102 Charles St. suite 433  
Boston, Mass. 02114

POLICY CONCERNING PHOTOGRAPHY DURING F/F 1976:

Participants

Participants of Fantasia Fair 1976 may, for their own use, carry cameras and, for their own purposes, photograph Fantasia Fair activities, including other participants, provided that all persons being photographed have no objection. Sound movie cameras are prohibited.

Outsiders and guests

No person, other than a participant, employee or agent of Fantasia Fair/TV Outreach, may carry cameras or photograph Fantasia Fair activities without the express written permission of the Fantasia Fair steering committee. No outsider or guest may make sound recordings of Fantasia Fair activities without express written permission of the Fantasia Fair steering committee.

Media

Members of the news media must follow the same procedures as outsiders. News reporters must obtain written permission from the F/F steering committee before attending F/F functions or photographing F/F participants or activities. In addition, members of the news media must obtain a written release from any and all participants photographed. This paragraph shall also apply to F/F participants acting as agents or reporters for the media or proprietary publications.

These regulations are only general and we hope that all persons will do their best to prevent incidents to arise concerning unwanted photography.

Please report any violations of the above to a staff member as soon as you notice the violation.

Please feel free to ask that any person refrain from taking your photograph if you do not wish to have it taken.

Feel free to question any person who does not look like a F/F participant who is carrying a camera and taking pictures.

Please consult the Fantasia Fair staff before you send any photographs of F/F activities to any person or publication that may publish or reproduce them.

The Fantasia Fair steering committee reserves the right to prohibit any person from carrying a camera or taking photographs or making sound recordings if necessary.

The Fantasia Fair steering committee reserves the right to make a reasonable search of the possessions of any person in attendance at F/F functions to enforce the above.
