The IMPERIAL QUEENS & KINGS OF NEW YORK, LONG ISLAND, NEW JERSEY, CONNECTICUT & PENNSYLVANIA ("I.Q.K.N.Y.") was founded on Halloween 1968 and incorporated in the Empire State in January of 1969. IQKNY was initially established in gayly historic GREENWICH VILLAGE. Its original meetings were frequently held at the legendary STONEWALL INN. Thus, it is not surprising that some were igniters of the Transgender rights movement!

This Transgender organization has under its rainbow umbrella the following: Drag Queens ("D/K's"), Transvestites ("T/V's"), Drag Kings ("D/K's") and, of course, Transexuals ("T/S's"). Also, the Friends and Admirers of any Cross Dressers ("C/D's") or the Transgender community.

IQKNY is an open organization! Thus, we have Gay, non-Gay, bisexual, asexual and trisexual members. IQKNY is not based on sexual orientation. We are well-represented ethnically, religiously, racially and culturally.

We are unique in obvious, positive ways as well as for unequivocally being the longest-lived Transgender club on the East Coast and most other areas of AMERICA. While headquartered in NEW YORK CITY, we nonetheless have members and supporters throughout the U.S.A. -- and EUROPE!! Besides our social basis, IQKNY has a successful reputation in the areas of Gay, Transgender and civil rights, support, counseling and public speaking. As such, we have endless letters of acknowledgment and appreciation from a myriad of public officials, other organizations and private individuals.

IQKNY meets on the first Friday of every month at 8:15 p.m. at the multi-purpose GAY COMMUNITY SERVICES CENTER at 208 West 13 St., MANHATTAN (between Seventh & Eighth Avenues). Updates, discussions, event-planning, projects and socialization are all included. So is friendship-making. Some members and guests come "gussied up". However, it is not required. Afterwards, we always go out to a GREENWICH VILLAGE restaurant for dinner.

We have an accrued mailing list of well over 2,000 people; an active, paid membership of over 200 and IQKNY is represented in about 40 states. Annual membership dues are \$39 payable by check or money order. This includes "royal" status, benefits, special mailings, discounts, etc. and subscription to IQKNY's renown newzletta, "IMPERIALLY YOURS".

STONEWALL VETS

The first international human rights march, Stonewall 25, brought more people together than ever before. A million people from over 70 countries and 50 states came to New York City to march, rally, celebrate, demonstrate, protest and love.

Stonewall 25 was forced to cut its budget several times and the final cost was \$1.2 million. However, even with this modest budget, (the 1993 March on Washington was \$1.8 million,) SW25 was left with a deficit of \$300,000. Most of this money is owed to small lesbian, bi and gay owned businesses. SW25 will not let these bills go unpaid and we need your help!

Each contribution and every order goes directly to Stonewall 25 to help pay off the debt.

☐ Send me ___ copies of the SW25 Video at 21.95 ea. (+3.00 S&H)

YE WAVERLY INN was built in 1844 in the heart of Greenwich Village where it served as an inn for travelers. It provided stables for the horses as well as a cobblestone courtyard for the carriages.

As the village population grew, a place for the horses and carriages of the wealthy became a necessity.

Ye Waverly Inn functioned as a carriage house until 1920.

In 1920 the inn was turned into a 'tea room' under the care of two ladies. Robert Frost and Edna St. Vincent Millay dined here on home style portions.

Very little has changed since then. Ye Waverly Inn remains true to its heritage with such features as three working fireplaces, moldings, wooden floors and booths. The cobblestone courtyard has been converted into a garden. Ye Waverly Inn remains quaint, romantic, and warm.

NOTES**
By Bob Satuloff

**Stonewall to Debut—
When Else?—in June**

According to an article by Adam Dawtry in the current *Variety*, Strand Releasing has acquired the North American rights to Stonewall, a new movie based on Martin Duberman's book about the 1969 Greenwich Village riot that inspired the gay rights movement. Financed by the BBC and produced by Christine Vachon, who's rapidly becoming the David O. Selznick of serious gay and lesbian independent films, Stonewall was directed by Nigel Finch, who died during the film's post-production, and stars Guillermo Diaz and Frederick Weller. Strand plans to premiere the film in New York, Los Angeles, and San Francisco next June.
