A FEMININE PERSPECTIVE

BY: TABETHA ANN TAMBOR

There were seven lovely ladies at the October meeting. Some of us were not wearing much in the way of clothes, however. You know who you are... We will be looking for a bikini next time Alice. A "Gypsy" and her mate the "Pumpkin" graced us with their presence. The rest of us were just trying to be girls. Or at least to appear as the beings that girls are allowed to show to the world more easily than men. I must say Debbie is knocking them out of the ball park with the cartoons and the excellent attendance record. For all of you that did not make it... come on and visit with us. Some of you have not been seen in a very long time. We miss you.

I would like to take a moment to say that I have enjoyed being your Secretary/Treasurer for the past several years. I would like to continue on serving you in that position. Every vote would be much appreciated.

We will be taking nominations and voting on the offices of President, Vice President and Secretary/Treasurer during the December meeting. Beverly has informed me that she will not be in the race this year for any office. She is not leaving, however, she is going to devote her full attention to the management and editing of Mountain Lace.

Beverly has acquired new computer hardware and programming that will allow for both digital and optical scanning. Pictures and other images can now be placed in our newsletter, Mountain Lace. As Bev's knowledge and skills with the new technology develop, you will see the difference in the Lace. She hopes you will like the new look.

SOMETHING NEW!

Debbie has agreed to contribute some of her creative talents to ML. She will be doing cartoons in a segment called the "Fem Side." Judging from her first offerings, I think we will be exercising our funny bone.

ALICE IN WONDERLAND

BY: ALICE [REDACTED]

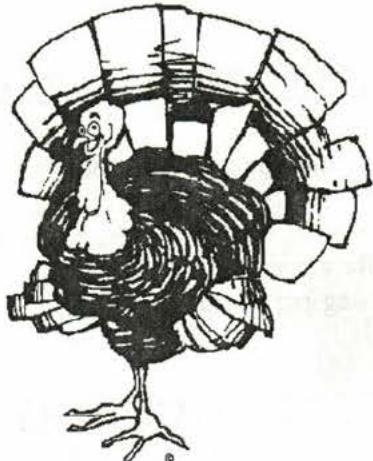

Well this girl focused her eyes on doings at the Driftwood Pageant on October 11th. Doris and I were the only members of TWV present for the event. The winner of the pageant was Ms. Lisa Castillo who will now compete for eligibility in the Miss WV Pageant. Following the state pageant will come the Miss USA Pageant in July of 1993. Our local girls can use all the support you can give. Watch this column for future details on pageant events.

An important aspect, for many of us, with the CD/TV experience is the art of going out and having a positive experience. Recently while buying lingerie at a local department store, this correspondent was asked by the clerk if I would like a store credit card. I said "of course." After presenting a completed application, I was asked for my drivers license. The clerk returned

it after checking the information and said "thank you ma'am, have a good day." This shows you that there are those who are not paranoid about members of our community. Until next month, dress for fun and fulfillment.

ROLL CALL!

Present for the October meeting were: Renee, Mary, Debbie, Alice, Kay, Jenny and Tabetha. Our next meeting will be on October 20th. Hope to see you there.

I would rather be a TV then a turkey, this time of year!

oops!

SPECIAL NOTICE

For those of us that may need it, there is a good chance that we may have a hair and make-up demo at the next meeting of TWV in November.

LIP SERVICE

The best way to blot lipstick is to let the color set for a minute, then press parted lips against the fleshy area of your hand just below the thumb. Wipe lipstick from palm, and press gently again. Repeat until no more color comes off on hand. The warmth of your skin will seal the color and there will be no left over fuzz from tissues.
