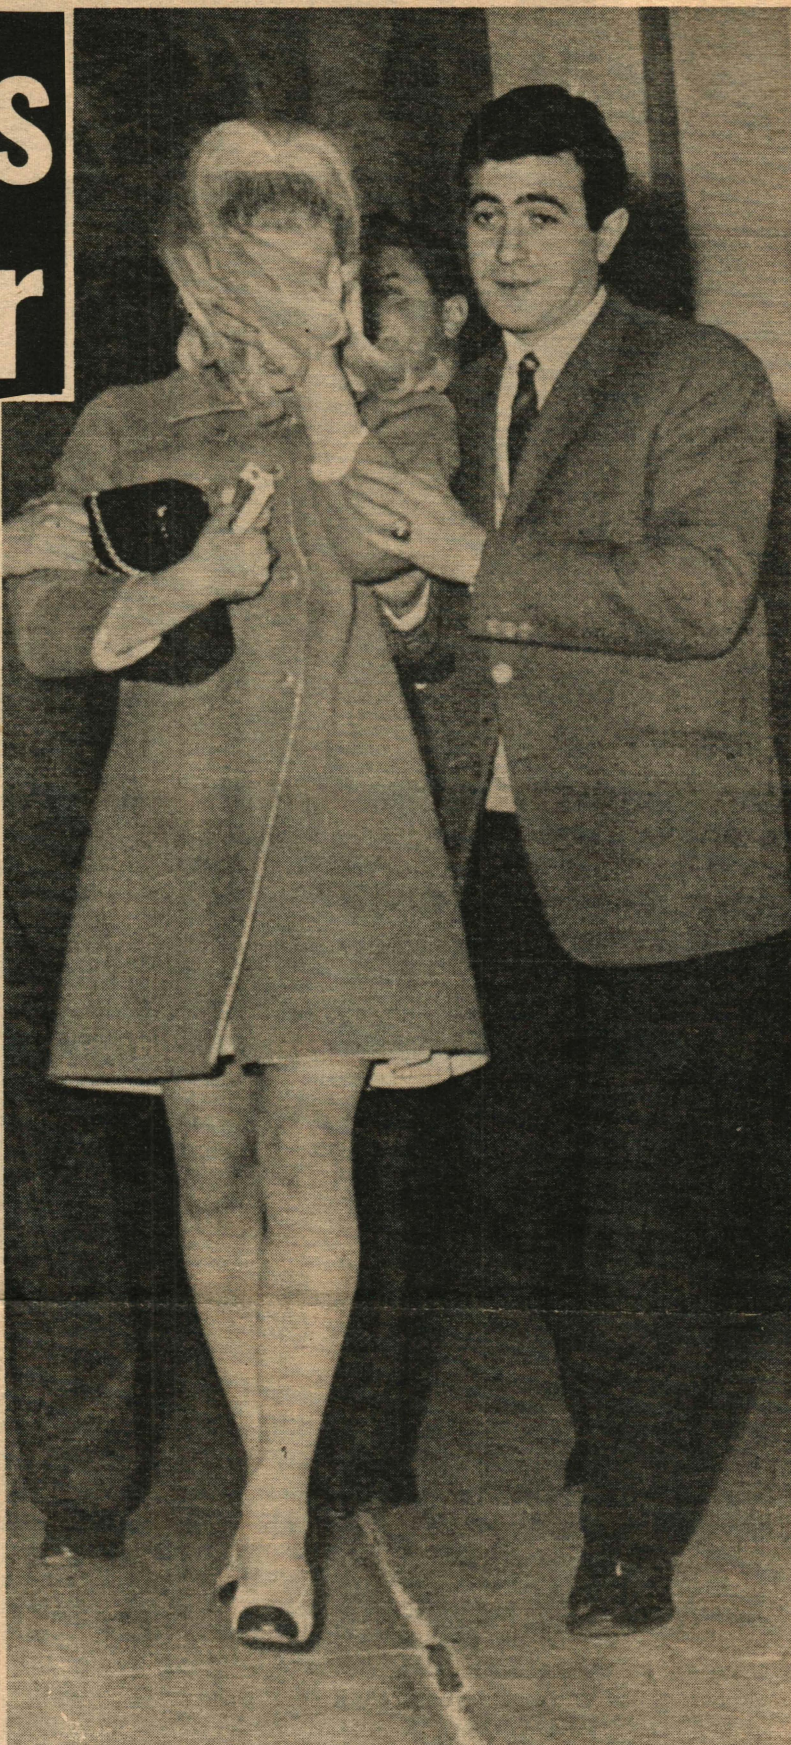

They were arrested after a sucker got wise, put up a squawk, and called in the cops before either of them could escape.

Piero, who claims he is neither a homosexual nor a transvestite, says he hit upon the idea of dressing as a woman simply as a money-making scheme.

Last week, Piero/Julia cruised a likely-looking prospect in a bar. The man, a Viennese businessman, was immediately attracted to the voluptuous-appearing blonde, and quickly accepted "her" invitation to have a little fun in the feathers.

Once in the apartment, the businessman undressed quickly and sat down on the bed to watch Julia come out of "her" clothes. His eyes bulged with lust as "Julia" peeled down to bra and panties.

But the john began to smell a rat when "she" refused to strip all the way. He grabbed "Julia" and the two wrestled to the floor. Just as one of Piero's "breasts" came off in the startled man's

hand, Franco came crawling out from under the bed to help his partner.

The john, seeing he was outnumbered, screamed at the top of his lungs, bringing a couple of passing patrol-

men on the run.

Piero Bianchi, alias "Julia," and Franco Moreni were charged with robbery, assault, and prostitution. The prostitution charge was later dropped.

"She's" a He

Julia's no lady—she's actually a man, Piero Bianchi.
