About Fantasia Fair

Fantasia Fair was conceived in 1974 by members of a club called the Cherrystones of Boston. Fantasia Fair I (1975) had about 40 participants. From this humble beginning the Fair has evolved, each program building on the previous one, expanded or modified to incorporate the many changing facets of the crossgender lifestyle. The Fair is, basically, a holiday experience for the crossdresser and crossgender community. It is a mix of practical, social, and educational opportunities designed to help in the personal growth and heightened awareness of one's own "femme" persona. Included in this smorgasbord of activities are the beauty programs, seminars, workshops, house parties, awards banquets, fashion show, fantasy ball and our own special talent show.

FanFair & Outreach Institute Videos

Videos of the *FanFair Follies* and *Fashion Show* are now available for \$29.95 ea (\$54.95 for the pair). Also available, at the same price, is *Fantasia Fair Overview* featuring personal interviews of FanFair participants and cameo appearances of some of the leading gender "experts" who make up the FanFair cadre.

OIGS has produced a series of videos that include some of its more significant seminars, workshops, and colloquia at \$39.95 ea. (plus \$4.95 each for shipping. & handling). Topics include: *SRS Procedures & Protocols*; *Relationship Issues for Wives and Partners*; and *Pathway to Gender Happiness*. OIGS, 126 Western Ave, Suite #246, Augusta, ME 04330.
