For My Special Friend

"Some people
have a special gift
for doing loving deeds,
For offering encouragement
that someone really needs,
For knowing
when to be there
with a helping hand to lend...
Some people have a gift
for being a special friend."

FEB 3, 1987

It means so much to have a friend
As wonderful as you,
Someone I like to be around
And like to talk with, too--
And now, because your birthday's here
I especially want to send
These warm and loving wishes
To you, my special friend.

Happy Birthday
