Dear James and Denis:

I was a friend of Lou's (see my letter to you of May 9) and I am a FTM Transvestite although sometimes I refer to myself as a FTM non-operative Transsexual.

One of the projects Lou was working on, as you may know, shortly before he died was editing his diaries for publication. I am writing to inquire about the status of this project and to offer my assistance. Did Lou complete the editing and did he secure a publisher?

If not, I would like to offer my help. I am a professional writer and editor (corporate and community, both). And I would be willing to volunteer myself to finish the editing of the diaries and to find a publisher (I believe I could do this quite easily).

I know Lou wanted his diaries available in published form. And it would be another FTM contribution to the world.

Please let me know if the project remains incomplete and if I might take up.

All the Best,
