1PM The TEXAS 'T' PARTY is officially over.

After 1PM we will continue to socialize, say goodbys, and talk about the fun we had.

**SECOND IMPORTANT NOTICE:** We know that you had a great time last year; we had guests arriving on Monday and more every day through the week. We were amazed to find 75 of you congregated here a day before the 'T' Party started.

Therefore, we have extended the event and organized entertainment for Thursday night, and there will be rooms available for socializing as early as Wednesday evening. We are not doing this to push you into coming early. If you simply must make this a week long fiesta, you may be on your own for the first few days.

**HOTEL ACCOMMODATIONS:** We have arranged for a special room rate for our guests. We will have a whole building to our selves like we did last year. The room rate is \$49 (plus tax) per room per day (1 king or 2 queen beds). You can share the room with up to three other people without any increase in room rate. When we receive your TEXAS 'T' PARTY Registration Form we will include a hotel reservation card in your 'T' Party confirmation packet. The packet will also include information to help you find a room mate, if you desire one.

**SPECIAL TRAVEL OFFER:** The official carrier of the 1990 TEXAS 'T' PARTY is American Airlines. Your confirmation packet will include a special coupon from American Airlines entitling you to discounts on your air travel to the 'T' Party.

**TAG SALE:** This year the boutique will include all of last year's services plus a tag sale. This tag sale will give you a chance to sell the clothes, shoes, etc. that you no longer need, and make selections from experienced clothing.

**TOURS ON-YOUR-OWN:** We will provide a list of stores, bars, restaurants, etc. that will welcome you.

**YOUR SECURITY:** This event is for the benefit of cross-dressers and their families. Neither Texas law, nor San Antonio ordinances prohibit males from wearing female attire.

We will hold all personal information in strictest confidence.

A plain clothes security officer will be on duty during the 'T' Party. You will receive our photo policy and a complete list of rules that we have carefully plagiarized from other successful cross-dressing group functions.

**PURPOSE:** A "Tea" is held for the purpose of seeing one's friends and being seen by them, chatting a bit, parading latest fashions, exchanging information, and taking a welcome relief from the cares of everyday life. Many of the pleasant aspects of a tea party result from the mix of pleasant and interesting people that attend. Our responsibility is to provide the place, refreshments, and a program that is interesting, educational, and fun.

**We're having a party!**

Planning began before anyone left the last one. Everyone had such a good time that we wanted to find out what made it work so well, so here is part of the list we came up with:

- \* everyone loved being dressed for three days.
- \* everyone loved being with so many people who understand cross-dressers.
- \* everyone loved the freedom and the absence of serious meetings.
- \* everyone loved the warm Texas weather.
- \* you must have liked the boutique because all the vendors were happy.
- \* you liked having the beauticians, makeup people, manicurist, and photographer.
- \* you liked the day tour of the city
- \* most of all, you loved meeting the other cross-dressers and their wives.

Our plans for 1990 include all those things that you liked in 1989, plus a few additions.

**IMPORTANT NOTICE:** Gee, one time we thought it would be kind of fun to gather up, oh, 20-40 like minded folks for a 'T' Party. Well, 128 of you showed up. Now, if each of you told your friends, we could attract a full house. Although some people thought that was a good idea, the registration committee found out about it and insisted on the following changes:

- 1) The price has gone up \$5. Of course there is an extra meal, but, still, it should help

discourage a few of you. We expect that this will cut out about 14 girls.

- 2) We have added another day filled with optional activities. Another five percent will see this as a scheduling problem. Voila, 10 fewer girls.
- 3) The registration form is more complex.
- 4) The day tour starts early and ends late and includes a luncheon stop. Of course we will have to show you all of those tourist type things that brings all those people to our city every year. There will be a separate charge of this, and that should scare away at least 21 girls.
- 5) We have included two IMPORTANT NOTICES in this brochure. These are just irritating enough to knock off at least another 3% by themselves.

These measures become even more important when you consider the following: one, lots of people stayed home last time because it was our first party. Now that they know we were not arrested and that we didn't hit the headlines, they can show up. Two, wait till you hear what we have planned for 1990. Fortunately I can't tell you everything we have in store. Here is a quick sketch:

**Wednesday - February 21 (two days before the TEXAS 'T' PARTY)**

The La Vista Room will open as soon as we get there. That depends on work schedules, attitude of wives, and other important factors. Chances are, what ever you want to do for dinner, you won't need to dine alone.
