April 25, 1988

Dear Lou:

Thanks for your letter, photo, referrals, newsletter issue and newsclippings. Sorry for not getting back to you sooner but it has been very hard for me to find time or energy to write letters. Please find enclosed a cheque for \$17.50 [U.S.] for five copies of your book (you said I could have them for \$3.50 apiece), a postal ballot and my open letter advising of MMRF's dissolution per a motion approved by our Board of Directors at our last meeting in March on account of my chronic burnout I regret that Metamorphosis Magazine will be discontinued but I find this task too onerous for me at this time - although I will be putting out a bi-monthly, 12-page newsletter for helping professionals and resource providers starting in June [\$15 per 6 issues] However, I am still planning to publish my "Tributes" to helping professionals and resource providers, and hope to feature yours in the August issue.

I may be featured on "The Fifth Estate" - a national, public affairs TV show here - the second week in September. I'm also writing Dr. Ruth to see if she would like me to appear on her program I have counselled 7 clients so far (\$20 per hour, two hour-minimum first session) - 2 M-Fs, 5 F-Ms. I sponsored a workshop for 17 M-F TSs at the end of January. I hope to co-sponsor a workshop for professionals with the Clarke Institute Gender Clinic this October. I'm also resuming work on my anthology of TS, TV and TG verse, and I have asked Dr. Roger Peo if he would like to combine forces with me to put out an resource directory of helping professionals and resource providers. Too, I'm trying to put together a lending library and a series of information packet for providers and consumers. Finally, I am co-ordinating a get-together for 30 people (TSs and their mates and friends) at the house of a pre-op F-M client of mine in June. He found your book really informative.

I am getting involved in an animal rights group, "Action Volunteers for Animals", and starting to socialize again on weekends. Continued success with your biography of Jack Garland, your F-M newsletter and your get-togethers. I hope to be able to finally meet you in San Francisco around April 4 - the time of the next IFGE convention, to be sponsored by ETVC. Take care. Ciao for now

In fellowship,

Rupert Raj
