The Chicago Gender Society is a service organization for crossdressers, transsexuals, and their supporters. Its goal is to provide social and educational opportunities, as well as support for its members. It seeks to promote a positive self image for all crossdressers and transsexuals in the business community, the media, and the general public. It supports legislation which protects the rights of all minorities and will aid public officials in formulating fair and equitable human rights laws. C.G.S. is not a professional therapy group nor is it a dating service. It is a peer support group.

Even though C.G.S. is a new name in the transgender community, many of our members bring with them years of experience with other similar groups. Membership is open to crossdressers, transsexuals, spouses, significant others, and/or supportive friends who are of legal age, regardless of gender, race, creed, or sexual orientation.

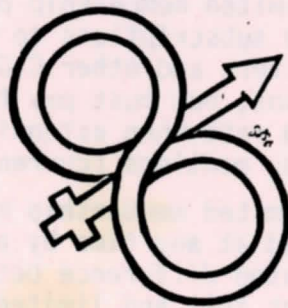

C.G.S. exists to serve the membership in four areas:

- A. To offer safe semi-public activities for members to meet others with similar interests, build their self confidence, and perfect their presentation.
- B. To educate the general public in order to dispel fear, ignorance, and promote acceptance.

- C. To provide programs to assist, educate, and support all its members.
- D. To develop a growing leadership base that will carry on and expand this work.

Activities include regular monthly business meetings and socials as well as special events such as picnics, dinners, and dances.

You are invited to come and join us for an evening, share our company, and see what we are all about. Information on dates and locations of our functions can be obtained by filling out the enclosed form and mailing it to us. We can also be contacted by phone through the Gay Horizons Hotline.
