# GOOD EVENING

Welcome to the Thirteenth Annual Miss Continental U.S.A. Pageant. As always, The Miss Continental Pageant promises to be filled with high energy, beautiful pagentry and professional entertainment. The event showcases the most talented female illusionists from across the country as they earn the coveted title of Miss Continental 1992-93.

The Miss Continental Pageant grew from the need for a vehicle in which the most talented and professional entertainers could present themselves in a national competition. Over the past decade, The Miss Continental Pageant has achieved the goals it set out to accomplish. As we begin our 13th year we will name our new winner with all the glory and honor she deserves. She will go on to become a member of the elite court of Miss Continentals.

The Miss Continental Pageant has passed the first milestone as it starts its thirteenth year. In the coming years we will continue to strive to present the most entertaining, competitive and professional entertainers ever assembled in one event. I know this evening will bring a host of surprises, as well as the best entertainment, yet. Once again I welcome you to the 1992-93 Miss Continental Pageant and extend my best wishes to all the contestants.

James W. Flint

Wisconsin Continental - Chris Corskie

## J U D G E S

**Bob Mackie**

has been designing scene-stealing costumes for film, Broadway and television for more than two decades. Mackie invaded the world of Seventh Avenue in 1982, establishing a ready-to-wear company called Bob Mackie Originals. The Mackie magic, which has won the designer six Emmy Awards and three Oscar nominations, was translated into glamorous clothes for real women.

The designer moved easily into the "real" world and, today, is one of America's top designers. He continues to design special occasion dresses for longtime friends -- Cher, Carol Burnett, Diana Ross, Diahann Carroll, Brooke Shields and Bernadette Peters. Mackie's design goal is to hear every woman say "I look sensational" and he has a natural talent for making women look their best.

**Vicki Holleman**

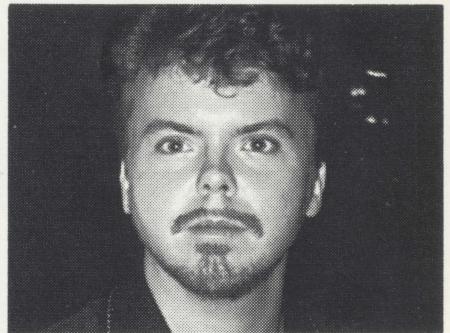

has judged extensively, with Mr. and Miss Gay America Pageants. She designed the official Mr. Gay America scoring system. Vicki is active in AIDS fund-raising & also in the Montgomery AIDS Outreach Buddy System. She founded the first chapter of ACES, the Association for Children for Enforcement of Support. She resides in Pensacola, Florida.

**Ernesto Perez**

a retail design consultant, has served as Head Judge of Miss Continental U.S.A. for eight years. He's also judge of Miss Florida, Miss Gay America, Miss Gay World and Miss Gay U.S.A., making him probably the only judge who has done all the national gay pageants. He is known for his fairness and ability to communicate with contestants. Mr. Perez- who is one of the ten best window designers in the world, appointed by the International Inspiration Academy- just finished filming his own video on window displays, to be distributed nationally and in Latin America by the reputable C.V.M.C. Inc., which handles all the L'Oreal commercials and advertising. He loves Chicago and proudly says Miss Continental is still his favorite contest.

**Becky Evans**

is from Nashville, Tennessee. A graduate from beauty college as a cosmetologist. A former Miss Tennessee, 1967, she was also named Miss Congeniality.

**Michael Hannah**

is currently the Wardrobe Supervisor of the National Touring Company of the Phantom of the Opera. Prior to this, he worked on the Broadway productions of Phantom, Starlight Express, Les Misérables, and 42nd Street. His costume designs can be seen touring the country in the one-woman show, The Late Great Ladies of Blues and Jazz, starring Sandra Reaves Phillips. He has also designed costumes for a variety of nightclubs and cabaret shows in and around New York City.

**Karen A. Ross**

Born and raised in Chicago, Karen has long been involved in the gay and lesbian community. In the 70s, she was a bartender at Chicago's popular Sunday's Child. In 1978, she joined the staff of Gay Chicago Magazine as a type setter. Today, she is the typesetting manager at Gay Chicago, where she is affectionately known as "The Lady of the Typesetter."

Karen's hobbies include cosmetology, in which she holds a certificate. Other interests include traveling, gourmet cooking, collecting jewelry and enjoying an active social life.
