Dear Joe,

I was very touched by your thoughtfulness in sending me the flower & the reason you sent them. Mazeltov!

I'm very glad things worked out for you. I am still furious about you being turned down elsewhere, & Paul's attitude. Has homophobia invaded the gay community? For God's sake, what is he thinking about?

I've started a new business, & am enclosing a brochure.

I hope all went well with the surgery and you are up and about soon. Stay in touch.

again, thanks so much for the arrangement. It is very meaningful to me.

my very best,
Kees
