## THE DIPLOMAT REVIEW

WHITY  
WHITEY

Here is a little brochure which is our way of introducing ourselves to you - if you like the very best in entertainment - if you have exceptional taste you will not want to miss THE DIPLOMAT REVUE

**EDIE  
LLOYD**

**THE END**

In top-notch dancing entertainment Edie is one of the very few male toe-dancers in the world today... He has a long list of stock and road shows to his credit and is the choreographer for the Diplomat revue... we think you will find him one of the most fascinating impersonators in the business.

**FAT JACK**  
**THE INDSCRIBABLE**

Because his comic inovations on the 'greats' of Show-Biz are just that... indescribably funny... Fat Jack is going into his third year as a Diplomat favorite.... His unbelievable proportions have typed him as the MADAM of the revue....

**TONI  
ALBRIGHT**

**THE BODY**

Has been a part of the Diplomat Revue for more than three years and is noted for his 'fun-pieces' done to the most gyrating bits of rock and roll. It is interesting to note that Mr. Albright served as a Master Sgt. during the Korean War.

**JERRI  
DAYE**

**THE FACE**

It's quite obvious why Mr. Daye is called THE FACE... We feel he is one of the most beautiful boys in the world and are happy to introduce him as that. He is a graduate of the famous Jewel Box Revue and a master at the art of female impersonations...

# THE CHARMER

## BOBBI JOHNS

The Diplomat Revue's Mister Personality, former semi-professional baseball player and Club Diplomat's torrid torch and blues boy . . . to see Mr. Johns fill every corner of the room with his own manner of presenting a number is one of the high-lights of an evening at the DIPLOMAT and a real home-run.

The manly art of female impersonation is as old as show business. In the early dramas and in the Orient today men traditionally have played all the female roles. To see the metamorphosis of a man becoming (to all outward appearances) a woman is an interesting and exciting experience. Here at the Club Diplomat we have what we feel is the most professional and polished group of female impersonators on any stage anywhere today. In addition to our regular standard revue (continuous showing) it is our policy to book-in headliner acts such as the incomparable Rae Bourbon, Danny Windsor, Arthur Blake, and many, many more. Your complete entertainment is our reason for being here and if you are planning on being in Detroit any time drop us a line and we'll be happy to accept your reservation.

SOPHISTICATION in a word - Mr. Wells is nearly everything that has made Dietrich mysterious - the walk - the husky voice - the hungry look - and the legs - ay yi yi - the legs.
