ATTN: PARTICIPANTS
'COMING TOGETHER' '87

Dear Participant

Thank you for attending our first 'Coming Together' convention. Our primary objective for this first convention was to get our collective act together, and judging from the evaluations that have been returned to us, we were successful (somewhere well above my expectations, but still below my fantasies).

We emerged from the convention with a program schedule that works, a staff, a site for '88 (Chicago again) and '89 (San Francisco), and \$3-4,000.00 seed money for next year. We are in good shape. Now it's time to go to work on next year's convention, which is the purpose of this letter.

Our battle plan is:

- 1.) To start immediately lining up people interested in working on the '88 and '89 conventions and those interested in being presentors.
- 2.) Collect and study evaluations and proposals.
- 3.) Have planning sessions with as many workers, planners, and interested persons as possible at the Pajaro Dunes Outing, Tiffany's Spring P-town Outing, and at the 'Be All' convention.
- 4.) By mid-June have our programs, presentors, and marketing ready to go.

Next year's convention promises to be even better than last year's, and we want you to be part of it. Please complete the enclosed questionnaire and return it at your earliest convenience.

Again, thank you for attending this year, and I look forward to working with you and seeing you again next year. My love to you all.

Sincerely,
