9.30-10.10 FORTY MI-
NUTES (BBC2): 'Lol—A
Bona Queen of Fabularity.'

Lorri Lee (Lol) is a stand up
comic who performs in glamo-
rous drag. He is also a screamer,
the sort of queen who makes
sedate gays tut-tut about stereo-
typed images. In Angela Pope's
funny and good-natured docu-
mentary Lol and some old
friends re-enact a few shared and
favourite memories.
