About the Outreach Institute

The Outreach Institute of Gender Studies is committed to programs which broaden understanding of our community, offer resources to Health Care providers, further the personal growth of individuals facing gender related issues and inform the public of the diversity of gender. OIGS is a not-for-profit organization with all proceeds dedicated to supporting the above goals. Over the past 22 years, the Institute has pushed back the frontiers of ignorance and bigotry by representing our gender concerns to important professional organizations such as the Society for the Scientific Study of Sexuality, the Association for Humanistic Psychology, and the American Association of Sex Educators, Counselors and Therapists. Fantasia Fair and the Outreach Institute stand proud of their achievements.

About Fantasia Fair

Fantasia Fair was conceived in 1974 by members of a club called the Cherrystones of Boston. Fantasia Fair I (1975) had about 40 participants. From this humble beginning the Fair has evolved, each program building on the previous one, expanded or modified to incorporate the many changing facets of the crossgender lifestyle. The Fair is, basically, a holiday experience for the crossdresser and crossgender community. It is a mix of practical, social, and educational opportunities designed to help in the personal growth and heightened awareness of one's own "femme" persona. Included in this smorgasbord of activities are the beauty programs, seminars, workshops, house parties, awards banquets, fashion show, fantasy ball and our own special talent show.

FanFair & Outreach Institute Videos

Videos of the *FanFair Follies* and *Fashion Show* are now available for \$29.95 ea (\$54.95 for the pair).
