Telephone [REDACTED] ☉ FAX [REDACTED]

Dear Fan/Fair Alumna,

Last month we sent you information, about the Special Alumnae program that will be a major component of the Silver Anniversary of the Fantasia Fair (FF 25). Now, I would like to tell you about another important project commemorating the 25-year life of the Fair. We have named it the Coffee Table Album (CTA).

The Album is to be a photo extravaganza with selected photos of past participants and events of all of the Fairs from our beginnings in 1975. It will have selected ads that appeared in some of the Fan/Fair Albums of the 80's. We are also doing a Patrons' Club section as an important part of the CTA.

We are offering you an opportunity to have a portrait photo of you and some of your activities during the years of the Fair that you were active. This photo or small group of pictures will cover one 8 x 10 page of the Album. To become a member in the Fan/Fair Patrons' Club, we need two things from you: a signed Patrons' Club membership form (see below) and a tax deductible donation of \$500 (for a full page) or \$250 (for a half page).

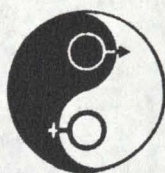

Most of the photos for this project come from three reliable professional sources. a) The Files of Mariette P. Allen; b) the Files of Helen Strong and the archives of OIGS (Outreach Institute).

We would like as many of you to consider membership in the Fan/Fair Patrons' Club, as soon as possible. Both space and time are limited. If you want some further details, please contact me at our OIGS office (both the voice and fax #'s are on the letterhead) Our E-mail is [ajaxamk @aol.com](mailto:ajaxamk@aol.com). We would like to hear from you not later the 3 DEC. 1999.

To activate your membership in the FFPC, please complete the enclosed form and return to our offices in Maine. Make your check, money order, or credit card authorization payable to the OIGS or Outreach Institute. A receipt acknowledging your tax-deductible donation will be sent to you.

Looking forward to hearing from you, I am

Ariadne Kane, Editor in Chief of the CTA Project of OIGS.
