### HELLO AGAIN

The first meeting of the mate support Group 3/7/87 it was a success a big success, not if you count numbers, but count drive and motivation. The motivation, LOVE of a mate, trying to work out the problems they share, one of the biggest successes, not money, position, not accomplishment in social standing can compair to the success of LOVE!! Present at the March party were Ren'ee, Dawn and Tamie, Brandon, Rose and Rae, Danielle, Angle, and Winnie . The evening consisted of a lot of talking and a lot of dancing we all had a great time and again we were treated great. The next event was the rap group it started at seven 'o' clock and ended

after midnight very heartfelt conversations and very rewarding. We are expanding and coming together and have some good people working to make this group the finest in the country or possibly in the world. To accomplish this we need your support, send in your dues and news letter fees they are due January 1st of every year.

Remember the dues for 1987 are due, if you would like to pay by mail make the checks or money orders payable to R. [REDACTED] or K. [REDACTED]. TS RAP GROUP

THE Mate Support Group!

We would like to Thank everyone who helped with getting our meeting place put together. The first meeting of the mate support group 3/7/87. It was attended by Tamie, Linda, and Karyn, where were you mindy? We were sorry that Rose couldn't make it, but we understand the traveling. A lot of things were discussed and we were glad we could get together, and be able to talk to someone who understands. Our next meeting is 4/4/87 and we hope to see more mates at the next meeting, bring your ideas, on things to discuss, outings that could be fun! Hope to see you at the next meeting! Karyn

THE CONVENTION IN CHICAGO!

A Fabulous Time by REN'EE  
 The 1987 International Foundation for Gender Education Convention in Chicago. I.F.G.E convention, it was announced in News letters all over the country, the word was spread by mouth, by pamphlet, by every group large or small, more were for it than against it, it was a united group of people! Next years convention will be even better! The work shops were the greatest, the people were real and very nice, The food excellent, the rooms and arrangements fabulous, the best time ever, a great time for all who attended.

The excitement and feelings that awoke in me were like none I have ever before experienced, next year should be better than this.

LINDA AND FRIEND

I had a lot of personal experiences that happened to me, those experiences made me realize the people at the convention were the very finest in the country, they touched me and many others in a very special way!

During the convention I was running around with a camera glued to my hands, taking picture after picture, the people I observed were exhibiting, kindness, and understanding. There were long talks in the halls, long talks at dinner, lot's of understanding and sharing, sharing of one's self! I only wish I had been artistic enough to record this with my lens so the community could see what caring for an other can do and mean.

Thank each and every one for your kind support, help and caring, you all were the people who made the Chicago convention work, I will remember it always! The experience of Chicago was the greatest thing that could ever have happened in our community. For the first time I can see a community working together for the good of all not just a select few. Congratulations Merrissa Sheryl Lynn for having a dream, and best of all making it come true, and to all the people who made the dream come true, THANK YOU!

ROGER [REDACTED]

Hi Girls,

Let me take this opportunity to thank all the people who help fix up the new club facility. Your help is greatly appreciated!

I'd also like to thank our staff for all their hard work in making a club we can be proud of! And last but not least, I'd like to thank Dawn for her lovely and informative article on getting feminine glasses as that is the next thing that I want to do for myself.

Now about the new changes. First we added a second party for the people that have a problem with public appearances. This will help them with themselves and the issues they face. The party at the 145 Club will remain intact, as long as interest is shown for the party there, we will support it and have it. The second is the support group now they have a place to meet and things to do and a regular meeting to do it at. The last is the rap group, a meeting to get in touch with yourself, and find out you are not the only one that faces the problems of cross dressing, and a way to feel better about yourself.
