

Fantasia Fair 25 Alumnae Program

Fantasia Fair—a milestone for so many of us who have attended over the past 24 years. This year, Fantasia Fair is poised to celebrate a milestone of its own—25 Years! As part of Fantasia Fair's 25th Anniversary Silver Jubilee, a special Alumnae Program is being planned. As part of this select group, you'll enjoy the camaraderie of other Fair veterans as you rediscover Provincetown, experience a whale watch, reminisce about Fairs past and speculate about Fairs in the new millenium. Return this year to renew old friendships and relive the exhilaration of the first time you experienced the freedom and acceptance of Provincetown. Come back to Fantasia Fair this October and be part of the 25th Anniversary Silver Jubilee Celebration.

Fantasia Fair runs from October 17th through 24th. Special Alumnae Program events will begin on Tuesday, October 19th. Additional information concerning Fantasia Fair is available from its website at: www.fantasiafair.org or from Provincetown Reservations System (PRS) at 800-648-0364 or 508-487-2400, who in addition to providing housing and registration for the Fair, is also handling ticket sales for performance events that are open to the public.
