Dear Dr. Tornabene:

I have tried to contact you at 122 Windsor Terrace and was informed that you left no forwarding address. It was only by chance I found your Shonnard Place address.

I am the author of the Information for the Female-to-Male booklet distributed by Paul Walker, Janus Information Facility of this city. Therein I listed Labyrinth Foundation as a referral with the Windsor Terrace address. I am now distributing the expanded 2nd edition of the booklet and ask your permission to list your Shonnard Place address as a contact for Labyrinth Foundation.

Is the Foundation still in operation? *Yes, very much so -*

I am enclosing a SASE in hopes of hearing from you soon.

Best regards,

Lou

My friend -

We met in Palo Alto years ago - under my publishing name Mario Martins - and I'd like you to list it this way in your books!
